Section B. Substantive Obligations

Article 2. Scope

1. This Agreement applies to measures adopted or maintained by a Party relating to:

- (a) investors of the other Party; and
- (b) covered investments.

2. The obligations in Section B (Substantive Obligations) apply to any person of a Party when it exercises a regulatory, administrative, or other governmental authority delegated to it by that Party.

Article 3. Promotion of Investment

Each Party shall encourage the creation of favourable conditions for investment in its territory by investors of the other Party. Each Party admits investments in conformity with its laws and regulations otherwise consistent with this Agreement.

Article 4. National Treatment

1. Each Party shall accord to investors of the other Party treatment no less favourable than that it accords, in like circumstances, to its own investors with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of investments in its territory.

2. Each Party shall accord to covered investments treatment no less favourable than that it accords, in like circumstances, to investments of its own investors with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of investments in its territory.

3. The treatment accorded by a Party under paragraphs 1 and 2 means, with respect to a sub-national government, treatment no less favourable than the treatment accorded, in like circumstances, by that sub-national government to investors, and to investments of investors, of the Party of which it forms a part.

Article 5. Most-favoured-nation Treatment

1. Each Party shall accord to investors of the other Party treatment no less favourable than that it accords, in like circumstances, to investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of investments in its territory.

2. Each Party shall accord to covered investments treatment no less favourable than that it accords, in like circumstances, to investments of investors of a non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of investments in its territory.

3. For greater certainty, the treatment accorded by a Party under this Article means, with respect to a sub-national government, treatment accorded, in like circumstances, by that sub-national government to investors, and to investments of investors, of a non-Party.

Article 6. Minimum Standard of Treatment

1. Each Party shall accord to covered investments treatment in accordance with the customary international law minimum standard of treatment of aliens, including fair and equitable treatment and full protection and security.

2. The concepts of "fair and equitable treatment" and "full protection and security" in paragraph 1 do not require treatment in addition to or beyond that which is required by the customary international law minimum standard of treatment of aliens.

3. A breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.

Article 7. Compensation for Losses

Notwithstanding Article 16(7) (Reservations and Exceptions), each Party shall accord to investors of the other Party, and to covered investments, non-discriminatory treatment with respect to measures it adopts or maintains relating to

compensation for losses incurred by investments in its territory as a result of armed conflict, civil strife, or a natural disaster.

Article 8. Senior Management, Boards of Directors and Entry of Personnel

1. A Party may not require that an enterprise of that Party, that is a covered investment, appoint to senior management positions individuals of a particular nationality.
2. A Party may require that a majority of the board of directors, or a committee thereof, of an enterprise of that Party that is a covered investment be of a particular nationality or resident in the territory of the Party, provided that the requirement does not materially impair the ability of the investor to exercise control over its investment.
3. Subject to its domestic law relating to the entry of aliens, each Party shall grant temporary entry to nationals employed by an investor of the other Party who seek to render managerial or executive services, or services that require specialized knowledge, to an investment of that investor in the territory of the Party.

Article 9. Performance Requirements

1. The Parties reaffirm their obligations under the WTO Agreement on Trade-Related Investment Measures, the provisions of which, as they may be amended from time to time, are incorporated into and are part of this Agreement.
2. A Party may not impose or enforce any of the following requirements, or enforce any commitment or undertaking, in connection with the establishment, acquisition, expansion, management, conduct or operation of an investment of an investor of a Party or of a non-Party in its territory:
 - (a) to export a given level or percentage of goods;
 - (b) to achieve a given level or percentage of domestic content;
 - (c) to transfer technology, a production process or other proprietary knowledge to a person in its territory except when the requirement is imposed or the commitment or undertaking is enforced by a court, administrative tribunal or competition authority to remedy an alleged violation of competition laws or to act in a manner consistent with other provisions of this Agreement; or
 - (d) to supply exclusively from its territory a good that the investment produces or a service it provides to a specific regional market or to the world market.
3. For greater certainty, paragraph 2 does not prevent a Party from conditioning the receipt or continued receipt of an advantage in connection with an investment in its territory, on compliance with a requirement set out in that paragraph.
4. A measure that requires an investment to use a technology to meet generally applicable health, safety or environmental requirements is not inconsistent with subparagraph 2(c).

