- (d) futures, options and other derivatives;

- (g) intellectual property rights;
- (h) any other moveable or immovable, tangible or intangible property, and related property rights, such as leases, mortgages, liens and pledges.

For greater certainty:

(i) returns that are invested shall be treated as investment. Any alteration of the form in which assets are invested or reinvested shall not affect their qualification as investments, provided that the form taken by any investment or reinvestment maintains its compliance with the definition of investment;

(ii) investment does not include an order or judgment entered in a judicial or administrative action.

"freely convertible currency" means a currency, which can be freely exchanged against currencies, which are widely traded in international foreign exchange markets and widely used in international transactions;

(1) For greater certainty, the shipping companies mentioned in this definition are only considered as juridical persons of a Party with respect to their activities relating to the supply of maritime transport services.

(2) In line with its notification of the Treaty establishing the European Community to the WTO (WT/REG39/1), the European Union understands that the concept of "effective and continuous link" with the economy of a Member State of the European Union enshrined in Article 54 of the TFEU is equivalent to the concept of "substantive business operations".

(3) The term "acquisition" shall be understood as including capital participation in a juridical person with a view to establishing or maintaining lasting economic links.

(4) For greater certainty, whether a concession, licence, authorisation, permit or similar instrument has the characteristics of an investment depends inter alia on factors such as the nature and extent of the rights that the holder has under that Party's law.

Article 10.2. Right to Regulate

The Parties reaffirm the right to regulate within their territories to achieve legitimate policy objectives, such as the protection of public health, social services, education, safety, environment, including climate change, or public morals, social or consumer protection, privacy and data protection or the promotion and protection of cultural diversity.

Article 10.3. Scope Exclusions

Article 10.4. Relation to other Chapters

1. In the event of inconsistency between this Chapter and the Financial Services Chapter, the latter shall prevail to the extent of the inconsistency.

2. A requirement of a Party that a service supplier of another Party post a bond or other form of financial security as a condition for the cross-border supply of a service in its territory, does not of itself make this Chapter applicable to such cross-border supply of that service. This Chapter applies to measures adopted or maintained by the Party relating to the bond or financial security, when such bond or financial security constitutes a covered investment.

Section B. LIBERALISATION OF INVESTMENTS AND NON-DISCRIMINATION

Article 10.5. Scope

1. This Section applies to measures adopted or maintained by a Party affecting the establishment of an enterprise or the operation of a covered investment in all economic activities by an investor of the other Party in its territory.

2. The provisions of this Section shall not apply to:

(a) audio-visual services;

(b) national maritime cabotage (5); and

(c) domestic and international air services (6), whether scheduled or non-scheduled, and services directly related to the exercise of traffic rights, other than:

(i) aircraft repair and maintenance services during which an aircraft is withdrawn from service;

(ii) the selling and marketing of air transport services;

(iii) computer reservation system (CRS) services;

(iv) groundhandling services.

3. The provisions of Articles 10.5 (Market Access), 10.6 (National Treatment), 10.8 (Most-Favoured-Nation Treatment), 10.9 (Performance Requirements) and 10.10 (Senior Management and Boards of Directors) shall not apply with respect to government procurement.

4. The provisions of Articles 10.5 (Market Access), 10.6 (National Treatment), 10.8 (Most-Favoured-Nation Treatment) and 10.10 (Senior Management and Boards of Directors) shall not apply with respect to subsidies granted by the Parties,

including government- supported loans, guarantees and insurances.

(5) Without prejudice to the scope of activities which may be considered as cabotage under the relevant national legislation, national maritime cabotage under this Chapter covers transportation of passengers or goods between a port or point located in Chile or a Member State of the European Union and another port or point located in Chile or that same Member State of the European Union, including on its continental shelf, as provided in the UN Convention on the Law of the Sea, and traffic originating and terminating in the same port or point located in Chile or a Member State of the European Union.

(6) For greater certainty, Air services or related services in support of air services include, but are not limited to, the following services: air transportation; services provided by using an aircraft whose primary purpose is not the transportation of goods or passengers, such as aerial fire-fighting flight training, sightseeing, spraying, surveying mapping, photography, parachute jumping, glider towing, helicopter-lift for logging and construction, and other airborne agricultural, industrial and inspection services; the rental of aircraft with crew; and airport operation services.

Article 10.6. Market Access

1. In the sectors or subsectors where market access commitments are undertaken, neither Party shall adopt or maintain, with respect to market access through establishment or operation by investors of the other Party or by enterprises constituting covered investments, either on the basis of its entire territory or on the basis of a territorial sub-division, a measure that:

(a) limits the number of enterprises that may carry out a specific economic activity, whether in the form of numerical quotas, monopolies, exclusive rights or the requirements of an economic needs test;

(b) limits the total value of transactions or assets in the form of numerical quotas or the requirement of an economic needs test;

(c) limits the total number of operations or on the total quantity of output expressed in terms of designated numerical units in the form of quotas or the requirement of an economic needs test; (7)

(d) restricts or requires specific types of legal entity or joint venture through which an investor of the other Party may carry out an economic activity;

(e) limits the total number of natural persons that may be employed in a particular sector or that an enterprise may employ and who are necessary for, and directly related to, the performance of economic activity in the form of numerical quotas or the requirement of an economic needs test.

