(a) suspend the further reduction of any rate of customs duty on the originating good provided for in this Chapter; or

(i) the most-favoured-nation applied rate of customs duty in effect at the time when the bilateral safeguard measure is taken; and

(ii) the most-favoured-nation applied rate of customs duty in effect on the day immediately preceding the date of entry into force of this Agreement.

2. (a) A Party may take a bilateral safeguard measure only after an investigation has been carried out by the competent authorities of that Party in accordance with Article 3 and paragraph 2 of Article 4 of the Agreement on Safeguards in Annex 1A to the WTO Agreement, as may be amended (hereinafter referred to in this Chapter as "the Agreement on Safeguards"), and to this end, Article 3 and paragraph 2 of Article 4 of the Agreement on Safeguards are incorporated into and made a part of this Agreement, *mutatis mutandis*.

A bilateral safeguard measure may be extended by up to 2 years, provided that the conditions of this Article are met. The total period of a bilateral safeguard measure, including any extensions thereof, shall not exceed 5 years. In order to facilitate adjustment in a situation where the expected duration of a bilateral safeguard measure is over 1 year, the Party applying the bilateral safeguard measure shall progressively liberalise the bilateral safeguard measure at regular intervals during the period of application.

(e) No bilateral safeguard measure shall be applied again to the import of a particular originating good of the other Party

which has been subject to such a bilateral safeguard measure, for a period of time equal to the duration of the previous bilateral safeguard measure or 1 year, whichever is longer.

(f) Upon the termination of a bilateral safeguard measure on an originating good of the other Party, the rate of customs duty for such originating good of the other Party shall be the rate which would have been in effect as if the bilateral safeguard measure had never been applied.

4. (a) A Party applying or extending a bilateral safeguard measure shall provide to the other Party an adequate opportunity to consult on adequate means of trade compensation in the form of concessions which are substantially equivalent to the bilateral safeguard measure without delay and no later than 30 days after such application or extension.

(b) If the Parties are unable to agree on the compensation within 30 days after the commencement of the consultations pursuant to subparagraph (a) above, the Party against whose originating good the bilateral safeguard measure is taken shall be free to suspend the application of concessions under this Agreement, which are substantially equivalent to the bilateral safeguard measure. That Party may suspend the application of concessions only for the minimum period necessary to achieve the substantially equivalent effects and only while the bilateral safeguard measure is applied.

(c) The Party exercising the right of suspension provided for in subparagraph (b) above shall deliver a written notice to the other Party at least 30 days before suspending the application of concession.

(d) The right of suspension provided for in subparagraph (b) above shall not be exercised for the first 2 years that a bilateral safeguard measure is in effect, provided that the bilateral safeguard measure has been taken as a result of an absolute increase in imports and that such a bilateral safeguard measure conforms to the provisions of this Article.

5. Each Party shall ensure the consistent, impartial and reasonable administration of its laws and regulations relating to the bilateral safeguard measure.

6. Each Party shall adopt or maintain equitable, timely, transparent and effective procedures relating to bilateral safeguard measure.

7. (a) In critical circumstances, where delay would cause damage which it would be difficult to repair, a Party may take a provisional bilateral safeguard measure, which shall take the form of the measure set out in subparagraph 1(a) or (b) above, pursuant to a preliminary determination that there is clear evidence that increased imports of an originating good of the other Party as a result of the elimination or reduction of a customs duty in accordance with Article 18 have caused or are threatening to cause serious injury to a domestic industry.

(b) A Party shall deliver a written notice to the other Party prior to applying a provisional bilateral safeguard measure. Consultations between the Parties on the application of the provisional bilateral safeguard measure shall be initiated immediately after the provisional bilateral safeguard measure is taken.

(c) The duration of the provisional bilateral safeguard measure shall not exceed 200 days. During that period, the relevant requirements of paragraph 2 above shall be met. The duration of the provisional bilateral safeguard measure shall be counted as a part of the period referred to in subparagraph 3(d) above.

(d) Subparagraph 3(f) and paragraphs 5 and 6 above shall apply mutatis mutandis to the provisional bilateral safeguard measure. Any additional customs duties collected as a result of the provisional bilateral safeguard measure shall be promptly refunded if the subsequent investigation referred to in subparagraph 2(a) above does not determine that increased imports of the originating good of the other Party have caused or threatened to cause serious injury to a domestic industry.

8. Written notice referred to in subparagraphs 3(a), 4(c) and 7(b) above shall be done in the English language.

9. Each Party retains its rights and obligations under Article XIX of GATT 1994, the Agreement on Safeguards and Article 5 of the Agreement on Agriculture.