Article 10. Expropriation

1. A Party shall not nationalize or expropriate a covered investment either directly or indirectly through measures having an effect equivalent to nationalization or expropriation ("expropriation") except for a public purpose, in accordance with due process of law, in a non-discriminatory manner and on payment of prompt, adequate and effective compensation. For greater certainty, this paragraph is interpreted in accordance with Annex B.10.
2. This compensation referred to in paragraph 1 must be equivalent to the fair market value of the expropriated investment immediately before the expropriation took place ("date of expropriation"), and must not reflect a change in value occurring because the intended expropriation had become known earlier. Valuation criteria must include going concern value, asset value including declared tax value of tangible property, and other criteria, as appropriate, to determine fair market value.
3. Compensation shall be paid without delay and shall be fully realizable and freely transferable. Compensation shall be payable in a freely convertible currency and shall include interest at a commercially reasonable rate for that currency from the date of expropriation until date of payment.
4. The affected investor shall have a right, under the law of the expropriating Party, to a prompt review of its case and of the valuation of its investment by a judicial or other independent authority of that Party in accordance with the principles set out in this Article.
5. This Article does not apply to the issuance of compulsory licenses granted in relation to intellectual property rights, or to

the revocation, limitation, or creation of intellectual property rights, to the extent that the issuance, revocation, limitation, or creation is consistent with the WTO Agreement.

Article 11. Transfer

1. Each Party shall permit all transfers relating to a covered investment to be made freely and without delay, into and out of its territory. Those transfers include:

(a) contributions to capital;

(b) profits, dividends, interest, capital gains, royalty payments, management fees, technical assistance and other fees, returns in kind and other amounts derived from the covered investment;

(c) proceeds from the sale of all or any part of the covered investment or from the partial or complete liquidation of the covered investment;

(d) payments made under a contract entered into by the investor, or the covered investment, including payments made pursuant to a loan agreement;

(e) payments made pursuant to Articles 7 (Compensation for Losses) and 10 (Expropriation); and

(f) payments arising under Section C (Settlement of Disputes between an Investor and the Host Party).

2. Each Party shall permit transfers relating to a covered investment to be made in the convertible currency in which the capital was originally invested, or in any other convertible currency agreed to by the investor and the Party concerned. Unless otherwise agreed by the investor, transfers shall be made at the market rate of exchange in effect on the date of transfer.

3. Notwithstanding paragraphs 1 and 2, a Party may prevent a transfer through the equitable, non-discriminatory, and good faith application of its domestic law relating to:

(a) bankruptcy, insolvency, or the protection of the rights of creditors;

(b) issuing, trading or dealing in securities;

(c) criminal or penal offences;

(d) reports of transfers of currency or other monetary instruments; or

(e) enforcement of orders or judgements in judicial or similar proceedings.

4. A Party may not require its investors to transfer, or penalize its investors for failing to transfer, the income, earnings, profits, or other amounts derived from, or attributable to, investments in the territory of the other Party.

5. Paragraph 4 does not prevent a Party from imposing a measure through the equitable, non-discriminatory, and good faith application of its domestic law relating to the matters in subparagraphs 3(a) through 3(e).

6. Notwithstanding paragraphs 1, 2 and 4, and without limiting the applicability of paragraph 5, a Party may prevent or restrict transfers by a financial institution to, or for the benefit of, an affiliate of or person related to that institution, through the equitable, non-discriminatory and good faith application of measures relating to maintenance of the safety, soundness, integrity or financial responsibility of financial institutions.

7. Notwithstanding paragraph 1, a Party may restrict transfers of returns-in-kind in circumstances where it could otherwise restrict transfers under the WTO Agreement, and as set out in paragraph 3.

Article 12. Transparency

1. Each Party shall ensure that its laws, regulations, procedures, and administrative rulings of general application respecting any matter covered by this Agreement are promptly published or otherwise made available in such a manner as to enable interested persons and the other Party to become acquainted with them.

