Article 1.2. Trade Relations Governed by this Agreement

1. This Agreement shall apply to trade relations between, on the one side, the individual EFTA States and, on the other side, Ukraine, but not to the trade relations between individual EFTA States, unless otherwise provided for in this Agreement.

2. As a result of the customs union established by the Treaty of 29 March 1923 between Switzerland and the Principality of Liechtenstein, Switzerland shall represent the Principality of Liechtenstein in matters covered thereby.

Article 1.3. Relation to other International Agreements

1. The Parties confirm their rights and obligations under the Marrakesh Agreement establishing the WTO, the other agreements negotiated under the WTO to which they are a party, and any other international agreement to which they are a party.

2. This Agreement shall not preclude the maintenance or establishment of customs unions, free trade areas, arrangements for frontier trade and other preferential agreements insofar as they do not have the effect of altering the trade arrangements provided for in this Agreement.

3. When a Party enters into a customs union or free trade agreement with a third party it shall, upon request by any other Party, be prepared to enter into consultations with the requesting Party.

Article 1.4. Territorial Application

1. Without prejudice to the Protocol on Rules of Origin, this Agreement shall apply:

(a) to the land territory, internal waters, and the territorial sea of a Party, and the air-space above the territory of a Party, in accordance with international law; as well as

(b) beyond the territorial sea, with respect to measures taken by a Party in the exercise of its sovereign right or jurisdiction in accordance with international law.

2. This Agreement shall not apply to the Norwegian territory of Svalbard, with the exception of trade in goods.

Article 1.5. Central, Regional and Local Government

2. Ukraine and each EFTA State have concluded agreements on trade in agricultural products on a bilateral basis. These agreements form part of the instruments establishing a free trade area between the EFTA States and Ukraine.

Article 2.2. Rules of Origin and Methods of Administrative Cooperation

The Protocol on Rules of Origin lays down the rules of origin and methods of administrative cooperation.

Article 2.3. Customs Duties on Imports

1. Upon entry into force of this Agreement, the Parties shall abolish all customs duties on imports of products originating in an EFTA State or in Ukraine covered by paragraph 1 of Article 2.1, except as otherwise provided for in Annex IV. No new customs duties on imports shall be introduced.

2. A customs duty includes any duty or charge of any kind imposed in connection with the importation or exportation of a product, including any form of surtax or surcharge in connection with such importation or exportation, but does not include any charge imposed in conformity with Articles III and VIII of the GATT 1994.

Article 2.4. Customs Duties on Exports

1. Upon entry into force of this Agreement, the Parties shall eliminate customs duties on exports of products covered by paragraph 1 of Article 2.1 to the other Parties; except as provided for in paragraph 2 of this Article. No new customs duties on exports shall be introduced on products exported from the customs territory of one Party into the customs territory of another Party.

2. Customs duties on exports to the EFTA States of products originating in Ukraine shall be gradually reduced in accordance with the commitments of Ukraine within the WTO.

3. If, after the entry into force of this Agreement, Ukraine lowers or eliminates its duties on exports to the European Union, it shall accord to the EFTA States no less favourable treatment.

4. A customs duty on exports includes any duty or charge of any kind imposed in connection with the exportation of a product, including any form of surtax or surcharge in connection with such exportation, but does not include any charge imposed in conformity with Articles VIII of the GATT 1994.

Article 2.5. Basic Duties

1. The basic duty, to which the successive reductions set out in this Agreement are to be applied for imports between the Parties, shall be the most-favoured-nation (hereinafter referred to as the "MFN") rate of duty applied on 1 January 2009.

2. If before, by or after entry into force of this Agreement, any tariff reduction is applied on an erga omnes basis, such reduced duties shall replace the basic duties referred to in paragraph 1 as from the date when such reductions are applied, or from the entry into force of this Agreement, if this is later.

3. Reduced duties calculated in accordance with paragraph 1 of this Article shall be applied rounded to the first decimal place or, in the case of specific duties, to the second decimal place.

Article 2.6. Import and Export Restrictions

The rights and obligations of the Parties in respect of export and import restrictions shall be governed by Article XI of the GATT 1994, which is hereby incorporated into and made part of this Agreement.

