2. Any dispute between the Contracting Parties as to the interpretation or application of this Agreement, not satisfactorily adjusted by diplomacy within six months, shall be referred for decision to an arbitral tribunal.

Such arbitral tribunal shall be composed of three arbitrators, with each Contracting Party appointing one arbitrator within a period of sixty (60) days from the date of receipt by either Contracting Party from the other Contracting Party of a note requesting arbitration of the dispute, and the third arbitrator to be agreed upon as Chairman by the two arbitrators so chosen within a further period of sixty (60) days, provided that the third arbitrator shall not be a national of either Contracting Party.

3. If the third arbitrator is not agreed upon between the arbitrators appointed by each Contracting Party within the further period of sixty (60) days referred to in paragraph 2, the Contracting Parties shall request the President of the International Court of Justice to appoint the third arbitrator who shall not be a national of either Contracting Party.

4. If the President of the International Court of Justice is a national of either Contracting Party or if he is otherwise prevented from discharging the said function, the Vice-President of the Court shall be invited to make the necessary appointments. 5. The arbitral tribunal shall within a reasonable period of time take its decision by a majority of votes. Such decision shall be made in accordance with this Agreement and applicable rules of international law. Such decision shall be final and binding on both Contracting Parties.

6. Each Contracting Party shall bear the costs of the member of the arbitral tribunal of its choice, as well as the costs for its representation in the arbitration proceedings. The expenses incurred by the Chairman as well as any other costs of the arbitration proceedings shall be borne in equal parts by the two Contracting Parties. However, the arbitral tribunal may, at its discretion, direct that a higher proportion or all of such other costs of the arbitration proceedings be paid by one of the Contracting Parties. In all other respects, the arbitral tribunal shall determine its own procedure.

Article 16. Settlement of Investment Disputes between a Contracting Party and an

Investor of the other Contracting Party

1. For the purposes of this Article, an "investment dispute" is a dispute between a Contracting Party and an investor of the other Contracting Party that has incurred loss or damage by reason of, or arising out of, an alleged breach of any obligation of the former Contracting Party under this Agreement with respect to the investor of that other Contracting Party or its investments in the Area of the former Contracting Party.

2. Subject to subparagraph 7(b), nothing in this Article shall be construed so as to prevent an investor who is a party to an investment dispute (hereinafter referred to

In this Article as "disputing investor") from seeking administrative or judicial settlement within the Area of the Contracting Party that is a party to the investment dispute (hereinafter referred to in this Article as "disputing Party").

3. Any investment dispute shall, as far as possible, be settled amicably through consultations between the disputing investor and the disputing Party (hereinafter referred to in this Article as "the disputing parties").

4. If the investment dispute cannot be settled through such consultations within three months from the date on which the disputing investor requested in writing the disputing Party for consultations, the disputing investor may, subject to subparagraph 7(a), submit the investment dispute to one of the following international conciliations or arbitrations:

(a) conciliation or arbitration in accordance with the Convention on the Settlement of Investment Disputes between States and Nationals of Other States, done at Washington, March 18, 1965 (hereinafter referred to in this Article as "the ICSID Convention"), so long as the ICSID Convention is in force between the Contracting Parties;

(b) conciliation or arbitration under the Additional Facility Rules of the International Centre for Settlement of Investment Disputes, so long as the ICSID Convention is not in force between the Contracting Parties;

(c) arbitration under the Arbitration Rules of the United Nations Commission on International Trade Law, adopted by the United Nations Commission on International Trade Law on April 28, 1976; and

(d) if agreed with the disputing Party, any arbitration in accordance with other arbitration rules.

5. Each Contracting Party hereby consents to the submission of investment disputes by a disputing investor to conciliation or arbitration set forth in paragraph 4 chosen by the disputing investor.

6. Notwithstanding paragraph 5, no investment disputes may be submitted to conciliation or arbitration set forth in paragraph 4, if more than five years have elapsed since the date on which the disputing investor acquired or should have first acquired, whichever is the earlier, the knowledge that the disputing investor had incurred loss or damage referred to in paragraph 1.

7. (a) In the event that an investment dispute has been

Submitted to courts of justice or administrative tribunals or agencies or any other binding dispute settlement mechanism established under the laws and regulations of the disputing Party, any conciliation or arbitration set forth in paragraph 4 can be sought only if the disputing investor withdraws, in accordance with the laws and regulations of the disputing Party, its claim from such domestic remedies before the final decisions are made therein.

(b) In the event that an investment dispute has been submitted for resolution under one of the conciliations or arbitrations set forth in paragraph 4, the same investment dispute shall not be submitted for resolution under courts of justice, administrative tribunals or agencies or any other binding dispute settlement mechanism established under the laws and regulations of the disputing Party.

