4. Any restrictions adopted or maintained under paragraph 1 above, or any changes therein, shall be promptly notified to the other Party.

## **Article 83. General Exceptions**

Subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination against the other Party, or a disguised restriction on trade in services between the Parties, nothing in this Chapter shall be construed to prevent the adoption or enforcement by either Party of measures:

(a) necessary to protect public morals or to maintain public order; Note: The public order exception may be invoked only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society.

Each Party shall accord to investments of investors of the other Party treatment in accordance with international law, including fair and equitable treatment and full protection and security. Note: This Article prescribes the customary international law minimum standard of treatment of aliens as the minimum standard of treatment to be afforded to investments of investors of the other Party. The concepts of "fair and equitable treatment" and "full protection and security" do not require treatment in addition to or beyond that which is required by the customary international law minimum standard of treatment of aliens. A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not *ipso facto* establish that there has been a breach of this Article.
