

AGREEMENT BETWEEN THE GOVERNMENT OF THE SOCIALIST REPUBLIC OF VIETNAM AND THE GOVERNMENT OF THE REPUBLIC OF MOZAMBIQUE ON THE RECIPROCAL PROMOTION AND PROTECTION OF INVESTMENTS

The Government of the Socialist Republic of Vietnam and the Government of the Republic of Mozambique (hereinafter referred to as the "Contracting Parties"),

Desiring to strengthen economic cooperation for mutual benefit and to create fair and equitable conditions for investment by investors of one Contracting Party in the territory of the other Contracting Party;

Recognizing that the promotion and protection of mutual investment facilitates the expansion of economic relations between the two Contracting Parties and will promote the investment initiative;

Recognizing that the development of economic and business relations can promote respect for the rights of internationally recognized workers;

Agreed that the above objectives can be achieved without compromising the application of common health, safety and environmental measures;

Has decided to enter into an Agreement on mutual investment encouragement and protection;

Agreed as follows:

Article 1. Definitions

Under this Agreement:

1 The term "investment" means any type of property owned or controlled directly or indirectly by an investor of one Contracting Party in the territory of the other Contracting Party; :

A Company or business, or stock, share, or other interest in the company or enterprise;

B Movable and immovable property, including other property rights such as mortgages, mortgages, pledges, entitlements and similar rights;

C The right to claim money or any activity of economic value;

D Intellectual property rights, technical process, trade names, know-how, business credentials and similar rights;

E Solicit business under the law, under administrative or contractual decisions to seek, develop, refine or exploit natural resources.

Investment does not, however, include the right to claim pure cash arising from:

i Commercial contracts for the sale of goods or services of natural persons or enterprises in the Territory of a Party to enterprises in the Territory of the other Party; or

ii the provision of credit related to a commercial transaction, such as a commercial loan; or

iii Any claim for claims other than those referred to in (a) to (e) above.

For the purposes of the definition of investment in this Article, the income used for the investment is also considered as investment and any change in the form of assets used for investment or reinvestment does not change the specific That

property is an investment, provided that such change is made in accordance with the law of the home Contracting Party.

2 The term "investor" of a Contracting Party means:

A Any natural person who is a national of that Contracting Party in accordance with its domestic law; and

B Any legal person or organization established under the laws of that Contracting Party makes investments in the territory of the other Party.

3 The term "income" means investment income, but not only profits, interest, capital gains, dividends, technology transfer fees and other types of income. Other fees.

4 The term "territory" means:

A In respect of the Socialist Republic of Vietnam, the entire territory of the mainland (including islands), the sea and submarine areas in which the Socialist Republic of Vietnam exercises sovereignty, Sovereign rights and jurisdiction in accordance with national laws and international law;

B In the Republic of Mozambique, including territorial waters and any waters beyond Mozambique territorial waters which, in accordance with Mozambique and French law International law, considered, or may be considered, or in the future may be considered to be the area in which Mozambique may exercise rights relating to the seafloor and subsoil and The natural resources of this region and any territory governed by this Agreement.

5 The term "investment covered by the Agreement", for a Party, means an investment in the territory of that Party of investors of the other Party existing at the time of entry into force The force of this Agreement either was established, acquired or expanded thereafter, and has been received and accepted by the host Party in accordance with its laws and policies.

Article 2. Promotion and Protection of Investment

1 Each Contracting Party shall, subject to its general policy on foreign investment, encourage the investment of investors of the other Contracting Party on its territory and receive the first It is in accordance with its laws.

Subject to the provisions of law relating to the entry and residence of foreign nationals, individuals working for investors of a Contracting Party, as well as members of their families, shall Is permitted to enter, reside and leave the territory of the other Contracting Party for the purpose of carrying out investment-related activities in the territory of the other Contracting Party.

3 Each Contracting Party shall ensure that investments of the investor of the other Contracting Party shall always enjoy fair treatment, which shall be reasonable and shall not prejudice the management, maintenance, use or receipt. To enjoy or dispose of such investments by unreasonable or discriminatory means.

4 Each Contracting Party shall provide effective instruments for the certification and enforcement of investment rights governed by this Agreement.