(7) Subparagraphs 1 (a), (b), and (c) do not cover measures taken in order to limit the production of an agricultural or fishery product.

Article 10.7. National Treatment

1. Each Party shall accord to investors of the other Party and to enterprises constituting covered investments treatment no less favourable than the treatment it accords, in like situations (8), to its own investors and to their enterprises with respect to the establishment in its territory.

2. Each Party shall accord to investors of the other Party and to covered investments, with respect to operation in its territory, treatment no less favourable than the treatment it accords, in like situations (9), to its own investors and to their investments.

3. The treatment accorded by a Party under paragraphs 1 and 2 means:

(a) with respect to a regional or local government of Chile, treatment no less favourable than the most favourable treatment accorded in like situations by that level of government to investors of Chile and to their investments in its territory;

(b) with respect to a government of or in a Member State of the EU, treatment no less favourable than the most favourable treatment accorded in like situations by that government to investors of that Member State and to investments of such investors in its territory (10).

(8) For greater certainty, whether treatment is accorded in "like situations" requires a case-by-case, fact-based analysis and depends on the totality of the situations.

(9) For greater certainty, whether treatment is accorded in "like situations" requires a case-by-case, fact-based analysis and depends on the totality of the situations

(10) For greater certainty, the treatment accorded by a government of or in a Member State of the EU includes the regional and local level of government, when applicable.

Article 10.8. Public Procurement

1. Each Party shall ensure that enterprises of the other Party established in its territory are accorded treatment no less favourable than that accorded, in like situations, to its own enterprises with respect to any measure regarding the purchase of goods or services by a procuring entity for governmental purposes.

2. The application of the national treatment obligation provided for in this Article remains subject to security and general exceptions as defined in Article x of the GP Chapter of this Agreement.

Article 10.9. Most Favoured Nation Treatment

1. Each Party shall accord to investors of the other Party and to enterprises constituting covered investments, treatment no less favourable than the treatment it accords, in like situations (11), to investors and their enterprises of any non-Party with respect to the establishment of enterprises in its territory.

2. Each Party shall accord to investors of the other Party and to covered investments, treatment no less favourable than the treatment it accords, in like situations (12), to investors and investments of any non-Party with respect to the operation of investments in its territory.

3. Paragraphs 1 and 2 shall not be construed to oblige a Party to extend to the investors of the other Party or to covered investments the benefit of any treatment resulting from:

(a) reference to double taxation agreements in case not covered by horizontal provisions in the Agreement]

(b) measures providing for recognition, including of the standards or criteria for the authorisation, licencing, or certification of a natural person or enterprise to carry out an economic activity, or of prudential measures.

4. For greater certainty the "treatment" referred to in paragraphs 1 and 2 does not include investment dispute resolution procedures or mechanisms provided for in other international investment treaties and other trade agreements. The substantive provisions in other international investment or trade agreements do not in themselves constitute "treatment" as referred to in paragraphs 1 and 2, and thus cannot give rise to a breach of this Article, absent measures adopted or maintained by a Party. Measures applied pursuant to such substantive provisions may constitute "treatment" under this Article.

(11) For greater certainty, whether treatment is accorded in "like situations" requires a case-by-case, fact-based analysis and depends on the totality of the situations.

(12) For greater certainty, whether treatment is accorded in "like situations" requires a case-by-case, fact-based analysis and depends on the totality of the situations.

Article 10.10. Performance Requirements

1. Neither Party may, in connection with the establishment of any enterprise or the operation of any investment of a Party or of a non-Party in its territory, impose or enforce any requirement, or enforce any commitment or undertaking to:

(a) export a given level or percentage of goods or services;

(b) achieve a given level or percentage of domestic content;

(c) purchase, use or accord a preference to goods produced or services provided in its territory, or to purchase goods or services from natural persons or enterprises in its territory;

(d) relate in any way the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with such investment;

(e) restrict sales of goods or services in its territory that such investment produces or provides by relating such sales in any way to the volume or value of its exports or foreign exchange earnings;

(f) transfer technology, a production process or other proprietary knowledge to a natural person or an enterprise in its territory;

(g) supply exclusively from the territory of the Party the goods it produces or the services it supplies to a specific regional or world market;

(h) locate the headquarters of that investor for a specific region of the world, which is broader than the territory of the Party or the world market in its territory;

(i) hire a given number or percentage of its nationals;

(j) restrict the exportation or sale for export;

(k) adopt:

(i) a given rate or amount of royalty below a certain level under a licence contract; or

(ii) a given duration of the term of a licence contract,

in regard to any licence contract in existence at the time the requirement is imposed or enforced, or any commitment or undertaking is enforced, or any future licence contract (13) freely entered into between the investor and a natural or juridical person or any other entity in its territory, provided that the requirement is imposed or the commitment or undertaking is enforced in a manner that constitutes a direct interference with that licence contract by an exercise of non-judicial governmental authority of a Party. For greater certainty, paragraph (k) does not apply when the licence contract is concluded between the investor and a Party.