If a Party undertakes a market-access commitment in relation to the supply of a service through the mode of supply referred to in subparagraph (y)(iii) of Article 73, it is thereby committed to allow related transfers of capital into its Area.

Note: Specific commitments assumed under this Article shall not be construed to require either Party to compensate for any inherent competitive disadvantages which result from the foreign character of the relevant services or service suppliers.

2. A Party may meet the requirement of paragraph 1 above by according to services and service suppliers of the other Party, either formally identical treatment or formally different treatment to that it accords to its own like services and service suppliers.

3. Formally identical or formally different treatment shall be considered to be less favourable if it modifies the conditions of competition in favour of services or service suppliers of a Party compared to like services or service suppliers of the other Party.

4. A Party may not invoke the preceding paragraphs of this Article under Chapter 14 with respect to a measure of the other Party that falls within the scope of an international agreement between them relating to the avoidance of double taxation.

Article 76. Additional Commitments

The Parties may negotiate commitments with respect to measures affecting trade in services not subject to scheduling under Articles 74 and 75, including those regarding qualifications, standards or licensing matters. Such commitments shall be inscribed in a Party's Schedule of specific commitments in Annex 5.

Article 77. Schedule of Specific Commitments

(c) undertakings relating to additional commitments;

and

(d) where appropriate, the time-frame for implementation of such commitments.

3. Measures inconsistent with both Articles 74 and 75 shall be inscribed in the column relating to Article 74. This inscription will be considered to provide a condition or qualification to Article 75 as well.

4. With respect to sectors or subsectors where the specific commitments are undertaken and which are scheduled "SS", all the existing measures inconsistent with Articles 74 and 75 shall be inscribed as terms, limitations, conditions and qualifications, referred to in subparagraphs 2(a) and (b) above.

5. For the purposes of transparency, sectors and subsectors which are not subject to any specific commitment under Article 74, 75 or 76 shall also appear in the Schedules of specific commitments in Annex 5.

6. Schedules of specific commitments shall be annexed to this Agreement as Annex 5.

Note: Services Sectoral Classification List (GATT Secretariat's Document MTN.GNS/W/120, dated 10 July 1991) serves as a guideline for the Parties in listing all services sectors in their respective schedules.

Article 78. Modification of Schedules

1. Any modification or withdrawal of specific commitments on trade in services shall be made in accordance with paragraph 1 of Article 171. In the negotiations for such modification or withdrawal, the Parties shall endeavour, in line with subparagraph 2(a) of Article XXI of the GATS, to maintain a general level of mutually advantageous commitments not less favourable to trade than that provided for in their Schedules of specific commitments in Annex 5 prior to such negotiations.

2. With regard to the same commitment that appears in a Party's Schedule of specific commitments under both the GATS and this Agreement, if modification or withdrawal has been made to such commitment with regard to its Schedule of specific commitments under the GATS and compensatory adjustment has been made to the other Party as an "affected Member" in accordance with Article XXI of the GATS, the Parties shall agree to amend this Agreement to incorporate such modification or withdrawal into it without further negotiation, subject to their applicable domestic procedures.

Article 79. Most-Favoured-Nation Treatment

If, after this Agreement enters into force, a Party enters into any agreement on trade in services with a nonParty, it shall consider a request by the other Party for the incorporation in this Agreement of treatment no less favourable than that provided under the former agreement.

Article 80. Domestic Regulation

1. In sectors where specific commitments are undertaken, each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.

2. Each Party shall maintain or institute as soon as practicable judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier of the other Party, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.

3. The provisions of paragraph 2 above shall not be construed to require a Party to institute such tribunals or procedures where this would be inconsistent with its constitutional structure or the nature of its legal system.

4. Where authorisation is required for the supply of a service on which a specific commitment has been made, the competent authorities of a Party shall, within a reasonable period of time after the submission of an application considered complete under that Party's domestic laws and regulations, inform the applicant of the decision concerning the application. At the request of the applicant, the competent authorities of the Party shall provide, without undue delay, information concerning the status of the application.

5. In sectors where a Party has undertaken specific commitments subject to any terms, limitations, conditions or

qualifications set out therein, the Party shall not apply licensing and qualification requirements and technical standards that nullify or impair such specific commitments in a manner which:

(a) does not comply with the following criteria:

(i) based on objective and transparent criteria, such as competence and the ability to supply the service;

(ii) not more burdensome than necessary to ensure the quality of the service; or

(iii) in the case of licensing procedures, not in themselves a restriction on the supply of the service; and

(b) could not reasonably have been expected of that Party at the time the specific commitments in those sectors were made.