Article 2.9. Technical Regulations

1. The rights and obligations of the Parties in respect of technical regulations, standards and conformity assessment shall be governed by the WTO Agreement on Technical Barriers to Trade (hereinafter referred to as "the TBT Agreement").
2. Without prejudice to paragraph 1, the Parties agree to hold consultations where a Party considers that another Party has taken measures not in conformity with the TBT Agreement which are likely to create, or have created, an obstacle to trade, in order to find an appropriate solution in conformity with the TBT Agreement.

Article 2.10. Trade Facilitation

To facilitate trade between the EFTA States and Ukraine, the Parties shall:

- (a) simplify, to the greatest extent possible, procedures for trade in goods and related services;
- (b) promote the cooperation of the Parties in multilateral fora in order to enhance their participation in the development and implementation of international conventions and recommendations on trade facilitation; and

Article 2.11. Sub-committee on Rules of Origin, Customs Procedures and Trade Facilitation

1. With reference to Articles 2.2 and 2.10, a Sub-Committee of the Joint Committee on Rules of Origin, Customs Procedures and Trade Facilitation (hereinafter referred to as "the Sub-Committee") is hereby established.
2. The mandate of the Sub-Committee is set out in Annex VI.

Article 2.12. State Trading Enterprises

The rights and obligations of the Parties in respect of state trading enterprises shall be governed by Article XVII of the GATT 1994 and the Understanding on the Interpretation of Article XVII of the GATT 1994, which are hereby incorporated into and made part of this Agreement.

Article 2.13. Subsidies and Countervailing Measures

1. The rights and obligations of the Parties relating to subsidies and countervailing measures shall be governed by Articles VI and XVI of the GATT 1994 and the WTO Agreement on Subsidies and Countervailing Measures, except as provided for in

paragraph 2.

2. Before an EFTA State or Ukraine, as the case may be, initiates an investigation to determine the existence, degree and effect of any alleged subsidy in Ukraine or in an EFTA State, as provided for in Article 11 of the WTO Agreement on Subsidies and Countervailing Measures, the Party considering initiating an investigation shall notify in writing the Party whose goods are subject to investigation and allow for a 60 day period with a view to finding a mutually acceptable solution. The consultations shall take place in the Joint Committee if any Party so requests within 30 days from the receipt of the notification.

Article 2.14. Anti-dumping

1. A Party shall not apply anti-dumping measures, as provided for under Article VI of the GATT 1994 and the WTO Agreement on Implementation of Article VI of the GATT 1994 in relation to products originating in another Party.

2. Five years after the date of entry into force of this Agreement, the Parties may in the Joint Committee review the operation of paragraph 1. Thereafter the Parties may conduct biennial reviews of this matter in the Joint Committee.

Article 2.15. Global Safeguard Measures

This Agreement does not confer any additional rights or impose any additional obligations on the Parties with regard to actions taken pursuant to Article XIX of GATT 1994 and the WTO Agreement on Safeguards, except that a Party taking a safeguard measure under Article XIX of GATT 1994 and the WTO Agreement on Safeguards shall, to the extent consistent with the obligations under the WTO Agreements, exclude imports of an originating good from another Party if such imports are not a substantial cause of serious injury or threat thereof.

Article 2.16. Bilateral Safeguard Measures

1. Where, as a result of the reduction or elimination of a customs duty under this Agreement, any product originating in a Party is being imported into the territory of another Party in such increased quantities, in absolute terms or relative to domestic production, and under such conditions as to constitute a substantial cause of serious injury or threat thereof to the domestic industry of like or directly competitive products in the territory of the importing Party, the importing Party may take bilateral safeguard measures to the minimum extent necessary to remedy or prevent the injury, subject to the provisions of paragraphs 2 to 10.

2. Bilateral safeguard measures shall only be taken upon clear evidence that increased imports have caused or are threatening to cause serious injury pursuant to an investigation in accordance with the procedures laid down in Articles 3 and 4 of the WTO Agreement on Safeguards.

3. The Party intending to take a bilateral safeguard measure under this Article shall immediately, and in any case before taking a measure, make notification to the other Parties. The notification shall contain all pertinent information, which shall include evidence of serious injury or threat thereof caused by increased imports, a precise description of the product involved and the proposed measure, as well as the proposed date of introduction, expected duration and timetable for the progressive removal of the measure. A Party that may be affected by the bilateral safeguard measure shall be offered compensation in the form of substantially equivalent trade liberalisation in relation to the imports from any such Party.

