2. In the selection of measures, priority must be given to those which least disturb the functioning of the arrangements in this Agreement. Such measures shall not be applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination where the same conditions prevail, or a disguised restriction on trade, and shall be eliminated when the conditions no longer justify their maintenance. In addition, the measures which may be adopted pursuant to paragraph 1(c) shall not operate to increase the exports of or the protection afforded to the domestic processing industry concerned, and shall not depart from the provisions of this Agreement relating to non-discrimination.

If in any case, the suspension of the work of the arbitration panel exceeds 12 months, the authority for the establishment of the arbitration panel shall lapse unless the Parties agree otherwise. This shall not prejudice to the rights of the complaining party to request at a later stage, the establishment of an arbitration panel on the same subject matter.

2. The reasonable period of time referred to in paragraph 1 shall be mutually determined by the Parties. Where the Parties fail to agree on the reasonable period of time within 45 days after the date of issuance of the report of the arbitration panel referred to in Article 46, either Party may refer the matter to an arbitration panel, which shall determine the reasonable period of time.

3. The Party complained against shall notify to the complaining Party the implementing measures adopted in order to put an end to the violation of its obligations under this Agreement, before the expiry of the reasonable period of time agreed by the Parties or determined in accordance with paragraph 2. Where there is disagreement between the Parties as to whether the Party complained against eliminated the non-conformity as determined in the report of the arbitration panel within the reasonable period of time as determined pursuant to paragraph 2, either Party may refer the matter to an arbitration panel

Such notification may only be given 20 days after the date of receipt of the request mentioned in paragraph 1.
3. The compensation referred to in paragraph 1 and the suspension referred to in paragraph 2 shall be temporary measures. Neither compensation nor suspension is preferred to full elimination of the non-conformity as determined in the report of the arbitration panel. The suspension shall only be applied until such time as the non-conformity is fully eliminated or a mutually satisfactory solution is reached.
4. In considering what concessions or other obligations to suspend pursuant to paragraph 2:
 - a) the complaining Party should first seek to suspend concessions or other obligations with respect to the same sector(s) as that in which the report of the arbitration panel referred to in Article 46 has found a failure to comply with the obligations under this Agreement; and
 - b) if the complaining Party considers that it is not practicable or effective to suspend concessions or other obligations with respect to the same sector(s), it may suspend concessions or other obligations with respect to other sectors. The notification of such suspension pursuant to paragraph 2 shall indicate the reasons on which it is based. In the selection of the benefits to suspend, the Parties will take into consideration those which least disturb the functioning of this Agreement.
5. The level of suspension referred to in paragraph 2 shall be equivalent to the level of the nullification or impairment.
6. If the Party complained against considers that the requirements for the suspension of concessions or other obligations by the complaining Party set out in paragraphs 2, 3, 4 or 5 have not been met, it may refer the matter to an arbitration panel. Concessions or other obligations shall not be suspended until the arbitration panel has its ruling.
7. The arbitration panel that is established for the purposes of this Article or Article 47 shall have, wherever possible, as its arbitrators, the arbitrators of the original arbitration panel. If this is not possible, then the arbitrators to the arbitration panel that is established for the purposes of this Article or Article 47 shall be appointed pursuant to Article 43. The arbitration panel established under this Article or Article 47 shall submit its report to the Parties within 60 days after the date when the matter is referred to it. When the arbitration panel considers that it cannot issue its report within the aforementioned 60 day period, it may extend that period for a maximum of 30 days with the consent of the Parties. The report shall be final and binding on the Parties.