2. Neither Party may condition the receipt or continued receipt of an advantage, in connection with the establishment of an enterprise or the operation of an investment in its territory, of a Party or of a non-Party, on compliance with any of the following requirements:

(a) to achieve a given level or percentage of domestic content;

(b) to purchase, use or accord a preference to goods produced or services provided in its territory, or to purchase goods or services from natural persons or enterprises in its territory;

(c) to relate in any way the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with such investment;

(d) to restrict sales of goods or services in its territory that such investment produces or provides by relating such sales in any way to the volume or value of its exports or foreign exchange earnings or

(e) to restrict the exportation or sale for export.

3. Paragraph 2 shall not be construed as preventing a Party from conditioning the receipt or continued receipt of an advantage, in connection with investments in its territory by an investor of a Party or a non-Party, on compliance with a requirement to locate production, provide a service, train or employ workers, construct or expand particular facilities, or carry out research and development in its territory.

4. Paragraph 1 (f) and (k) does not apply:

(a) if a Party authorises use of an intellectual property right in accordance with Article 31 or article 31 bis of the TRIPS Agreement or adopts or maintains measures requiring the disclosure of data or propriety information that fall within the scope of, and are consistent with, paragraph 3 of Article 39 of the TRIPS Agreement; or

(b) if the requirement is imposed or the commitment or undertaking is enforced by a court, administrative tribunal, or

competition authority to remedy a practice determined after judicial or administrative process to be a violation of the Party's competition laws.

5. Paragraphs 1 (a), 1 (b), 1 (c), 2 (a) and 2 (b) do not apply to qualification requirements for goods or services with respect to participation in export promotion and foreign aid programmes;

6. Paragraphs 2 (a) and 2 (b) do not apply to requirements imposed by an importing Party relating to the content of goods necessary to qualify for preferential tariffs or preferential quotas.

7. For greater certainty, this Article shall not be construed as requiring a Party to permit a particular service to be supplied on a cross-border basis where that Party adopts or maintains restrictions or prohibitions on such provision of services which are consistent with the reservations, conditions or qualifications specified with respect to a sector, subsector or activity listed in Annex XX (annexes with non-conforming measures of MA restrictions).

8. This Article is without prejudice to commitments of a Party made under the WTO Agreement.

(13) A licence contract referred to in this paragraph means a contract concerning the licencing of technology, production process, or other proprietary knowledge.

Article 10.11. Senior Management and Boards of Directors

A Party shall not require that an enterprise of that Party that is a covered investment appoints natural persons of a particular nationality as members of boards of directors, or to a senior management position, such as executives or managers.

Article 10.12. Non-Conforming Measures

1. Articles 10.7 (National Treatment), 10.9 (Most Favoured Nation Treatment), 10.10 (Performance Requirements) and 10.11 (Senior Management and Boards of Directors), do not apply to:

(a) any existing non-conforming measure that is maintained by:

For the European Union:

(i) the European Union, as set out in Annex I;

(ii) a central government of a Member State of the EU, as set out in Annex I;

(iii) a regional level of government of a Member State of the EU, as set out in Annex I; or

(iv) a local level of government; and

For Chile:

(i) the central government or a regional level of government, as set out in Annex I;

(ii) a local level of government;

(b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or

(c) a modification to any non-conforming measure referred to in subparagraph (a), to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the modification, with Articles 10.7 (National Treatment), 10.9 (Most Favoured Nation Treatment) or 10.10 (Performance Requirements) and 10.11 (Senior Management and Boards of Directors).

2. Articles 10.7 (National Treatment), 10.9 (Most Favoured Nation Treatment), 10.10 (Performance Requirements) and 10.11 (Senior Management and Board of Directors), do not apply to measures of a Party which are consistent with a reservation listed in Annex II.

3. Neither Party may, under any measure adopted after the date of entry into force of this Agreement and covered by its Schedule to Annex I, require an investor of the other Party, by reason of its nationality, to sell or otherwise dispose of an investment existing at the time the measure becomes effective.

4. Article 10.6 (Market Access) does not apply to any measure of a Party which is consistent with a reservation listed in

Annex II.

5. Articles 10.7 (National Treatment) and 10.9 (Most-Favoured-Nation Treatment) shall not apply to any measure that constitutes an exception to or derogation from, Articles 3 or 4 of the TRIPS Agreement, as specifically provided in Articles 3 to 5 of the TRIPS Agreement.

6. For greater certainty, articles 10.7 (National Treatment) and 10.9 (Most Favoured Nation Treatment) shall not be construed as preventing a Party from prescribing information requirements including for statistical purposes in connection with the establishment or operation of investors of the other Party or of covered investments provided that it does not constitute a means to circumvent that Party's obligations under those articles.

Section C. INVESTMENT PROTECTION

Article 10.13. Scope

This Section applies to measures adopted or maintained by a Party affecting:

- (a) covered investments; and
- (b) investors of a Party with respect to the operation of a covered investment.