6. In sectors not subject to specific commitments in its Schedule, a Party shall endeavour to ensure that licensing and qualification requirements and technical standards are in conformity, to the extent possible, with the criteria outlined in subparagraph 5(a) above.

7. In determining whether a Party is in conformity with its obligations under paragraph 5 above, account shall be taken of international standards of relevant international organisations applicable to that Party.

Note: The term "relevant international organisations" refers to international bodies whose membership is open to the relevant bodies of the Parties.

Article 81. Mutual Recognition

1. A Party may recognise the education or experience obtained, requirements met, or licences or certifications granted in the other Party for the purposes of the fulfilment, in whole or in part, of its standards or criteria for the authorisation, licensing or certification of service suppliers of the other Party.

2. Recognition referred to in paragraph 1 above, which may be achieved through harmonisation or otherwise, may be based upon an agreement or arrangement between the Parties or may be accorded unilaterally.

3. Where a Party recognises, by agreement or arrangement between the Party and a non-Party or unilaterally, the education or experience obtained, requirements met or licences or certifications granted in the non-Party, the Party shall accord the other Party an adequate opportunity

to demonstrate that the education or experience obtained, requirements met or licences or certifications granted in the other Party should also be recognised.

Article 82. Transparency

Each Party shall prepare a non-legally binding list providing all relevant laws and regulations affecting the obligations under Articles 74, 75 and/or 76 in all sectors. Such a list shall be exchanged with the other Party and made public at the time of entry into force of this Agreement and shall be subject to future review and revision as necessary.

Note: The list under this Article is made solely for the purposes of transparency, and shall not be construed to affect the rights and obligations of a Party under this Chapter. Any review or revision under this Article is solely for the purposes of updating such list.

Article 83. Monopolies and Exclusive Service Suppliers

1. Each Party shall ensure that any monopoly supplier of a service in its Area does not, in the supply of the monopoly service in the relevant market, act in a manner inconsistent with the Party's specific commitments.

2. Where a Party's monopoly supplier competes, either directly or through an affiliated company, in the supply of a service outside the scope of its monopoly rights and which is subject to that Party's specific commitments, the Party shall ensure that such a supplier does not abuse its monopoly position to act in its Area in a manner inconsistent with such commitments.

3. If a Party has reason to believe that a monopoly supplier of a service of the other Party is acting in a manner inconsistent with paragraph 1 or 2 above, it may request the other Party to provide specific information concerning the relevant operations.

4. The provisions of this Article shall also apply to cases of exclusive service suppliers, where a Party, formally or in effect:

- (a) authorises or establishes a small number of service suppliers; and
- (b) substantially prevents competition among those suppliers in its Area.

Article 84. Emergency Safeguard Measures

The Parties shall enter into consultations with a view to starting negotiations on emergency safeguard measures no later than 6 months after the date of entry into force of this Agreement. The results of such negotiations, if any, shall be incorporated into this Chapter in accordance with paragraph 1 of Article 171.

Article 85. Payments and Transfers

1. Except under the circumstances envisaged in Article 86, a Party shall not apply restrictions on international transfers and payments for current transactions relating to its specific commitments.
2. Nothing in this Chapter shall affect the rights and obligations of the Parties as members of the International Monetary Fund (hereinafter referred to in this Article as "the Fund") under the Articles of Agreement of the International Monetary Fund, as may be amended, including the use of exchange actions which are in conformity with the Articles of Agreement of the International Monetary Fund, as may be amended, provided that a Party shall not impose restrictions on any capital transactions inconsistently with its obligations under this Chapter regarding such transactions, except under Article 86, or at the request of the Fund.

Article 86. Restrictions to Safeguard the Balance of Payments

1. In the event of serious balance-of-payments and external financial difficulties or threat thereof, a Party may adopt or maintain restrictions on trade in services, including on payments or transfers for transactions.
2. The restrictions referred to in paragraph 1 above:
 - (a) shall be applied on a national treatment basis;
 - (b) shall ensure that the other Party is treated as favourably as any non-Party;
 - (c) shall be consistent with the Articles of Agreement of the International Monetary Fund, as may be amended;
 - (d) shall avoid unnecessary damage to the commercial, economic and financial interests of the other Party;
 - (e) shall not exceed those necessary to deal with the circumstances described in paragraph 1 above; and
 - (f) shall be temporary and be phased out progressively as the situation specified in paragraph 1 above improves.
3. In determining the incidence of such restrictions, a Party may give priority to the supply of services which are more essential to its economic or development programmes. However, such restrictions shall not be adopted or maintained for the purposes of protecting a particular service sector.
4. Any restrictions adopted or maintained under paragraph 1 above, or any changes therein, shall be promptly notified to the other Party.
5. The Party applying any restrictions in accordance with paragraph 1 above may, upon request by the other Party, commence consultations with the other Party promptly in order to review the restrictions adopted by the former Party.