4. If the conditions set out in paragraph 1 are met, the importing Party may take measures consisting in:

(a) suspending the further reduction of any rate of customs duty provided for under this Agreement for the product; or

(b) increasing the rate of customs duty for the product to a level not to exceed the lesser of:

(i) the MFN rate of duty applied at the time the action is taken; or

(ii) the MFN rate of duty applied on the day immediately preceding the date of the entry into force of this Agreement.

5. Bilateral safeguard measures shall be taken for a period not exceeding one year. In very exceptional circumstances, after review by the Joint Committee, measures may be taken up to a total maximum period of three years. No bilateral safeguard measures shall be applied to the import of a product which has previously been subject to such a measure.

6. The Joint Committee shall, within 30 days from the date of notification, examine the information provided under paragraph 3 in order to facilitate a mutually acceptable resolution of the matter. In the absence of such resolution, the importing Party may adopt a measure pursuant to paragraph 4 to remedy the problem, and, in the absence of mutually

agreed compensation, the Party against whose product the measure is taken may take compensatory action. The bilateral safeguard measure and the compensatory action shall be immediately notified to the other Parties. In the selection of the bilateral safeguard measure and the compensatory action, priority must be given to the measure which least disturbs the functioning of this Agreement. The compensatory action shall normally consist of suspension of concessions having substantially equivalent trade effects or concessions substantially equivalent to the value of the additional duties expected to result from the bilateral safeguard measure. The Party taking compensatory action shall apply the action only for the minimum period necessary to achieve the substantially equivalent trade effects and in any event, only while the bilateral safeguard measure under paragraph 4 is being applied.

7. Upon the termination of the bilateral safeguard measure, the rate of customs duty shall be the rate which would have been in effect but for the measure.

8. In critical circumstances, where delay in the introduction of a bilateral safeguard measure in accordance with this Article would cause damage which would be difficult to repair, a Party may take a provisional bilateral safeguard measure pursuant to a preliminary determination that there is clear evidence that increased imports constitute a substantial cause of serious injury, or threat thereof, to the domestic industry. The Party intending to take such a measure shall immediately notify the other Parties thereof. Within 30 days of the date of the notification, the procedures set out in paragraphs 2 to 6, including for compensatory action, shall be initiated. Any compensation shall be based on the total period of application of the provisional bilateral safeguard measure and of the bilateral safeguard measure.

9. Any provisional bilateral safeguard measure shall be terminated within 200 days at the latest. The period of application of any such provisional bilateral safeguard measure shall be counted as part of the duration of the bilateral safeguard measure set out in paragraph 5 and any extension thereof. Any tariff increases shall be promptly refunded if the investigation described in paragraph 2 does not result in a finding that the conditions of paragraph 1 are met.

10. Five years after the date of entry into force of this Agreement, the Parties shall review in the Joint Committee whether there is need to maintain the possibility to take bilateral safeguard measures between them. If the Parties decide, after the first review, to maintain such possibility, they shall thereafter conduct biennial reviews of this matter in the Joint Committee.

Article 2.17. General Exceptions

The rights and obligations of the Parties in respect of general exceptions shall be governed by Article XX of the GATT 1994, which is hereby incorporated into and made part of this Agreement.

Article 2.18. Security Exceptions

The rights and obligations of the Parties in respect of security exceptions shall be governed by Article XXI of the GATT 1994, which is hereby incorporated into and made part of this Agreement.

Article 2.19. Balance-of-payments

1. The Parties shall endeavour to avoid the imposition of restrictive measures for balance of payments purposes.

2. A Party in serious balance of payments difficulties, or under imminent threat thereof, may, in accordance with the conditions established under the GATT 1994 and the WTO Understanding on the Balance of Payments Provisions of the GATT 1994, adopt trade restrictive measures, which shall be of limited duration and nondiscriminatory, and may not go beyond what is necessary to remedy the balance of payments situation.