2. To the extent possible, each Party shall:

(a) publish in advance any such measure that it proposes to adopt; and

(b) provide interested persons and the other Party a reasonable opportunity to comment on that measure.

3. Upon request by a Party, information is exchanged on any of the measures of the other Party that may have an impact on covered investments.

Article 13. Subrogation

1. If a Party or any agency of a Party makes a payment to any of its investors under a guarantee or a contract of insurance it has entered into in respect of an investment, the other Party shall recognize the validity of the subrogation in favour of the Party or agency to any right or title held by the investor.

2. A Party or any agency of a Party that is subrogated to the rights of an investor in accordance with paragraph 1 is entitled, in all circumstances, to the same rights as the investor in respect of the investment. Those rights may be exercised by the Party or any agency of the Party or by the investor if the Party or its agency authorizes it.

Article 14. Taxation Measures

1. Except as set out in this Article, the provisions of this Agreement do not apply to taxation measures.

2. The provisions of this Agreement do not affect the rights and obligations of the Parties under a tax convention. In the event of an inconsistency between this Agreement and a tax convention, the tax convention applies to the extent of the inconsistency.

3. The provisions of this Agreement do not require a Party to furnish or allow access to information that, if disclosed, would be contrary to the Party's law protecting information concerning the taxation affairs of a taxpayer.

4. Subject to paragraph 2, the provisions of Articles 4 (National Treatment) and 5 (Most Favoured Nation Treatment) apply to all taxation measures, other than those that relate to income, capital gains, or the taxable capital of corporations. However, the provisions of these Articles do not apply to:

(a) a non-conforming provision of any existing taxation measure;

(b) the continuation or prompt renewal of a non-conforming provision of any existing taxation measure;

(c) an amendment to a non-conforming provision of any existing taxation measure to the extent that the amendment does not decrease its conformity at the time of the amendment with those Articles; or

(d) any new taxation measure that is aimed at ensuring the equitable and effective imposition or collection of taxes (including, for greater certainty, any measure that is taken by a Party to ensure compliance with the Party's taxation system or to prevent the avoidance or evasion of taxes) and that does not arbitrarily discriminate between persons, goods or services of the Parties.

5. If the conditions in paragraph 6 are met:

(a) a claim by an investor that a taxation measure of a Party is in breach of an agreement between a central government authority of a Party and the investor concerning an investment is considered a claim for breach of this Agreement; and

(b) the provisions of Article 10 (Expropriation) apply to taxation measures.

6. An investor may not make a claim under paragraph 5 unless:

(a) the investor provides a copy of the notice of claim to the taxation authorities of the Parties; and

(b) six months after receiving notification of the claim by the investor, the taxation authorities of the Parties fail to reach a joint determination that, in the case of subparagraph 5(a), the measure does not contravene that agreement, or in the case of subparagraph 5(b), the measure in question is not an expropriation.

7. If, in connection with a claim by an investor of a Party or a dispute between the Parties, an issue arises as to whether a measure of a Party is a taxation measure, a Party may refer the issue to the taxation authorities of the Parties. A decision of the taxation authorities shall bind any Tribunal formed pursuant to Section C (Settlement of Disputes between an Investor and the Host Party) or arbitral panel formed pursuant to Section D (State-to-State Dispute Settlement Procedures). A Tribunal or arbitral panel seized of a claim or a dispute in which the issue arises may not proceed until it receives the decision of the taxation authorities. If the taxation authorities have not decided the issue within six months of the referral, the Tribunal or arbitral panel shall decide the issue.

8. Unless otherwise notified by a Party, the taxation authorities referred to in this Article are as follows:

(a) for Canada, the Assistant Deputy Minister, Tax Policy, Department of Finance Canada;

(b) for Mali, the Secretary General of the Ministry of Finance.

Article 15. Health, Safety, Environmental Measures and Corporate Social Responsibility

1. The Parties recognize that it is inappropriate to encourage investment by relaxing domestic health, safety, or environmental measures. Accordingly, a Party should not waive or otherwise derogate from, or offer to waive or otherwise derogate from, those measures to encourage the establishment, acquisition, expansion, or retention in its territory of an investment of an investor.