Article 87. Denial of Benefits

1. Subject to prior notification and consultation, a Party may deny the benefits of this Chapter to a service supplier of the other Party that is an enterprise where the Party establishes that the service supplier is owned or controlled by persons of a non-Party.
2. A Party may deny the benefits of this Chapter to a service supplier of the other Party that is an enterprise where the Party establishes that the service supplier is owned or controlled by persons of a non-Party, and that denying Party:

Such general review shall include a review on the scope of commitments scheduled "SS".

Article 93. National Treatment

1. In the sectors inscribed in Part 1 of Annex 6, and subject to any conditions and qualifications set out therein, each Party

shall accord to investors of the other Party and to their investments treatment no less favourable than that it accords, in like circumstances, to its own investors and to their investments with respect to the establishment, acquisition and expansion of investments in its Area.

2. Each Party shall, subject to its laws and regulations existing on the date of entry into force of this Agreement, accord to investors of the other Party and to their investments treatment no less favourable than that it accords, in like circumstances, to its own investors and to their investments with respect to the management, conduct, operation, maintenance, use, enjoyment and sale or other disposition of investments in its Area.

3. Paragraph 2 above shall not apply to any measures specified by a Party in Part 2 of Annex 6.

Article 94. Access to the Courts of Justice

Each Party shall in its Area accord to investors of the other Party treatment no less favourable than the treatment which it accords in like circumstances to its own investors or investors of a non-Party with respect to access to its courts of justice and administrative tribunals and agencies in all degrees of jurisdiction, both in pursuit and in defense of such investors' rights.

Article 95. Minimum Standard of Treatment

Each Party shall accord to investments of investors of the other Party treatment in accordance with international law, including fair and equitable treatment and full protection and security. Note: This Article prescribes the customary international law minimum standard of treatment of aliens as the minimum standard of treatment to be afforded to investments of investors of the other Party. The concepts of "fair and equitable treatment" and "full protection and security" do not require treatment in addition to or beyond that which is required by the customary international law minimum standard of treatment of aliens, and do not create additional substantive rights. A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.

Article 96. Most-favoured-nation Treatment

1. If, after this Agreement enters into force, a Party enters into any agreement on investment with a non-Party, it shall consider a request by the other Party for the incorporation in this Agreement of treatment no less favourable than that provided under the former agreement with respect to the establishment, acquisition and expansion of investments.

2. Each Party shall accord to investors of the other Party and to their investments treatment no less favourable than that it accords, in like circumstances, to investors of any non-Party and to their investments with respect to the management, conduct, operation, maintenance, use, enjoyment and sale or other disposition of investments in its Area.

3. Paragraph 2 above shall not be construed so as to oblige a Party to extend to the investors of the other Party the benefit of any treatment, preference or privilege which may be extended by the former Party by virtue of any customs union, free trade area, a monetary union, similar international agreements leading to such unions or free trade areas, or other forms of regional economic cooperation to which either Party is or may become a party. 4. Paragraph 2 above shall not apply to any measures specified by a Party in Part 3 of Annex 6.

Article 97. Performance Requirements

1. Nothing in this Chapter shall prevent either Party from imposing or enforcing, as a condition for investment activities in its Area, any performance requirements, unless otherwise specified in Part 1 of Annex 6.

2. Nothing in this Chapter shall prevent either Party from imposing or enforcing, as a condition for granting or continued granting of an advantage, any performance requirements in connection with investment activities in its Area, unless otherwise specified in Part 1 of Annex 6.

3. Nothing in this Article and Annex 6 shall affect the rights and obligations of the Parties under the Agreement on Trade Related Investment Measures in Annex 1A to the WTO Agreement, as may be amended.

Article 98. Schedule of Specific Commitments

1. Each Party shall set out in a schedule the specific commitments it undertakes under paragraph 1 of Article 93 and paragraphs 1 and 2 of Article 97.

2. With respect to sectors where the commitments are undertaken, each Schedule of specific commitments in Part 1 of Annex 6 shall specify, where applicable:

(a) conditions and qualifications on national treatment; and

(b) any commitments on performance requirements. 3. Schedule of specific commitments shall be annexed to this Agreement as Part 1 of Annex 6.