Article 10.14. Investment and Regulatory Measures

1. Article 10.2 (Right to Regulate) of this Chapter applies to this Section in accordance with the following paragraphs:

2. The provisions of this Section shall not be interpreted as a commitment from a Party that it will not change its legal and regulatory framework, including in a manner that may negatively affect the operation of covered investments or the investor's expectations of profits.

3. For greater certainty, the mere fact that a subsidy or grant has not been issued, renewed or maintained, or has been modified or reduced, by a Party:

- (a) in the absence of any specific commitment under law or contract to issue, renew or maintain that subsidy or grant; or
- (b) in accordance with any terms or conditions attached to the issuance, renewal, modification, reduction or maintenance of that subsidy or grant,

does not constitute a breach of obligations of this Section (Investment Protection), even if there is loss or damage to the covered investment as a result.

4. For greater certainty, nothing in this Section shall be construed as preventing a Party from discontinuing the granting of a subsidy (14) or requesting its reimbursement, where such action has been ordered by one of its competent authorities listed in [Annex X], or as requiring that Party to compensate the investor therefor.

(14) In the case of the EU, "subsidy" includes "state aid" as defined in EU law.

Article 10.15. Treatment of Investors and of Covered Investments

1. Each Party shall accord in its territory to covered investments of the other Party, and to investors with respect to their covered investments, fair and equitable treatment and full protection and security in accordance with paragraphs [2 to 6].

2. A Party breaches the obligation of fair and equitable treatment referenced in paragraph 1 if a measure or series of measures constitutes (15):

- (a) denial of justice in criminal, civil or administrative proceedings; or
- (b) fundamental breach of due process in judicial and administrative proceedings; or
- (c) manifest arbitrariness; or
- (d) targeted discrimination on manifestly wrongful grounds, such as gender, race or religious belief; or
- (e) abusive treatment of investors, such as coercion, duress, harassment.

3. In determining a breach of paragraph 2, a tribunal may take into account specific and unambiguous representations made to an investor by a Party, and upon which the investor reasonably relied in deciding to make or maintain the covered investment, but that the Party subsequently frustrated.

4. Full protection and security refers to the Party's obligations relating to physical security of investors and covered investments. (16)

5. For greater certainty, a breach of another provision of this Agreement, or of any other international agreement, does not constitute a breach of this Article.

6. The fact that a measure breaches the law of a Party does not, in and of itself, establish a breach of this Article. In order to ascertain whether the measure breaches this Article, the Tribunal shall consider whether a Party has acted inconsistently with paragraphs 1 to 4.

(15) For greater certainty, in determining whether a measure or series of measures amounts to a breach of fair and equitable treatment, a tribunal shall take into account, inter alia, the following: (i) With regard to the subparagraphs 2 (a) and 2 (b), whether the measure or series of measures involves gross misconduct that offends judicial propriety. The mere fact that an investor's challenge of the impugned measure in domestic proceeding has been rejected or dismissed or has otherwise failed does not in itself constitute a denial of justice as referred to in the subparagraph 2 (a). (ii) With regard to the subparagraph 2 (c) and (d), whether the measure or series of measures were patently not founded on reason or fact or were patently founded on illegitimate grounds such as prejudice or bias. The mere illegality, or a merely inconsistent or questionable application of a policy or procedure, does not in itself constitute manifest arbitrariness as referred to in the subparagraph 2 (c), while a total and unjustified repudiation of a law or regulation, or a measure without reason, or a conduct that is specifically targeted to the investor or its covered investment with the purpose of causing damage are likely to constitute manifest arbitrariness as referred to in the subparagraphs 2 (c) and (d). (iii) With regard to the subparagraph 2 (e), whether a Party acted ultra vires, whether the episodes of alleged harassment or coercion were repeated and sustained.

(16) For greater clarity, full protection and security refers to Party's obligations to act as may be reasonably necessary to protect physical security of investors and covered investment.

Article 10.16. Treatment In Case of Strife

1. Investors of a Party whose covered investments suffer losses owing to war or other armed conflict, [revolution] or other civil strife, a state of national emergency (17) in the territory of the other Party shall be accorded by that Party, with respect to restitution, indemnification, compensation or other form of settlement, treatment no less favourable than that accorded by that Party to its own investors, or to the investors of any non-Party.

2. Without prejudice to paragraph 1 of this Article, investors of a Party who, in any of the situations referred to in that paragraph, suffer losses in the territory of the other Party shall be accorded prompt, adequate and effective restitution or compensation by the other Party, if these losses result from:

(a) requisitioning of their covered investment or a part thereof by the latter's armed forces or authorities; or

(b) destruction of their covered investment or a part thereof by the latter's armed forces or authorities, which was not required by the necessity of the situation.

The amount of such compensation shall be determined in accordance with the provisions of paragraph 2 of Article 10.17 (Expropriation), from the date of requisitioning or destruction until the date of actual payment.

(17) For greater certainty, the sole declaration of a state of national emergency does not by itself constitute a breach of this provision.

Article 10.17. Expropriation (18)

1. Neither Party shall nationalise or expropriate a covered investment either directly or indirectly through measures having an effect equivalent to nationalisation or expropriation (hereinafter referred to as "expropriation") except:

(a) for a public purpose;

(b) in a non-discriminatory manner;

(c) on payment of prompt, adequate and effective compensation;

(d) in accordance with due process of law.