2. If a Party considers that the other Party has offered such an encouragement, it may request consultations with the other Party and the Parties shall consult with a view to avoiding any such encouragement. During these consultations, the Parties undertake to make best efforts in good faith to resolve any dispute regarding the application of paragraph 1.

3. Each Party should encourage enterprises operating within its territory or subject to its jurisdiction to incorporate internationally recognized standards of corporate social responsibility in their practices and internal policies, such as statements of principle that have been endorsed or are supported by the Parties. These principles address issues such as labour, the environment, human rights, community relations, and anti-corruption.

Article 16. Reservations and Exceptions

1. Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment), 8 (Senior Management, Boards of Directors and Entry of Personnel) and 9 (Performance Requirements) do not apply to:

(a) (i) any existing and non-conforming measure, maintained in the territory of a Party;

(ii) any measure maintained or adopted after the date of entry into force of this Agreement that, at the time of sale or other disposition of a government's equity interests in, or the assets of, an existing State enterprise or an existing governmental entity:

- Prohibits or imposes limitations on the ownership or control of equity interests or assets, or

- Imposes nationality requirements relating to senior management or members of the board of directors;

(b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or

(c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the amendment, with Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment), 8 (Senior Management, Boards of Directors and Entry of Personnel) and 9 (Performance Requirements).

2. Each Party shall, to the extent possible, set out in its schedule to Annex I any existing non-conforming measures maintained by it at the national level.

This schedule is for information purposes and without prejudice to paragraph 1.

3. Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment), 8 (Senior Management, Board of Directors and Entry of Personnel) and 9 (Performance Requirements) do not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors or activities, as set out in its schedule to Annex II.

4. Article 5 (Most-Favoured-Nation Treatment) does not apply to treatment accorded by a Party under agreements as set out in Annex III.

5. In respect of intellectual property rights, a Party may derogate from Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment), and 9(2)(c) (Performance Requirements) in a manner that is consistent with:

(a) the TRIPS Agreement;

(b) an amendment to the TRIPS Agreement in force for both Parties; and

(c) a waiver to the TRIPS Agreement granted pursuant to Article IX of the WTO Agreement.

6. The provisions of Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment) and 8 (Senior Management and Board of Directors) of this Agreement do not apply to procurement by a Party of a State enterprise.

8. The provisions of Article 5 (Most-Favoured-Nation Treatment) of this Agreement do not apply to financial services.

Article 17. General Exceptions

1. Subject to the requirement that measures are not applied in a manner that would constitute arbitrary or unjustifiable discrimination between investments or between investors, or a disguised restriction on international trade or investment, this Agreement does not prevent a Party from adopting or enforcing measures necessary:

- (a) to protect human, animal, or plant life or health;
- (b) to ensure compliance with domestic law that are not inconsistent with the provisions of this Agreement; or
- (c) to conserve living or non-living exhaustible natural resources.

2. The provisions of this Agreement do not prevent a Party from adopting or maintaining reasonable measures for prudential reasons, such as:

- (a) the protection of investors, depositors, financial market participants, policy-holders, policy-claimants, or persons to whom a fiduciary duty is owed by a financial institution;
- (b) the maintenance of the safety, soundness, integrity or financial responsibility of financial institutions; and
- (c) ensuring the integrity and stability of a Party's financial system.

3. The provisions of this Agreement do not apply to non-discriminatory measures of general application taken by a public entity in pursuit of monetary and related credit or exchange rate policies. This paragraph does not affect a Party's obligations under Article 9 (Performance Requirements) or 11 (Transfers).

4. The provisions of this Agreement do not:

- (a) require a Party to furnish or allow access to information if that Party determines that the disclosure of this information would be contrary to its essential security interests;
- (b) prevent a Party from taking any actions that it considers necessary to protect its essential security interests:
 - (i) relating to the traffic in arms, ammunition and implements of war and to such traffic and transactions in other goods, materials, services and technology undertaken directly or indirectly for the purpose of supplying a military or other security establishment;

 - (iii) relating to the implementation of national policies or international agreements respecting the non-proliferation of nuclear weapons or other nuclear explosive devices; or
- (c) prevent a Party from taking measures to fulfill its obligations under the United Nations Charter to maintain international peace and security.