Article 99. Modification of Commitments

Any modification or withdrawal of specific commitments under this Chapter shall be made in accordance with Article 171. In the negotiations for such modification or withdrawal, the Parties shall endeavour to maintain a general level of mutually advantageous commitments not less favourable to investment than that provided for in their Schedules of specific commitments in Annex 6 prior to such negotiations.

Article 100. Acquired Treatment

Each Party shall maintain, in accordance with its laws and regulations, the level of treatment which has been accorded to investors of the other Party and their investments with respect to investment activities.

Article 101. Transparency

1. Each Party shall ensure that its laws, regulations, administrative procedures, and administrative rulings of general application with respect to any matter covered by this Chapter are published or otherwise made available in such a manner as to enable interested persons and the other Party to become acquainted with them.
2. To the extent possible under its domestic laws and regulations, each Party shall:
 - (a) publish any such laws, regulations, administrative procedures and administrative rulings of general application that it adopts; and
 - (b) provide interested persons and the other Party a reasonable opportunity to comment on such measures.

Article 102. Expropriation and Compensation

1. Neither Party shall expropriate or nationalise investments in its Area of investors of the other Party or take any measure equivalent to expropriation or nationalisation (hereinafter referred to in this Chapter as "expropriation") except:
 - (a) for a public purpose;
 - (b) on a non-discriminatory basis; (c) in accordance with due process of law; and (d) upon payment of prompt, adequate and effective compensation.
2. Compensation shall be equivalent to the fair market value of the expropriated investments at the time when the expropriation was publicly announced or when the expropriation occurred, whichever is the earlier. The fair market value shall not reflect any change in market value occurring because the expropriation had become publicly known earlier.
3. The compensation shall be paid without delay and shall carry an appropriate interest, in accordance with the laws and regulations of the Party making the expropriation. It shall be effectively realisable and freely transferable in a freely usable currency and shall be freely convertible, at the market exchange rate prevailing on the date of the expropriation, into the currency of the Party of the investors concerned and freely usable currencies.
4. The investors affected by expropriation shall have a right of access to the courts of justice or the administrative tribunals or agencies of the Party making the expropriation to seek a prompt review of the investor's case and the amount of compensation in accordance with the principles set out in this Article.

Article 103. Protection from Strife

1. Each Party shall accord to investors of the other Party that have suffered loss or damage relating to their investments in the Area of the former Party due to armed conflict or state of emergency such as revolution, insurrection, civil disturbance or any other similar event in the Area of that former Party, treatment, as regards restitution, indemnification, compensation or any other settlement, that is no less favourable than that which it accords to its own investors or to investors of a non-Party.
2. Any payments made pursuant to paragraph 1 above shall be effectively realisable, freely convertible and freely transferable in a freely usable currency.

Article 104. Transfers

1. Each Party shall ensure that all transfers relating to investments in its Area of an investor of the other Party may be made freely in a freely usable currency and without delay. Such transfers shall include:
 - (a) the initial capital and additional amounts to maintain or increase investments;

- (b) profits, capital gains, dividends, royalties, interests, fees and other current incomes accruing from investments;
 - (c) proceeds from the total or partial sale or liquidation of investments;
 - (d) payments made under a contract including loan payments in connection with investments;
 - (e) earnings and remuneration of personnel from the other Party who work in connection with investments in the Area of the former Party;
 - (f) payments made in accordance with Articles 102 and 103; and
 - (g) payments arising out of the settlement of a dispute under Article 106.
2. Neither Party shall prevent transfers referred to in paragraph 1 above from being made without delay in a freely usable currency at the market rate of exchange prevailing on the date of the transfer.
3. Notwithstanding paragraphs 1 and 2 above, a Party may delay or prevent a transfer referred to in paragraph 1 above through the equitable, non-discriminatory and good-faith application of its laws relating to:
- (a) bankruptcy, insolvency or the protection of the rights of creditors;
 - (b) issuing, trading or dealing in securities;
 - (c) criminal matters; or
 - (d) ensuring compliance with orders or judgments in adjudicatory proceedings.

Article 105. Subrogation

1. If a Party or its designated agency makes a payment to any of its investors pursuant to an indemnity, guarantee or contract of insurance, arising from or pertaining to an investment of that investor within the Area of the other Party, the other Party shall:
- (a) recognise the assignment, to the former Party or its designated agency, of any right or claim of such investor that formed the basis of such payment; and
 - (b) recognise the right of the former Party or its designated agency to exercise by virtue of subrogation any such right or claim to the same extent as the original right or claim of the investor.
2. Articles 102, 103 and 104 shall apply mutatis mutandis as regards payment to be made to the Party or its designated agency first mentioned in paragraph 1 above by virtue of such assignment of right or claim, and the transfer of such payment.