3. The Party introducing a measure under this Article shall promptly notify the other Parties thereof.

Chapter 3. Trade In Services

Article 3.1. Scope and Coverage

1. This Chapter applies to measures by Parties affecting trade in services. It applies to all services sectors.

2. In respect of air transport services, this Chapter shall not apply to measures affecting air traffic rights or measures affecting services directly related to the exercise of air traffic rights, except as provided for in paragraph 3 of the GATS Annex on Air Transport Services. The definitions of paragraph 6 of the GATS Annex on Air Transport Services are hereby incorporated and made part of this Chapter.

3. Articles 3.4, 3.5 and 3.6 shall not apply to laws, regulations or requirements governing the procurement by governmental agencies of services purchased for governmental purposes and not with a view to commercial resale or with a view to use in the supply of services for commercial sale.

Article 3.2. Incorporation of Provisions from the GATS

(1) Where the service is not supplied or sought to be supplied directly by a juridical person but through other forms of commercial presence such as a branch or a representative office, the service supplier (i.e. the juridical person) shall, nonetheless, through such commercial presence be accorded the treatment provided for service suppliers under this Chapter. Such treatment shall be extended to the commercial presence through which the service is supplied or sought to be supplied and need not be extended to any other parts of the service supplier located outside the territory where the service is supplied or sought to be supplied.

Article 3.4. Most-favoured-nation Treatment

1. Without prejudice to measures taken in accordance with Article VII of the GATS, and except as provided for in its List of MFN Exemptions contained in Annex VIII, a Party shall accord immediately and unconditionally, in respect of all measures affecting the supply of services, to services and service suppliers of another Party treatment no less favourable than the treatment it accords to like services and service suppliers of any non-party.
2. Treatment granted under other existing or future agreements concluded by one of the Parties and notified under Article V or Article V bis of the GATS shall not be subject to paragraph 1.
3. If a Party concludes or amends an agreement of the type referred to in paragraph 2, it shall notify the other Parties without delay and endeavour to accord to the other Parties treatment no less favourable than that provided under that agreement. The former Party shall, upon request by any other Party, negotiate the incorporation into this Agreement of a treatment no less favourable than that provided under the former agreement.
4. The rights and obligations of the Parties in respect of advantages accorded to adjacent countries shall be governed by paragraph 3 of Article II of the GATS, which is hereby incorporated into and made part of this Chapter.

1. Each Party shall ensure that all measures of general application affecting trade in services are administered in a reasonable, objective and impartial manner.
2. Each Party shall maintain or institute as soon as practicable judicial, arbitral or administrative tribunals or procedures which provide, at the request of an affected service supplier of another Party, for the prompt review of, and where justified, appropriate remedies for, administrative decisions affecting trade in services. Where such procedures are not independent

of the agency entrusted with the administrative decision concerned, the Party shall ensure that the procedures in fact provide for an objective and impartial review.

3. Where authorisation is required by a Party for the supply of a service, the competent authorities of that Party shall, within a reasonable period of time after the submission of an application is considered complete under that Party's domestic laws and regulations, inform the applicant of the decision concerning the application. At the request of the applicant, the competent authorities of that Party shall provide, without undue delay, information concerning the status of the application.

4. Each Party shall provide for adequate procedures to verify the competence of professionals of any other Party.

Article 3.9. Recognition

1. For the purpose of the fulfilment of its relevant standards or criteria for the authorisation, licensing or certification of service suppliers, each Party shall give due consideration to any requests by another Party to recognise the education or experience obtained, requirements met, or licences or certifications granted in that other Party. Such recognition may be based upon an agreement or arrangement with that other Party, or otherwise be accorded autonomously.

2. Where a Party recognises, by agreement or arrangement, the education or experience obtained, requirements met, or licences or certifications granted, in the territory of a non-party, that Party shall afford another Party adequate opportunity to negotiate its accession to such an agreement or arrangement, whether existing or future, or to negotiate a comparable agreement or arrangement with it. Where a Party accords recognition autonomously, it shall afford adequate opportunity for another Party to demonstrate that the education or experience obtained, requirements met, or licences or certifications granted in the territory of that other Party should also be recognised.

3. Any such agreement or arrangement or autonomous recognition shall be in conformity with the relevant provisions of the WTO Agreement, in particular paragraph 3 of Article VII of the GATS.

Article 3.10. Movement of Natural Persons

1. This Article applies to measures affecting natural persons who are service suppliers of a Party, and natural persons of a Party who are employed by a service supplier of a Party, in respect of the supply of a service.