5 Each Contracting Party shall ensure that the laws, regulations, management practices and general application procedures and court decisions relating to or affecting investments are adjusted. This Agreement will be published promptly or accessible to the public.

6 Investments governed by this Agreement shall be safe and adequate, and each Contracting Party shall respect the obligations which the Party has committed to investors of the other Party in connection with Their investment.

7 Investment income will be treated and protected as an investment.

Article 3. National Treatment and Most Favored Nation Treatment

1 Each Contracting Party shall, in its territory, accord to investments covered by the Treatment Agreement no less favorable than that accorded to investments by investors. ("national treatment") or of investors of any third country ("most favored nation treatment"), in the same case, whichever is more favorable , for the use, management, performance, operation and sale or otherwise disposing of their investments.

2 National treatment in accordance with the provisions of paragraph 1 above shall be implemented in accordance with the law of the host Party. The grant of national treatment in accordance with the law of the host Contracting Party allows the host contractor to have the right to make investments of investors of the other Contracting Party a treatment which is different from that of the applicable treatment. for the investors of their country. Accordingly, each Contracting Party may

maintain any economic or operational field reserved exclusively to its own investors and shall apply any special measures or incentives exclusively reserved for investors. of their country in accordance with the development policy framework of their country.

National treatment under the provisions of paragraph 1 above shall be implemented in accordance with the law of the host Party. The grant of national treatment in accordance with the law of the home Contracting Party authorizes the home contracting party the right to make investments for investors of the other Contracting Party treatment different from the applicable treatment For the investor of his country. Accordingly, each Contracting Party may maintain any economic or operating field exclusively for its own investors and apply any special measures or incentives exclusively reserved for investors. Of his country in accordance with the development policy framework of his country.

3 The provisions of this Agreement shall not be construed to require a Contracting Party to accord to investors of the other Contracting Party the benefit of any treatment, privilege or privilege arising there from. from:

A Any customs union, economic union, free trade area, monetary union, or any form of international, regional or bilateral economic agreement, or international agreement Any other analogy that either Contracting Party is a member or can become a member;

B Any international, regional or bilateral agreement or any similar arrangement by which either of the Contracting Parties is a member or may become a member or of any other relevant national legislation. Whole or mainly taxable;

4 For the sake of clarity, the Contracting Parties contend that the provisions of this Article shall not affect the right of the Contracting Parties to apply different tax regimes to the different taxpayers. Into their residence.

Article 4. Deprivation of Ownership

1 No Contracting Party may take any direct or indirect measures of deprivation of rights with respect to investments of investors of the other Contracting Party unless the following conditions are met:

A These measures shall be applied for public purposes and in accordance with due process;

B These measures are non-discriminatory;

C Measures shall be accompanied by provisions for the payment of prompt, adequate and effective compensation, which may be transferred abroad without undue delay, in freely convertible currency.

2 Compensation shall be commensurate with the market value of the investment calculated at the time immediately prior to the expropriation or expropriation of disclosed property affecting the value of Investment (hereinafter referred to as "Valuation Date").

The indemnity includes the interest at the commercial rate of interest on the market from the date of expropriation to the date of payment of compensation.

3 The provisions of paragraphs (1) and (2) of this Article shall apply to income from investments and proceeds from liquidation in the case of liquidation.

4 When a Contracting Party, in its territory, deprives ownership of the property of a company or an enterprise invested by the investor of the other Contracting Party through a shareholding The Contracting Party shall ensure that the provisions of this Article shall be applied to the extent necessary to ensure the timely, satisfactory and effective remedy of the investment of the investor of the Contracting Party. The other.

5 This provision shall not apply to the grant of compulsory licenses relating to intellectual property rights, or to the revocation, restriction or creation of intellectual property rights, provided that Granted, withdrawn, restricted or created in accordance with the provisions of the TRIPS Agreement.

Article 5. Damages

1 Investors of one Contracting Party who invest in the territory of the other Contracting Party suffer losses due to war, armed conflict, national emergency, insurrection, insurrection, rebellion Or riots shall be accorded no less favorable treatment than that accorded to its own investors or investors of any third State, subject to any treatment which is more favorable, Concerning compensation, compensation, compensation or other means. Payments under Article will be transferred abroad without undue delay, in freely convertible currency.