Article 106. Settlement of Investment Disputes between a Party and an Investor of the other Party

1. For the purposes of this Chapter, an investment dispute is a dispute between a Party and an investor of the other Party concerning a claim that the investor has incurred loss or damage by reason of, or arising out of, an alleged breach of an obligation under this Chapter by the former Party.
2. In the event of an investment dispute, such investment dispute shall, as far as possible, be settled amicably through consultations between the parties to the investment dispute.
3. If the investment dispute cannot be settled through such consultations within 6 months from the date on which the investor requested for the consultations in writing and if the investor concerned has not submitted the investment dispute for resolution to courts of justice or administrative tribunals under the law of the Party that is a party to the investment dispute (hereinafter referred to in this Article as the "disputing Party"), that investor may submit the investment dispute to one of the following international conciliations or arbitrations:
- (a) conciliation or arbitration in accordance with the provisions of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States done at Washington, 18 March 1965, as may be amended (hereinafter referred to in this Article as "the ICSID Convention"), provided that both Parties are parties to the ICSID Convention;
 - (b) conciliation or arbitration under the Additional Facility Rules of the International Centre for Settlement of Investment Disputes, as may be amended provided that one of the Parties is a party to the ICSID Convention; or
 - (c) arbitration under the Arbitration Rules of the United Nations Commission on International Trade Law, adopted by the United Nations Commission on International Trade Law on 28 April 1976, as may be amended. In respect of a particular claim, exercise of the right under this paragraph to submit an investment dispute to an arbitration shall be deemed to have been made to the exclusion of any other dispute settlement procedures specified in this paragraph and proceedings before courts of justice or administrative tribunals under the law of the disputing Party, unless the arbitration proceedings have been terminated before a final award on the merit of the case has been rendered.
4. The applicable arbitration rules shall govern the arbitration referred to in this Article except to the extent modified by this Article.
5. An investor that is a party to an investment dispute who intends to submit an investment dispute pursuant to subparagraph 3(a), (b) or (c) above (hereinafter referred to in this Article as the "disputing investor") shall give to the disputing Party written notice of intent to do so at least 90 days before the claim is submitted. The notice of intent shall specify:

(a) the name and address of the disputing investor;
(b) the specific measures of the disputing Party at issue and a brief summary of the factual and legal basis of the dispute sufficient to present the problem clearly, including the provisions of this Chapter alleged to have been breached; and
(c) the dispute settlement procedures set forth in subparagraph 3(a), (b) or (c) above which the disputing investor intends to choose.

6. Each Party hereby consents to the submission of investment disputes to international conciliation or arbitration as provided for in this Article. If more than 2 years have elapsed since the date the disputing investor knew or ought to have known, whichever is the earlier, of the loss or damage which, it is alleged, has been incurred by the disputing investor, the consent above shall be invalidated.

7. Paragraph 3 above shall not prevent the disputing investor from initiating or continuing an action that seeks interim injunctive relief that does not involve the payment of damages before courts of justice or administrative tribunals under the law of the disputing Party provided that the action is brought for the sole purpose of preserving the disputing investor's rights and interests while the arbitration is pending.

8. Unless the disputing investor and the disputing Party (hereinafter referred to in this Article as the "disputing parties") agree otherwise, the arbitral tribunal shall comprise 3 arbitrators, one arbitrator appointed by each of the disputing parties and the third, who shall be the presiding arbitrator, appointed by agreement of the disputing parties. If the disputing investor or the disputing Party fails to appoint an arbitrator within 75 days from the date on which the investment dispute was submitted to arbitration, the Secretary-General of the International Centre for Settlement of Investment Disputes, upon request by either of the disputing parties, shall appoint, in his or her discretion, the arbitrator or arbitrators not yet appointed subject to the requirement of paragraphs 9 and 10 below.

9. Unless the disputing parties agree otherwise, the third arbitrator shall not be of the same nationality as the disputing investor, nor be a national of the disputing Party, nor have his or her usual place of residence in the Area of either of the Parties, nor be employed by either of the disputing parties at the time of his or her appointment.

10. Each of the disputing parties may indicate up to 3 nationalities, the appointment of arbitrators of which is unacceptable to it. In this event, the Secretary-General of the International Centre for Settlement of Investment Disputes may not appoint as an arbitrator any person whose nationality is indicated by any of the disputing parties.