2. The compensation referred to in paragraph 1 shall:

(a) be paid without delay;

(b) be equivalent to the fair market value of the expropriated investment at the time immediately before the expropriation took place ("the date of expropriation") or the impending expropriation became known, whichever is earlier;

(c) be fully realisable and freely transferable in any freely convertible currency

(d) include interest at a normal commercial rate from the date of expropriation until the date of payment.

3. The investor affected shall have a right, under the law of the expropriating Party, to prompt review of its claim and of the valuation of its investment, by a judicial or other independent authority of that Party, in accordance with the principles set out in this Article.

4. This Article does not apply to the issuance of compulsory licenses granted in relation to intellectual property rights, or to the revocation, limitation, or creation of such rights, to the extent that such issuance revocation, limitation, or creation is consistent with the Agreement on Trade-Related Aspects of Intellectual Property Rights in Annex 1C to the WTO Agreements ("TRIPS Agreement").⁽¹⁹⁾

⁽¹⁸⁾ For greater certainty, this Article shall be interpreted in accordance with Annex X (Expropriation).

⁽¹⁹⁾ For greater certainty, the term "revocation" of intellectual property rights referred to in this paragraph includes the cancellation or nullification of such rights, and the term "limitation" of intellectual property rights also includes exceptions to such rights.

Article 10.18. Transfers (20)

1. Each Party shall permit all transfers relating to a covered investment to be made in a freely convertible currency, freely and without delay and at the market rate of exchange prevailing on the date of transfer. Such transfers include:

(a) contributions to capital;

(b) profits, dividends, capital gains and other returns, proceeds from the sale of all or any part of the investment or from the partial or complete liquidation of the investment;

(c) interest, royalty payments, management fees, and technical assistance and other fees;

(d) payments made under a contract entered into by the investor, or its investment, including payments made pursuant to a loan agreement;

(e) earnings and other remuneration of personnel engaged from abroad and working in connection with an investment;

(f) payments made pursuant to Article 10.16 (Treatment in Case of Strife) and Article 10.17 (Expropriation); and

(g) payments arising under the application of Section D [Resolution of Investment Disputes and Investment Court System].

2. Neither Party may require its investors to transfer, or penalise its investors for failing to transfer, the income, earnings, profits or other amounts derived from, or attributable to, investments in the territory of the other Party.

⁽²⁰⁾ For greater certainty, this Article is subject to Annex XXX (Transfers).

Article 10.19. Subrogation

If a Party, or any agency designated by the Party, makes a payment to an investor of the Party under a guarantee, a contract of insurance or other form of indemnity that it has entered into with respect to a covered investment, the other Party in whose territory the covered investment was made shall recognise the subrogation or transfer of any rights the investor would have possessed under this Chapter with respect to the covered investment but for the subrogation, and the investor

shall not pursue these rights to the extent of the subrogation.

Article 10.20. Denial of Benefits

A Party may deny the benefits of this Chapter to an investor of the other Party or to a covered investment if the denying Party adopts or maintains measures related to the maintenance of international peace and security, including the protection of human rights, which:

(a) prohibit transactions with that investor or covered investment, or

(b) would be violated or circumvented if the benefits of this Chapter were accorded to that investor or covered investment, including where the measures prohibit transactions with a natural or juridical person who owns or controls either of them.

Article 10.21. Termination

1. In the event that this Agreement is terminated pursuant to Article [X.X] (Duration), this Section and Section C (Resolution of Investment Disputes and Investment Court System) shall continue to be effective for a further period of 5 years from the date of termination, with respect to investments made before the date of termination of the present Agreement.

2. The period referred to in paragraph 1 shall be extended for a single additional period of 5 years, provided that no other investment protection agreement between the Parties is in force.

3. This Article shall not apply in the case where the provisional application of this Agreement is terminated and this Agreement does not enter into force.

Article 10.22. Relationship with other Agreements

1. Upon the entry into force of this Agreement, the agreements between Member States of the European Union and Chile listed in Annex XXXX (Agreements between the Member States of European Union and Chile) including the rights and obligations derived therefrom, shall cease to have effect and shall be replaced and superseded by this Agreement.

2. In the event of the provisional application in accordance with paragraph 4 of Article xxx (Entry into Force), including this Chapter, the application of the agreements listed in Annex XXXX (Agreements between the Member States of the European Union and Chile), as well as the rights and obligations derived therefrom, shall be suspended as of the date of provisional application. In the event that the provisional application of this Agreement is terminated and this Agreement does not enter into force, the suspension shall cease and the agreements listed in Annex XXXX (Agreements between the Member States of the European Union and Chile) shall have effect.]

10. In the event that the request for consultations concerns an alleged breach of the Agreement by the European Union, or by a Member State of the European Union, it shall be sent to the European Union. Where an alleged breach of the Agreement by a Member State of the European Union is identified, it shall also be sent to the Member State concerned.