5. The provisions of this Agreement do not require a Party to furnish or allow access to information that, if disclosed, would impede law enforcement or would be contrary to the Party's law protecting the deliberative and policymaking processes of the executive branch of government at the cabinet level, personal privacy or the confidentiality of the financial affairs and accounts of individual customers of financial institutions.

6. In the course of a dispute settlement procedure under this Agreement:

- (a) a Party is not required to furnish or allow access to information protected under its competition law;
- (b) a competition authority of a Party is not required to furnish or allow access to information that is privileged or otherwise protected from disclosure.

7. The provisions of this Agreement do not apply to investments in cultural industries. "Cultural industries" means persons engaged in any of the following activities:

Any measure adopted by a Party in conformity with a decision adopted, extended, or modified by the World Trade Organization pursuant to Article IX:3 and IX:4 of the WTO Agreement are deemed also to conform with this Agreement. An investor that intends to act pursuant to Section C (Settlement of Disputes between an Investor and the Host Party) of this Agreement cannot claim that the conforming measure breaches this Agreement.

Article 18. Denial of Benefits

1. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of that Party and to investments of that investor if investors of a non-Party own or control the enterprise and the denying Party adopts or maintains measures with respect to the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Agreement were accorded to the enterprises or to its investments.

2. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of that Party and to investments of that investors if investors of a non-Party or of the denying Party own or control the enterprise and the enterprise has no substantial business activities in the territory of the Party under whose law it is constituted or organized.

Section C. Settlement of Disputes between an Investor and the Host Party

Article 19. Purpose

1. A disputing investor may submit to arbitration under this Section a claim that:

(a) the respondent Party has breached an obligation under Section B (Substantive Obligations), other than an obligation under Article 8(3) (Senior Management, Boards of Directors and Entry of Personnel), 12 (Transparency), or 15 (Health, Safety, Environmental Measures and Corporate Social Responsibility); and

Article 21. Conditions Precedent to Submission of a Claim to Arbitration

submit a claim to arbitration. Unless the disputing parties agree to otherwise in accordance with paragraph 2(c), consultations shall be held within 60 days of the submission of the notice of intent to submit a claim to arbitration. 3. Where a disputing investor submits a claim to arbitration under this Section, and the respondent Party invokes Article 11(6) (Transfers), 17(2), or 17(3) (General Exceptions), at the request of that Party, the Tribunal must request a report in writing from the Parties on the issue of whether and to what extent the invoked paragraphs are a valid defence to the claim of the disputing investor. The Tribunal may not proceed pending receipt of a report under this Article.

4. If the Tribunal requests a report under paragraph 3, the Parties shall, under Section D (State-to-State Dispute Settlement Procedures), prepare a written report, either on the basis of agreement following consultations, or by means of an arbitral panel in accordance with Section D (State-to-State Dispute Settlement Procedures). The report shall be transmitted to the Tribunal and be binding on it.

(a) the name of the respondent Party or disputing investors against which the order is sought;

9. On application of a disputing party, a Tribunal established under this Article, pending its decision under paragraph 2, may order that the proceedings of a Tribunal established under Article 23 (Submission of a Claim to Arbitration) be stayed unless the latter Tribunal has already adjourned its proceedings.

Article 28. Documents to, and Participation of, the other Party

1. The respondent Party shall deliver to the other Party to this Agreement a copy of the notice of intent to submit a claim to arbitration and other documents within 30 days of the date that those documents have been delivered to the respondent Party. The other Party shall be entitled, at its cost, to receive from the respondent Party a copy of the evidence that has been tendered to the Tribunal, copies of all pleadings filed in the arbitration, and the written argument of the disputing parties. The Party receiving such information shall treat the information as if it were a respondent Party.

2. The other Party to this Agreement has the right to attend hearings held under Section C (Settlement of Disputes Between an Investor and the Host Party) of this Agreement. Article 30. Public Access to Hearings and Documents

1. Any Tribunal award under this Section shall be publicly available, subject to the redaction of confidential information. All other documents submitted to, or issued by, the Tribunal shall be publicly available unless the disputing parties otherwise decide, subject to the redaction of confidential information.