11. Any arbitration under this Article shall be held in a country that is a party to the Convention on the Recognition and Enforcement of Foreign Arbitral Awards, done at New York on 10 June 1958, as may be amended.

12. Where an arbitral tribunal makes a final award against a disputing Party, it may award, separately or in combination, only:

(a) payment of monetary damages and applicable interest; and

(b) restitution of property, in which case the award shall provide that the disputing Party may pay monetary damages and any applicable interest in lieu of restitution. Costs may also be awarded in accordance with the applicable arbitration rules.

13. Any arbitral award rendered pursuant to this Article shall be final and binding upon the disputing parties. Each Party shall carry out without delay the provisions of any such award and provide in its Area for the enforcement of such award in accordance with its relevant laws and regulations.

14. In an arbitration under this Article, a Party shall not assert, as a defense, counterclaim, right of set-off or otherwise, that the disputing investor has received or will receive, pursuant to an insurance or guarantee contract, indemnification or other compensation for all or part of its alleged damages.

15. This Article shall not apply to investment disputes:

(a) arising out of events which occurred, or to investment disputes which had been settled, prior to the entry into force of this Agreement;

(b) with respect to obligations under Article 97; and

(c) with respect to measures other than those relating to the management, conduct, operation, maintenance, use, enjoyment, and sale or other disposition of investments.

Article 107. Special Formalities

Notwithstanding Articles 93 and 96, each Party may prescribe special formalities in connection with investment activities of investors of the other Party in its Area, such as the compliance with registration requirements, provided that such special formalities do not impair the substance of the rights under this Chapter.

Article 108. Temporary Safeguard Measures

1. A Party may adopt or maintain measures inconsistent with its obligations under Article 93 relating to cross-border capital transactions and Article 104:

(a) in the event of serious balance-of-payments and external financial difficulties or threat thereof; or

(b) in cases where, in exceptional circumstances, movements of capital cause or threaten to cause economic or financial crisis.

2. The measures referred to in paragraph 1 above:

- (a) shall ensure that the other Party is treated as favourably as any non-Party;
- (b) shall be consistent with the Articles of Agreement of the International Monetary Fund, as may be amended;
- (c) shall avoid unnecessary damage to the commercial, economic and financial interests of the other Party;

(d) shall not exceed those necessary to deal with the circumstances described in paragraph 1 above; and
(e) shall be temporary and be phased out progressively as the situation specified in paragraph 1 above improves.

3. In determining the incidence of such measures, a Party may give priority to the sectors which are more essential to its economic development. However, such measures shall not be adopted or maintained for the purposes of protecting a particular sector.

4. Any measures adopted or maintained under paragraph 1 above, or any changes therein, shall be promptly notified to the other Party.

5. The Party applying any measures in accordance with paragraph 1 above may, upon request by the other Party, commence consultations with the other Party promptly in order to review the measures adopted by the former Party. 6. Nothing in this Chapter shall be regarded as altering the rights enjoyed and obligations undertaken by a Party as a party to the Articles of Agreement of the International Monetary Fund, as may be amended.

Article 109. Prudential Measures and

Measures to Ensure the Stability of the Macroeconomy or the Exchange Rate

1. Notwithstanding any other provisions of this Chapter, a Party shall not be prevented from taking:

- (a) measures for prudential reasons, including for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by an enterprise supplying financial services, or to ensure the integrity and stability of the financial system; or
- (b) measures to ensure the stability of the macroeconomy or the exchange rate. Note: The measures referred to in subparagraph (b) above include measures relating to monetary policy or measures to deter speculative capital flows. Such measures shall be no more than necessary to meet the objectives of ensuring the stability of the macroeconomy or the exchange rate. Measures to ensure the stability of the macroeconomy or the exchange rate do not cover measures relating to promotion or protection of a particular sector.

2. Where such measures do not conform with the provisions of this Chapter, they shall not be used as a means of avoiding the Party's commitments or obligations under this Chapter.

Article 110. Taxation Measures as Expropriation

1. Article 102 shall apply to taxation measures, to the extent that such taxation measures constitute expropriation as provided for in paragraph 1 of Article 102.

2. Where paragraph 1 above applies, Articles 94 and 106 shall also apply in respect of taxation measures.

3. (a) No investor may invoke Article 102 as the basis for an investment dispute under Article 106, where it has been determined pursuant to subparagraph (b) below that the measure is not an expropriation.