Subsection 3. Submission of a Claim and Conditions Precedent

Article 10.27. Request for Determination of the Respondent

1. If the dispute cannot be settled within 90 days of the submission of the request for consultations, the request concerns an

alleged breach of the Agreement by the European Union or a Member State of the European Union and the claimant intends to initiate proceedings pursuant to Article 10.29 (Submission of a Claim), the claimant shall deliver a notice to the European Union requesting a determination of the respondent.

2. The notice shall identify the measures in respect of which the claimant intends to initiate proceedings. Where a measure of a Member State of the European Union is identified, such notice shall also be sent to the Member State concerned.

3. The European Union shall, after having made a determination, inform the claimant as soon as possible, and in any case no later than 60 days of the receipt of the notice referred to in paragraph 1, as to whether the European Union or a Member State of the European Union shall be the respondent (24).

4. If the claimant has not been informed of the determination within 60 days after delivering the notice referred to in paragraph 1, the respondent shall be:

(a) the Member State, if the measure or measures identified in the notice are exclusively measures of a Member State of the European Union; or

(b) the European Union, if the measure or measures identified in the notice include measures of the European Union.

5. If the claimant submits a claim pursuant to Article 10.29 (Submission of a Claim), it shall do so on the basis of such determination and, if no such determination has been communicated to the investor, on the basis of the application of paragraph 4.

6. Where either the European Union or a Member State of the European Union acts as respondent following a determination made pursuant to paragraph 3, neither the European Union nor the Member State concerned may assert the inadmissibility of the claim, lack of jurisdiction of the Tribunal or otherwise assert that the claim or award is unfounded or invalid on the ground that the proper respondent should be or should have been the European Union rather than the Member State or vice versa.

7. The Tribunal and the Appeal Tribunal shall be bound by the determination made pursuant to paragraph 3 and, if no such determination has been communicated to the claimant, the application of paragraph 4.

8. Nothing in this Agreement or the applicable rules on dispute settlement shall prevent the exchange of all information relating to a dispute between the European Union and the Member State concerned.

(24) For greater certainty, the European Union shall make such determination solely based on the application of the FRR 912/2014.

Article 10.28. Requirements for a Submission of a Claim

2. The Tribunal shall dismiss a claim by a claimant who has submitted a claim to the Tribunal or to any other domestic or international court or tribunal concerning the same measure as that alleged to be inconsistent with the provisions referred to in Article 10.24 (1) (Scope and Definitions) unless the claimant withdraws such pending claim. This paragraph shall not apply where the claimant submits a claim to a domestic court or tribunal seeking interim injunctive or declaratory relief.

3. For the purposes of this Article, the term "claimant" includes the investor and, if the investor acted on behalf of the locally established enterprise, the locally established enterprise. In addition, for the purposes of paragraphs 1(a) and 2 this Article the term "claimant" also includes:

(a) where the claim is submitted by an investor acting on its own behalf, all persons who, directly or indirectly, have an

ownership interest in or are controlled by the investor; or

(25)

(25) For greater certainty, the same loss or damage means loss or damage flowing from the same measure which the person seeks to recover in the same capacity as the claimant (e.g. if the claimant sues as a shareholder, this provision would cover a related person also pursuing recovery as a shareholder).

Article 10.29. Submission of a Claim

3. The rules on dispute settlement referred to in paragraph 2 shall apply subject to the rules set out in this Chapter, as supplemented by any rules adopted by the [...] Committee.
4. All the claims identified by the claimant in the submission of its claim pursuant to this Article must be based on information identified in its request for consultations pursuant to Article 10.26 (4) (c) and (d) (Consultations and amicable resolution).

Claims submitted in the name of a class composed of a number of unidentified claimants, or submitted by a representative intending to conduct the proceedings in the interests of a number of identified or unidentified claimants that delegate all decisions relating to the proceedings on their behalf, shall not be admissible.
6. For greater certainty, a claimant may not submit a claim under this Section if its investment has been made through fraudulent misrepresentation, concealment, corruption, or conduct amounting to an abuse of process.

Article 10.30. Counterclaims

1. The respondent may submit a counterclaim on the basis of an investor's failure to comply with an international obligation applicable in the territories of both Parties, (26) arising in connection with the factual basis of the claim. (27)
2. The counterclaim shall be submitted no later than in the Respondent's counter-memorial or statement of defence, or at a later stage in the proceedings if the Tribunal decides that the delay was justified under the circumstances.
3. For greater certainty, claimant's consent to the procedures under this Section includes the submission of counterclaims by the respondent.

(26) For greater certainty, the obligations referred to in this paragraph shall be based on legal commitments that the Parties have consented to.

(27) The Joint Council/Committee shall, at the request of a Party, issue binding interpretations pursuant to article [insert] to clarify the scope of international obligations that are referred to in this paragraph.

Article 10.31. Consent

1. The respondent consents to the submission of a claim under this Section.
2. The consent under paragraph 1 and the submission of a claim under this Section shall be deemed to satisfy the requirements of:

3. The claimant is deemed to give consent in accordance with the procedures provided for in this Section at the time of submitting a claim pursuant to Article 10.29 (Submission of a Claim).

