1.1.

Only workers who have paid contributions in Switzerland for the minimum period required under the Federal Unemployment Insurance and Insolvency Allowances Act (loi fédérale sur l'assurance-chômage obligatoire et l'indemnité en cas d'insolvabilité — LACI) (58) and who also satisfy the other conditions of eligibility for unemployment benefit shall be entitled to such benefit provided by the unemployment insurance under the conditions laid down by law.

1.2.

A portion of the contributions levied for workers whose period of contribution is too short to give entitlement to unemployment benefit in Switzerland under 1.1 shall be refunded to their States of origin in accordance with the provisions of 1.3. in order to contribute towards the cost of benefits provided to these workers in the event of full unemployment; these workers shall then have no entitlement to benefit in the event of their being fully unemployed in Switzerland. Benefits in the event of full unemployment shall be paid by the State of origin, provided that the workers concerned make themselves available for work. Periods of insurance completed in Switzerland shall be taken into account in the same way as if they had been completed in the State of origin.

1.3.

The portion of the contributions levied for workers referred to in 1.2 shall be refunded on an annual basis in accordance with the following provisions:

(a)

The total contributions of these workers shall be calculated, by country, on the basis of the annual number of workers employed and the average annual contributions paid for each worker (employer's and employee's contributions).

(b)

Of the amount calculated in this way, a portion thereof corresponding to the relative share represented by unemployment benefit as a percentage of all the allowances referred to in 1.2 shall be refunded to the workers' States of origin, and a portion shall be retained by Switzerland as a reserve for subsequent benefits (59).

(c)

Switzerland shall, on an annual basis, provide a statement showing the contributions refunded. If the States of origin so request, it shall indicate the bases for the calculation and the sums refunded. The States of origin shall each year notify Switzerland of the number of recipients of unemployment benefit as referred to in 1.2.

2. If a Member State concerned by this arrangement encounters difficulties with the ending of the arrangements for refunding of contributions, or Switzerland encounters difficulties with the aggregation arrangements, the matter may be referred to the Joint Committee by any of the contracting parties.