(b) The investor who seeks to invoke Article 102 with respect to a taxation measure shall refer the issue, at the time that it gives a written request under paragraph 5 of Article 106, to the competent authorities of both Parties to determine whether such a measure is not an expropriation. If the competent authorities of both Parties do not consider the issue or, having considered it, fail to determine that the measure is not an expropriation within a period of 180 days of such referral, the investor may submit its claim to arbitration under Article 106.

(c) For the purpose of subparagraph (b) above, the term "competent authorities" means:

- (i) in the case of Japan, the Minister of Finance or his authorised representative; and
- (ii) in the case of Thailand, the Minister of Finance or his authorised representative.

Article 111. Environmental Measures

Each Party recognises that it is inappropriate to encourage investment by relaxing its environmental measures. To this effect, each Party shall not waive or otherwise derogate from such environmental measures as an encouragement for investment activities in its Area.

Article 112. Denial of Benefits

1. A Party may deny the benefits of this Chapter to an investor of the other Party that is an enterprise of that other Party and to investments of such investor where the Party establishes that the enterprise is owned or controlled by persons of a non-Party and the denying Party:

(a) does not maintain diplomatic relations with the non-Party; or
(b) adopts or maintains measures with respect to the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Chapter were accorded to the enterprise or to its investments. 2. A Party may deny the benefits of this Chapter to an investor of the other Party that is an enterprise of that other Party and to investments of such investor where the Party establishes that the enterprise is owned or controlled by persons of a non-Party and the enterprise has no substantive business operations in the Area of that other Party.

2. This Chapter shall not apply to measures affecting natural persons seeking access to the employment market of the Parties, nor shall it apply to measures regarding citizenship, residence or employment on a permanent basis.

3. This Chapter shall not prevent a Party from applying measures to regulate the entry of natural persons of the other Party into, or their temporary stay in, the former Party, including those measures necessary to protect the integrity of, and to ensure the orderly movement of natural persons across, its borders, provided that such measures are not applied in such a manner as to nullify or impair the benefits accruing to the other Party under the terms of a specific commitment.

Note: The sole fact of requiring a visa for natural persons of a certain nationality or citizenship and not for those of others shall not be regarded as nullifying or impairing benefits under a specific commitment.

Article 116. Definition

For the purposes of this Chapter, the term "natural person of the other Party" means a natural person who resides in the other Party or elsewhere and who under the law of the other Party is a national of that other Party.

2. Natural persons covered by a specific commitment referred to in paragraph 1 above shall be granted entry and temporary stay in accordance with the terms and conditions of the specific commitment set out in Annex 7, provided that the natural persons comply with immigration laws and regulations applicable to entry and temporary stay which are not inconsistent with the provisions of this Chapter.

3. Neither Party shall impose or maintain any limitations on the total number of visas to be granted in the Parties to natural persons of the other Party under paragraph 1 above, unless otherwise specified in Annex 7.

2. Each Party shall endeavour to provide, upon request by a natural person of the other Party, information on requirements and procedures referred to in paragraph 1 above.

3. Each Party shall endeavour to promptly inform the other Party of the introduction of any new requirements and procedures, or changes in any existing requirements and procedures referred to in paragraph 1 above that affect the effective application for the grant of entry into, initial or renewal of temporary stay in and, where applicable, permission to work in, and a change of status of temporary stay in, that Party.

4. Each Party shall ensure that fees charged by its competent authorities on application referred to in paragraph 1 above do not in themselves represent an unjustifiable impediment to movement of natural persons under this Chapter.

5. Each Party shall endeavour, to the maximum extent possible, to take measures to simplify the requirements and to facilitate and expedite the procedures relating to the movement of natural persons of the other Party within the framework of its laws and regulations. Specific commitments on such measures shall be set out in Annex 7.

1. For the purposes of facilitating movement of natural persons under this Chapter, a Party may recognise the education or experience obtained, requirements met, or licences or certifications granted in the other Party for the purposes of the fulfilment, in whole or in part, of its standards or criteria for the authorisation, licensing or certification of natural persons of the other Party.

2. Recognition referred to in paragraph 1 above, which may be achieved through harmonisation or otherwise, may be based upon an agreement or arrangement between the Parties or may be accorded unilaterally.

3. Where a Party recognises, by agreement or arrangement between the Party and a non-Party or unilaterally, the education or experience obtained, requirements met or licences or certifications granted in the non-Party, the Party shall accord the other Party an adequate opportunity to demonstrate that the education or experience obtained, requirements met or licences or certifications granted in the other Party should also be recognised.

Article 120. Sub-Committee on Movement of Natural Persons