Article 10.32. Third Party Funding

1. If a disputing party has received or is receiving third party funding, or has arranged to receive third party funding, the disputing party benefiting from it shall disclose to the other disputing party and to the division of the Tribunal, or where the division of the Tribunal is not established, to the President of the Tribunal, the name and address of the third party funder, and where applicable, ultimate beneficial owner and corporate structure.
2. This disputing party shall make the disclosure under paragraph 1 at the time of submission of a claim, or, if the third party funding is arranged after the submission of a claim, without delay, as soon as the arrangement is concluded or the donation or grant is made. The disputing party shall immediately notify the tribunal of any changes to the information disclosed.

The respondent shall give sympathetic consideration to such a request from the claimant, in particular where the compensation or damages claimed are relatively low. Such a request should be made at the same time as the filing of the claim pursuant to Article 10.29 (Submission of a Claim).

A person who is serving on a division of the Tribunal when his or

her term expires may, with the authorization of the President of the Tribunal, continue to serve on the division until the closure of the proceedings of that division and shall, for that purpose only, be deemed to continue to be a Member of the Appeal Tribunal.

11. In order to ensure their availability, the Members of the Appeal Tribunal shall be paid a monthly retainer fee and receive a fee for each day worked as a Member, to be determined by decision of the [...] Committee. The President of the Appeal Tribunal and, where applicable, the Vice-President, shall receive a fee for each day worked in fulfilling the functions of President of the Appeal Tribunal pursuant to this Section.

12. The remuneration of the Members shall be paid by both Parties taking into account their respective levels of development into an account managed by the Secretariat of ICSID. The Committee shall regularly review the amount and repartition of the abovementioned fees and may recommend relevant adjustments.

13. Upon a decision by the [...] Committee, the retainer fee and the fees for days worked may be permanently transformed into a regular salary. In such an event, the Members of the Appeal Tribunal shall serve on a full-time basis and the [...] Committee shall fix their remuneration and related organisational matters. In so doing they shall comply with Annex [numbering tbd] (Code of Conduct for Members of the Tribunal, the Appeal Tribunal and Mediators). In addition, upon appointment, they shall refrain from acting as counsel or as party-appointed expert or witness in any pending or new investment dispute under this or any other agreement or domestic law.

The notice of challenge shall be sent within 15 days of the date on which the composition of the division of the Tribunal or of the Appeal Tribunal has been communicated to the disputing party, or within 15 days of the date on which the relevant facts came to its knowledge, if they could not have reasonably been known at the time of composition of the division. The notice of challenge shall state the grounds for the challenge.

3. If, within 15 days from the date of the notice of challenge, the challenged Judge or Member has elected not to resign from that division, the President of the Tribunal or the President of the Appeal Tribunal, respectively, shall, after hearing the disputing parties and after providing the Judge or the Member an opportunity to submit any observations, issue a decision within 45 days of receipt of the notice of challenge and forthwith notify the disputing parties and other Judges or Members

4. Challenges against the appointment to a division of the President of the Tribunal shall be decided by the President of the Appeal Tribunal and vice-versa.

5. Upon reasoned recommendation from the President of the Appeal Tribunal, (29) the Parties, by decision of the [...] Committee, may decide to remove a Judge from the Tribunal or a Member from the Appeal Tribunal where their behaviour is inconsistent with the obligations set out in paragraph 1 and incompatible with their continued membership of the Tribunal or Appeal Tribunal. If the behaviour in question is alleged to be that of the President of the Appeal Tribunal then the President of the Tribunal of First Instance shall submit the reasoned recommendation. Articles 10.33 (2) (Tribunal of First Instance ("Tribunal")) and 10.34 (2) (Appeal Tribunal) shall apply mutatis mutandis for filling vacancies that may arise pursuant to this paragraph.

(28) For greater certainty, the fact that a person receives an income from the government, or was formerly employed by the government, or has a family relationship with a government official, does not in itself render that person ineligible.

(29) This recommendation is without prejudice to the ability of the Committee to draw the attention of the President of the Appeal Tribunal to the behaviour of a Judge from the Tribunal or a Member from the Appeal Tribunal that may be inconsistent with the obligations set out in paragraph 1 and incompatible with their continued membership of the Tribunal or Appeal Tribunal.

Article 10.36. Multilateral Dispute Settlement Mechanisms

The Parties shall endeavor to cooperate for the establishment of a multilateral investment tribunal and appellate mechanism for the resolution of investment disputes. Upon the entry into force between the Parties of an international agreement providing for such a multilateral mechanism applicable to disputes under this Agreement, the relevant parts of this Section shall cease to apply. The [...] Committee may adopt a decision specifying any necessary transitional arrangements.

Subsection 5. Conduct of Proceedings

Article 10.37. Applicable Law and Rules of Interpretation

1. The Tribunal shall determine whether the measure in respect of which the claimant is submitting a claim is inconsistent with any of the provisions referred to in Article 10.24 (1) (Scope and Definitions).