2. This Chapter shall not apply to measures affecting natural persons seeking access to the employment market of a Party, nor shall it apply to measures regarding nationality, residence or employment on a permanent basis.

3. Natural persons covered by a specific commitment shall be allowed to supply the service in accordance with the terms of that commitment.

4. This Chapter shall not prevent a Party from applying measures to regulate the entry of natural persons of another Party into, or their temporary stay in, its territory, including those measures necessary to protect the integrity of, and to ensure the orderly movement of natural persons across, its borders, provided that such measures are not applied in such a manner as to nullify or impair the benefits accruing to any Party under the terms of a specific commitment. (2)

(2) The sole fact of requiring a visa for natural persons shall not be regarded as nullifying or impairing benefits under a specific commitment.

Article 3.11. Transparency

The rights and obligations of the Parties in respect of transparency shall be governed by paragraphs 1 and 2 of Article III and by Article III bis of the GATS, which are hereby incorporated into and made part of this Chapter.

Article 3.14. Payments and Transfers

1. Except under the circumstances envisaged in Article 3.15, a Party shall not apply restrictions on international transfers and payments for current transactions with another Party.
2. Nothing in this Chapter shall affect the rights and obligations of the Parties under the Articles of the Agreement of the International Monetary Fund (hereinafter referred to as the "IMF"), including the use of exchange actions which are in conformity with the Articles of the Agreement of the IMF, provided that a Party shall not impose restrictions on capital transactions inconsistently with its specific commitments regarding such transactions, except under Article 3.15 or at the request of the IMF.

Article 3.15. Restrictions to Safeguard the Balance of Payments

1. The Parties shall endeavour to avoid the imposition of restrictions to safeguard the balance of payments.

 - (c) undertakings relating to additional commitments referred to in Article 3.7; and
 - (d) where appropriate, the time-frame for implementation of such commitments and the date of entry into force of such commitments.
2. Measures inconsistent with both Articles 3.5 and 3.6 shall be dealt with as provided for in paragraph 2 of Article XX of the GATS.
3. The Parties' Schedules of specific commitments are set out in Annex VII.

Article 3.18. Modification of Schedules

The Parties shall, upon written request by a Party, hold consultations to consider any modification or withdrawal of a specific commitment in the requesting Party's Schedule of specific commitments. The consultations shall be held within three months after the requesting Party made its request. In the consultations, the Parties shall aim to ensure that a general level of mutually advantageous commitments no less favourable to trade than that provided for in the Schedule of specific commitments prior to such consultations is maintained. Modifications of Schedules are subject to the procedures set out in Articles 8 and 10.5.

Article 3.19. Review

With the objective of further liberalising trade in services between them, in particular eliminating substantially all remaining discrimination within a period of ten years, the Parties shall review at least every other year, or more frequently if so agreed, their Schedules of specific commitments and their Lists of MFN Exemptions, taking into account in particular any autonomous liberalisation and on-going work under the auspices of the WTO. The first such review shall take place no later than three years after the entry into force of this Agreement.

Article 3.20. Annexes

The following Annexes form an integral part of this Chapter:

- Annex VIII (Lists of MFN Exemptions);
- Annex IX (Financial Services); and
- Annex X (Telecommunications Services).

Chapter 4. Investment

Article 4.1. Scope and Coverage

1. This Chapter shall apply to investments in the territory of one Party by an investor of another Party, which constitute, or are related to, a direct investment. It shall not apply to investments in the services sectors covered by Chapter 3 (3).
2. This Chapter shall apply to investments irrespective of whether they have been made prior to or after the entry into force of this Agreement. It shall however not apply to disputes arising out of events which occurred prior to the entry into force of the Agreement.
3. The provisions of this Chapter shall be without prejudice to the interpretation or application of the rights and obligations under any other international agreement relating to investment or taxation to which Ukraine and one or several EFTA States are parties.

(3) For the avoidance of doubt, it is confirmed that services specifically exempted from the scope of Chapter 3 (air traffic rights) are considered to be covered services sectors, and therefore do not fall under the scope of the Investment Chapter.

Article 4.2. Definitions

For the purposes of this Chapter,

- (a) "direct investment" means participation of an investor in an enterprise, consisting of at least 10 per cent ownership, whether direct or indirect, of the total vote-entitled shares in that enterprise.