2. Hearings held under this Section shall be open to the public. The Tribunal may hold portions of hearings in camera to the extent necessary to ensure the protection of confidential information, including business confidential information.

3. A disputing party may disclose to other persons in connection with the arbitral proceedings such unredacted documents as it considers necessary for the preparation of its case, but it shall ensure that those persons protect the confidential information in those documents.

4. The Parties may share with officials of their respective central and subnational governments all relevant unredacted documents in the course of dispute settlement under this Agreement, but they shall ensure that those persons protect any

confidential information in those documents.

5. If a Tribunal's order designates information as confidential and a Party's law on access to information requires public access to that information, the Party's law on access to information shall prevail. However, the Party should try to apply its law on access to information so as to protect information that the Tribunal's order has designated as confidential.

Article 31. Submissions by a Non-disputing Party

A Tribunal shall have the authority to consider and accept written submissions from a person or entity that is not a disputing party with a significant interest in the arbitration. The Tribunal shall ensure that a non-disputing party submission does not disrupt the proceedings and does not unduly burden or unfairly prejudice a disputing party.

Article 32. Governing Law

1. A Tribunal established under this Section shall decide the issues in dispute in accordance with this Agreement and applicable rules of international law. An interpretation by the Parties of a provision of this Agreement shall bind a Tribunal established under this Section, and any award under this Section shall be consistent with that interpretation.

Within 60 days of delivery of the request, the Parties shall submit in writing their interpretation to the Tribunal. The interpretation is binding on the Tribunal. Article 34. Interim Measures of Protection and Final Award

1. A Tribunal may order an interim measure of protection to preserve the rights of a disputing party or to ensure that the Tribunal's jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party or to protect the Tribunal's jurisdiction. A Tribunal may not order attachment or enjoin the application of the measure alleged to constitute a breach referred to in Article 20 (Claim by an Investor of a Party on Its Own Behalf or on Behalf of an Enterprise). For purposes of this paragraph, an order includes a recommendation.

2. Where a Tribunal makes a final award against the respondent Party, the Tribunal may award, separately or in combination, only:

(a) monetary damages and any applicable interest; and

(b) restitution of property, in which case the award shall provide that the respondent Party may pay monetary damages and any applicable interest in lieu of restitution.

The Tribunal may also award costs in accordance with the applicable arbitration rules.

3. Subject to paragraph 2, where a claim is made under Article 20(2) (Claim by an Investor of a Party on Its Own Behalf or on Behalf of an Enterprise):

4. A Tribunal may not order a respondent Party to pay punitive damages.

Article 35. Finality and Enforcement of an Award

1. An award made by a Tribunal shall have no binding force except between the disputing parties and in respect of that particular case.
2. Subject to paragraph 3 and the applicable review procedure for an interim award, the disputing parties must abide by and comply with an award without delay.
3. A disputing party may not seek enforcement of a final award until:
 - (a) in the case of a final award made under the ICSID Convention:
 - (i) 120 days have elapsed from the date the award was rendered, provided that a disputing party has not requested the award be revised or annulled, or
 - (ii) revision or annulment proceedings have been completed; and
 - (b) in the case of a final award under the ICSID Additional Facility Rules or the UNCITRAL Arbitration Rules:
 - (i) 90 days have elapsed from the date the award was rendered and no disputing party has commenced a proceeding to revise, set aside or annul the award, or
 - (ii) a court has dismissed or allowed an application to revise, set aside, or annul the award and there is no further appeal.
4. Each Party shall provide for the enforcement of an award in its territory.
5. A claim that is submitted to arbitration under this Section shall be considered to arise out of a commercial relationship or transaction for purposes of Article I of the New York Convention.

Article 36. Receipts Under Insurance or Guarantee Contracts

In an arbitration under this Section, a respondent Party shall not assert as a defence, counterclaim, right of setoff, or otherwise that the disputing investor

Has received or will receive, under an insurance or guarantee contract, indemnification or other compensation for all or part of its alleged damages.