8. An arbitral tribunal established under paragraph 4 shall decide the issues in dispute in accordance with this Agreement and applicable rules of international law.

9. The disputing Party shall deliver to the other Contracting Party:

(a) written notice of the investment dispute submitted to the arbitration no later than thirty (30) days after the date on which the investment dispute was submitted; and

(b) copies of all pleadings filed in the arbitration.

10. The Contracting Party which is not the disputing Party may, upon written notice to the disputing parties, make submissions to the arbitral tribunal on a question of interpretation of this Agreement.

11. Unless the disputing parties agree otherwise, the arbitration shall be held in a country that is a party to the Convention on the Recognition and Enforcement of Foreign Arbitral Awards, done at New York, June 10, 1958 (hereinafter referred to in this Article as "the New York Convention").

12. The award rendered by the arbitral tribunal shall be final and binding upon the disputing parties. This award shall be executed by the applicable laws and regulations as well as relevant international law including the ICSID Convention and the New York Convention, concerning the execution of award in force in the country where such execution is sought.

13. Notwithstanding paragraph 4, the disputing investor may initiate or continue an action that seeks interim injunctive relief that does not involve the payment of damages before an administrative tribunal or agency or a court of justice under the law of the disputing Party.

14. The disputing Party may not assert, as a defence, counterclaim, right of set-off or otherwise, that the disputing investor has received or will receive indemnification or other compensation for all or part of the alleged damages pursuant to an insurance or guarantee contract.

Article 17. General and Security Exceptions

1. Subject to the requirement that such measures are not applied by a Contracting Party in a manner which would constitute a means of arbitrary or unjustifiable discrimination against the other Contracting Party, or a disguised restriction on investments of investors of the other Contracting Party in the Area of the former Contracting Party, nothing in this Agreement other than Article 12 shall be construed so as to prevent the former Contracting Party from adopting or enforcing measures:

(a) necessary to protect human, animal or plant life or health;

(b) necessary to protect public morals or to maintain public order, provided that the public order exception may only be invoked where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society;

(f) imposed for the protection of national treasures of artistic, historic or archaeological value.

2. In cases where a Contracting Party takes any measure, pursuant to paragraph 1, that does not conform with the obligations under this Agreement other than Article 12, that Contracting Party shall, prior to the entry into force of the measure or as soon thereafter as possible, notify the other Contracting Party of the following elements of the measure:

2. Measures referred to in paragraph 1:

(a) shall be consistent with the Articles of

Agreement of the International Monetary Fund, so long as the Contracting Party taking the measures is a party to the said Articles;

Article 19. Prudential Measures

1. Notwithstanding any other provisions of this Agreement, a Contracting Party shall not be prevented from taking measures relating to financial services for prudential reasons, including measures for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by an enterprise supplying financial services, or to ensure the integrity and stability of its financial system.

2. Where the measures taken by a Contracting Party pursuant to paragraph 1 do not conform with this Agreement, they shall not be used as a means of avoiding the obligations of the Contracting Party under this Agreement.

Article 20. Intellectual Property Rights

1. The Contracting Parties shall grant and ensure the adequate and effective protection of intellectual property rights, and promote efficiency and transparency in administrations of intellectual property protection system. For this purpose, the Contracting Parties shall promptly consult with each other at the request of either Contracting Party. Depending on the results of the consultations, each Contracting Party shall, in accordance with its applicable laws and regulations, take appropriate measures to remove the factors which are recognised as having adverse effects to investments of investors of the other Contracting Party.

2. Nothing in this Agreement shall be construed so as to derogate from the rights and obligations under multilateral agreements in respect of protection of intellectual property rights to which the Contracting Parties are parties.

3. Nothing in this Agreement shall be construed so as to oblige either Contracting Party to extend to investors of the other Contracting Party and their investments treatment accorded to investors of a third party and their investments by virtue of multilateral agreements in respect of protection of intellectual property rights, to which the former Contracting Party is a party.

6. The Committee and the sub-committees established pursuant to paragraph 5 shall meet upon the request of either Contracting Party.

Article 23. Health, Safety and Environmental Measures and Labour Standards

Each Contracting Party recognises that it is inappropriate to encourage investment by investors of the other Contracting Party and of a third party by relaxing its health, safety or environmental measures, or by lowering its labour standards. To this effect, each Contracting Party should not waive or otherwise derogate from such measures and standards as an encouragement for the establishment, acquisition or expansion of investments in its Area by investors of the other Contracting Party and of a third party.
