## **Article 8. Settlement of Investment Disputes between a Contracting Party and an Investor**

1. In the event that the Republic of Poland becomes a party to the 1965 Convention on the Settlement of Investment

Disputes between States and Nationals of other States, any dispute may be submitted to the International Center for the Settlement of Investment Disputes for resolution, as follows: 1965 Convention on the Settlement of Investment Disputes between States and Nationals of other States, any dispute may be submitted to the International Center for the Settlement of Investment Disputes for resolution, as follows:

(a) Each Contracting Party hereby consents to submit to the International Center for the Settlement of Investment Disputes ("the Center") for settlement by conciliation or arbitration under the Convention on the Settlement of Investment Disputes between States and Nationals of Other States, opened for signature at Washington on 18 March 1965, any legal dispute arising between that Contracting Party and an investor of the other Contracting Party concerning an investment of the latter in the territory of the former.

(b) A company which is incorporated or constituted under the law in force in the territory of one Contracting Party and in which, before such a dispute arises, the majority of shares are owned by nationals or companies of the other Contracting Party shall, in accordance with Article 25(2)(b) of the Convention, be treated for the purposes of the Convention as a company of the other Contracting Party.

(c) If any such dispute should arise and cannot be resolved, amicably or otherwise, within three months from written notification of the existence of the dispute, then the investor affected may institute conciliation or arbitration proceedings by addressing a request to that effect to the Secretary-General of the Center, as provided in Article 28 or 36 respectively of the Convention. The Contracting Party which is a party to the dispute shall not raise as an objection at any stage of the proceedings or enforcement of an award the fact that the investor which is the other party to the dispute has received, in pursuance of an insurance contract, an indemnity in respect of some or all of his or its losses.

(d) Neither Contracting Party shall pursue, through the diplomatic channel, any dispute referred to the Center, unless:

(1) The Secretary-General of the Center or a conciliation commission or an arbitral tribunal constituted by it decides that the dispute is not within the jurisdiction of the Center; or

(2) The other Contracting Party should fail to abide by or to comply with any award rendered by an arbitral tribunal.

2. Until such time as the Republic of Poland becomes a member of the Center, any dispute arising between one Contracting Party and an investor of the other Contracting Party which cannot be settled, amicably or otherwise, within three (3) months from written notification of a claim, shall be submitted, upon request, to an ad hoc arbitral tribunal. The tribunal shall be constituted pursuant to and shall operate in accordance with the guidelines set out in Article 9 [paragraphs (3)–(5)]. Notwithstanding the provisions of Article 9(5), costs of the tribunal shall be borne equally between the investor and the Contracting Party.

3. All arbitral awards shall be final and binding on the parties to the dispute.

4. All sums received as a result of a settlement shall be freely transferable.

## **Article 9. Disputes between the Contracting Parties**

1. Disputes between the Contracting Parties concerning the interpretation or application of this Agreement should, if possible, be settled through the diplomatic channel, which may include, if both Parties so desire, referral to a Bilateral Commission composed of representatives of both Contracting Parties.

2. If a dispute between the Contracting Parties cannot thus be settled within six (6) months from notification of the dispute, it shall, upon the request of either Contracting Party, be submitted to an arbitral tribunal.

3. Such an arbitral tribunal shall be constituted for each individual case in the following way: Within two months of the receipt of the request for arbitration, each Contracting Party shall appoint one member of the tribunal. Those two members shall then select a national of a third State, provided that State maintains diplomatic relations with both Contracting Parties who, on approval by the two Contracting Parties, shall be appointed Chairman of the tribunal. The Chairman shall be appointed within two months from the date of appointment of the other two members.

4. If, within the periods specified in paragraph (3) of this Article, the necessary appointments have not been made, either Contracting Party may, in the absence of any other agreement, invite the President of the International Chamber of Commerce in Paris to make any necessary appointments. If the President is prevented from discharging the said function, the Vice-President shall be invited to make the necessary appointments. If the Vice-President is prevented from discharging the said function, the Member of the Chamber of Commerce next in seniority shall be invited to make the necessary appointments.

5. The arbitral tribunal shall reach its decision by a majority of votes. Such decision shall be binding on both Contracting Parties. Each Contracting Party shall bear the cost of its own member of the tribunal and of its representation in the arbitral proceedings; the cost of the Chairman and the remaining costs shall be borne in equal parts by the Contracting Parties. The tribunal may, however, in its decision, direct that a higher proportion of costs shall be borne by one of the two Contracting Parties and this award shall be binding on both Contracting Parties. The tribunal shall determine its own procedure.

## **Article 10. Subrogation**

1. If one Contracting Party or its designated Agency ("the first Contracting Party") makes a payment under an indemnity given in respect of an investment in the territory of the other Contracting Party ("the second Contracting Party"), the second Contracting Party shall recognize:

(a) The assignment to the first Contracting Party by law or by legal transaction of all the rights and claims of the party indemnified; and

(b) That the first Contracting Party is entitled to exercise such rights and enforce such claims by virtue of subrogation, to the same extent as the party indemnified.

2. The first Contracting Party shall be entitled in all circumstances to:

(a) The same treatment in respect of the rights and claims acquired by it, by virtue of the assignment; and

(b) Any payments received in pursuance of those rights and claims,

As the party indemnified was entitled to receive by virtue of this Agreement, in respect of the investment concerned and its related returns.

3. Any payments received in non-convertible currency by the first Contracting Party, in pursuance of the rights and claims acquired, shall be freely available to the first Contracting Party for the purpose of meeting any expenditure incurred in the territory of the second Contracting Party.

## **Article 11. Application of other Rules**

If the provisions of law of either Contracting Party or obligations under international law existing at present or established hereafter between the Contracting Parties in addition to the present Agreement contain rules, whether general or specific, entitling investments by investors of the other Contracting Party to a treatment more favorable than is provided for by the present Agreement, such rules shall to the extent that they are more favorable prevail over the present Agreement.

## **Article 12. Entry Into Force**

Each Contracting Party shall notify the other Contracting Party of the completion of the internal procedures required for bringing this Agreement into force. This Agreement shall enter into force on the date the latter notification.

## **Article 13. Duration and Termination**

This Agreement shall remain in force for a period of 10 years. Thereafter, it shall continue in force until the expiration of 12 months from the date on which either Contracting Party shall have given written notice of termination to the other. In respect of investments made while the Agreement is in force, its provisions shall continue in effect with respect to such investments for a period of 20 years after the date of termination and without prejudice to the application thereafter of the rules of general international law.

In witness whereof the undersigned, duly authorized thereto by their respective Governments, have signed this Agreement.
