Article 5. Expropriation and Compensation

1. Investments shall not be expropriated, nationalized or subject, directly or indirectly, to measures of similar effects (hereinafter referred as expropriation) except for a public purpose, in a non-discriminatory manner, upon payment of prompt, adequate and effective compensation, and in accordance with due process of law and the general principles of treatment provided for in Article 3 of this Agreement.

2. Non-discriminatory legal measures designed and applied to protect legitimate public welfare objectives, such as health, safety and environment, do not constitute indirect expropriation.

3. Compensation shall be equivalent to the market value of the expropriated investment before the expropriation was taken or became public knowledge. Compensation shall be paid without delay and be freely transferable as described in Article 7.

4. In the event that payment of compensation is delayed, it shall carry an interest at a rate to be agreed upon by both parties unless such rate is prescribed by law from the date of expropriation until the date of payment.

Article 6. Compensation for Losses

Investors of either Contracting Party whose investments suffer losses in the territory of the other Contracting Party owing to war, insurrection, civil disturbance or other similar events shall be accorded by such other Contracting Party treatment no less favourable than that accorded to its own investors or to investors of any third State, whichever is the most favourable treatment, as regards any measures it adopts in relation to such losses.

Article 7. Repatriation and Transfer

1. Upon fulfillment of all tax obligations, each Contracting Party shall permit in good faith all transfers related to an investment to be made freely and without delay into and out of its territory. Such transfers include:

(f) payments arising from an investment dispute.

2. Transfers shall be made in the convertible currency in which the investment has been made or in any convertible currency at the rate of exchange in force at the date of transfer, unless otherwise agreed by the investor and the hosting Contracting Party.

Article 8. Subrogation

1. If the investment of an investor of one Contracting Party is insured against non-commercial risks under a system established by law, any subrogation of the insurer, which stems from the terms of the insurance agreement between the investor and the insurer, shall be recognized by the other Contracting Party.
2. The insurer is entitled by virtue of subrogation to exercise the rights and enforce the claims of that investor and shall assume the obligations related to the investment. The subrogated rights or claims shall not exceed the original rights or claims of the investor.
3. Disputes between a Contracting Party and an insurer shall be settled in accordance with the provisions of Article 9 of this Agreement.

Article 9. Settlement of Disputes between One Contracting Party and Investors of the other Contracting Party

1. Disputes between one of the Contracting Parties and an investor of the other Contracting Party, in connection with his investment, shall be notified in writing, including detailed information, by the investor to the recipient Contracting Party of the investment. As far as possible, the investor and the concerned Contracting Party shall endeavor to settle these disputes by consultations and negotiations in good faith.
2. If these disputes cannot be settled in this way within six (6) months following the date of the written notification mentioned in paragraph 1, the dispute can be submitted, as the investor may choose, to:
 - (a) the competent court of the Contracting Party in whose territory the investment has been made,
 - (b) an ad hoc court of arbitration laid down under the Arbitration Rules of Procedure of the United Nations Commission for International Trade Law (UNCITRAL).
 - (c) the International Center for Settlement of Investment Disputes (ICSID) set up by the "Convention on Settlement of Investment Disputes Between States and Nationals of other States",
3. Once the investor has submitted the dispute to the one of the dispute settlement procedures mentioned in paragraph 2 of this Article, the choice of one of these procedures is final.
4. The arbitration tribunal shall take its decisions in accordance with the provisions of this Agreement, the laws and regulations of the Contracting Party involved in the dispute on which territory the investment is made (including its rules on the conflict of law) and the relevant principles of international law as accepted by both Contracting Parties.
5. The arbitration awards shall be final and binding for all parties in dispute. Each Contracting Party commits itself to execute the award according to its national law.

Article 10. Settlement of Disputes between the Contracting Parties

1. The Contracting Parties shall seek in good faith and a spirit of cooperation a rapid and equitable solution to any dispute between them concerning the interpretation or application of this Agreement. In this regard, the Contracting Parties agree to engage in direct and meaningful negotiations to arrive at such solutions. If the Contracting Parties cannot reach an agreement within six (6) months after the beginning of disputes between themselves through the foregoing procedure, the disputes may be submitted, upon the request of either Contracting Party, to an arbitral tribunal of three members.
2. Within two (2) months of receipt of a request, each Contracting Party shall appoint an arbitrator. The two arbitrators shall select a third arbitrator as Chairman, who is a national of a third State. In the event either Contracting Party fails to appoint an arbitrator within the specified time, the other Contracting Party may request the President of the International Court of Justice to make the appointment.
3. If both arbitrators cannot reach an agreement about the choice of the Chairman within two (2) months after their appointment, the Chairman shall be appointed upon the request of either Contracting Party by the President of the International Court of Justice.
4. If, in the cases specified under paragraphs (2) and (3) of this Article, the President of the International Court of Justice is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the Vice-President, and if the Vice-President is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the most senior member of the Court who is not a national of either Contracting Party.

5. The tribunal shall have three (3) months from the date of the selection of the Chairman to agree upon rules of procedure consistent with the other provisions of this Agreement. In the absence of such agreement, the tribunal shall request the President of the International Court of Justice to designate rules of procedure, taking into account generally recognized rules of international arbitral procedure.

6. Unless otherwise agreed, all submissions shall be made and all hearings shall be completed within eight (8) months of the date of selection of the Chairman, and the tribunal shall render its decision within two (2) months after the date of the final submissions or the date of the closing of the hearings, whichever is later. The arbitral tribunal shall reach its decisions, which shall be final and binding, by a majority of votes.

7. Expenses incurred by the Chairman, the other arbitrators, and other costs of the proceedings shall be paid for equally by the Contracting Parties. The tribunal may, however, at its discretion, decide that a higher proportion of the costs be paid by one of the Contracting Parties.

8. A dispute shall not be submitted to an international arbitration court under the provisions of this Article, if the same dispute has been brought before another international arbitration court under the provisions of Article 9 and is still before the court. This will not impair the engagement in direct and meaningful negotiations between both Contracting Parties.

Article 11. Scope of Application

This Agreement shall apply to investments in the territory of one Contracting Party, made in accordance with its national laws and regulations, by investors of the other Contracting Party, whether prior to, or after the entry into force of the present Agreement. However, this Agreement shall not apply to any disputes that have arisen before its entry into force.

Article 12. Entry Into Force

1. This Agreement shall enter into force on the date of last notification by the Contracting Parties, in writing and through diplomatic channels, of the completion of the respective internal legal procedures necessary to that effect. It shall remain in force for a period of ten (10) years and shall continue in force unless terminated in accordance with paragraph 2 of this Article.

2. Either Contracting Party may, by giving one year's written notice to the other Contracting Party, terminate this Agreement at the end of the initial ten-year period or at any time thereafter.

3. This Agreement may be amended by mutual written consent of the Contracting Parties at any time. The amendments shall enter into force in accordance with the same legal procedure prescribed under the first paragraph of the present Article.

4. With respect to investments made or acquired prior to the date of termination of this Agreement and to which this Agreement otherwise applies, the provisions of all of the other Articles of this Agreement shall thereafter continue to be effective for a further period of ten (10) years from such date of termination.

IN WITNESS WHEREOF, the respective plenipotentiaries have signed this Agreement.