Section D. State-to-state Dispute Settlement Procedures

Article 37. Disputes between the Parties

1. A Party may request consultations on the interpretation or application of this Agreement. The other Party shall give sympathetic consideration to the request. Any dispute between the Parties concerning the interpretation or application of this Agreement shall, whenever possible, be settled amicably through consultations.
2. If a dispute cannot be settled through consultations, it shall, at the request of a Party, be submitted to an arbitral panel for decision.
3. An arbitral panel shall be constituted for each dispute. Within two months after receipt through diplomatic channels of the request for arbitration, each Party shall appoint one member to the arbitral panel. The two members shall then select a national of a third State who, upon approval by the two Parties, shall be appointed Chair of the arbitral panel. The Chair shall be appointed within two months from the date of appointment of the other two members of the arbitral panel.
4. If within the periods specified in paragraph 3 the necessary appointments have not been made, a Party may invite the President of the International Court of Justice to make the necessary appointments. If the President is a national of a Party or is otherwise prevented from discharging the said function, the Vice-President shall be invited to make the necessary appointments. If the Vice-President is a national of a Party or is prevented from discharging the said function, the Member of the International Court of Justice next in seniority, who is not a national of either Party, shall be invited to make the necessary appointments.
5. Arbitrators shall have expertise or experience in public international law, international trade or international investment rules, or the resolution of disputes arising under international trade or international investment agreements. They shall be independent of, and not be affiliated with or take instructions from, a Party.
6. Where a Party determines that the dispute involves measures relating to financial institutions, or to investors or investments of such investors in financial institutions, or where the respondent Party invokes Article 11(6) (Transfers), 17(2),

or 17(3) (General Exceptions), the arbitrators shall, in addition to the criteria set out in paragraph 5, have expertise or experience in financial services law or practice, which may include the regulation of financial institutions.

7. The arbitral panel shall determine its own procedure. The arbitral panel shall reach its decision by a majority of votes. The decision is binding on both Parties. Unless otherwise agreed, the decision of the arbitral panel shall be rendered within six months of the appointment of the Chair pursuant to paragraph 3 or 4.

8. Each Party shall bear the costs of its own member of the panel and of its representation in the arbitral proceedings. The costs related to the Chair and any remaining costs shall be borne equally by the Parties. The arbitral panel may, however, award that a higher proportion of costs be borne by one of the two Parties, and this award shall be binding on both Parties.

9. Within 60 days of the decision of an arbitral panel, the Parties shall reach agreement on the manner in which to resolve their dispute. The agreement normally implements the decision of the arbitral panel. If the Parties fail to reach agreement, the Party bringing the dispute shall be entitled to compensation or to suspend benefits of equivalent value to those awarded by the panel.

Section E. Final Provisions

Article 38. Consultations and other Actions

1. A Party may request in writing consultation with the other Party regarding any actual or proposed measure or any other matter that it considers might affect the operation of this Agreement.

2. Each Party shall notify the other in writing of the completion of the procedures required in its territory for the entry into force of this Agreement. This Agreement shall enter into force on the date of the later of these notifications.

3. This Agreement shall remain in force unless a Party notifies the other Party in writing of its intention to terminate it. The termination of this Agreement will be effective one year after notice of termination has been received by the other Party. Annex B.10 . Expropriation

The Parties confirm their shared understanding that:

- a) indirect expropriation results from a measure or series of measures of a Party that have an effect equivalent to direct expropriation without formal transfer of title or outright seizure;
- b) the determination of whether a measure or series of measures of a Party constitute an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:
 - i) the economic impact of the measure or series of measures, although the sole fact that a measure or series of measures of a Party has an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred;
 - ii) the extent to which the measure or series of measures interfere with distinct, reasonable investment-backed expectations; and
 - iii) the character of the measure or series of measures;
- c) except in rare circumstances, such as when a measure or series of measures are so severe in the light of their purpose that they cannot be reasonably viewed as having been adopted and applied in good faith, non-discriminatory measures of a Party that are designed and applied to protect legitimate public welfare objectives, such as health, safety and the environment, do not constitute indirect expropriation.