2. In making such determination, the Tribunal shall apply the provisions of this Agreement and other rules of international law applicable between the Parties. It shall interpret this Agreement in accordance with customary rules of interpretation of public international law, as codified in the Vienna Convention on the Law of Treaties.

3. For greater certainty, in determining the consistency of a measure with the provisions referred to in Article 10.24 (1) (Scope and Definitions), the Tribunal shall consider, when relevant, the domestic law of a Party as a matter of fact. In doing so, the Tribunal shall follow the prevailing interpretation given to the domestic law by the courts or authorities of that Party and any meaning given to domestic law by the Tribunal shall not be binding upon the courts or authorities of that Party.

4. For greater certainty, the Tribunal shall not have jurisdiction to determine the legality of a measure alleged to constitute a breach of the provisions referred to in Article 10.24 (1) (Scope and Definitions) under the domestic law of the disputing Party.

5. For greater certainty, if an investor of a Party submits a claim under this Section, including a claim alleging that a Party breached Article 10.15 (Treatment of Investors and Covered Investment), the investor has the burden of proving its claims, consistent with general principles of international law applicable to the dispute.

6. Where serious concerns arise as regards matters of interpretation relating to [the Investment Protection (30) or the Resolution of Investment Disputes and Investment Court System Section of this Agreement], the [...] Committee may adopt decisions interpreting this Agreement. Any such interpretation shall be binding on the Tribunal and the Appeal Tribunal. The [...] Committee may decide that an interpretation shall have binding effect from a specific date.

(30) As referred to in Article 2.19 (Scope and Definitions).

Article 10.38. Interpretation of Annexes

Following a request for consultations pursuant to Article 10.26(3) (Consultations and amicable resolution), the respondent may request in writing to the [Committee] that it determines whether and, if so, to what extent the measure which is the subject of the request for consultations falls within the scope of a non-conforming measure set out in Annex [numbering tbd] (Reservations for Existing Measures) or Annex [numbering tbd] (Reservations for Future Measures). This referral shall be made as soon as possible after the reception of the request for consultations. Upon the referral to the [Committee] the periods of time referred to in Article [...] shall be suspended. The [Committee] shall attempt in good faith to make a determination. Any such determination shall be transmitted promptly to the disputing parties. If the [Committee] has not made a determination within three months after the referral of the matter, the suspension of the periods of time referred to above ceases to apply.

Article 10.39. Other Claims

Where claims are brought pursuant to this Section and Section X (State to State dispute settlement) or another international agreement concerning the same alleged breach referred to in Article 10.24 (1) (Scope and Definitions), and there is a potential for overlapping compensation; or the other international claim could have a significant impact on the resolution of the claim brought pursuant to this Section, the Tribunal shall, where relevant, after hearing the disputing parties, take into account proceedings pursuant to Section X (State to State dispute settlement) or another international agreement in its decision, order or award. To this end, it may also stay its proceedings. In acting pursuant to this provision the Tribunal shall respect Article 10.53 (10) (Provisional Award).

Article 10.40. Anti-Circumvention

For greater certainty, the Tribunal shall decline jurisdiction where the dispute had arisen, or was reasonably foreseeable, at the time when the claimant acquired ownership or control of the investment subject to the dispute or engaged in a corporate restructure and the Tribunal determines, on the basis of the facts of the case, that the claimant has acquired ownership or control of the investment or engaged in the corporate restructure for the main purpose of submitting the claim under this Section. The possibility to decline jurisdiction in such circumstances is without prejudice to other jurisdictional objections which could be entertained by the Tribunal.

Article 10.41. Claims Manifestly without Legal Merit

1. The respondent may, no later than 30 days after the constitution of the division of the Tribunal pursuant to Article 10.33 (7) (Tribunal of First Instance (Tribunal)), and in any event before the first session of the division of the Tribunal, or 30 days after the respondent became aware of the facts on which the objection is based, file an objection that a claim is manifestly without legal merit.
2. The respondent shall specify as precisely as possible the basis for the objection.
3. The Tribunal, after giving the disputing parties an opportunity to present their observations on the objection, shall, at the first session of the division of the Tribunal or promptly thereafter, issue a decision or provisional award on the objection, stating the grounds therefor. In the event that the objection is received after the first session of the division of the Tribunal, the Tribunal shall issue such decision or provisional award as soon as possible, and no later than 120 days after the objection was filed. In deciding the objection, the Tribunal shall assume the facts as alleged by the claimant to be true, and may also consider any relevant facts not in dispute.
4. The decision of the Tribunal shall be without prejudice to the right of a disputing party to object, pursuant to Article 10.42 (Claims Unfounded as a Matter of Law) or in the course of the proceeding, to the legal merits of a claim and without prejudice to the Tribunal's authority to address other objections as a preliminary question.

Article 10.42. Claims Unfounded as a Matter of Law

1. Without prejudice to the Tribunal's authority to address other objections as a preliminary question or to a respondent's right to raise any such objections at any appropriate time, the Tribunal shall address and decide as a preliminary question any objection by the respondent that, as a matter of law, a claim, or any part thereof, submitted under this Section is not a claim for which an award in favour of the claimant may be made under Article 10.53 (Provisional Award), even if the facts as alleged by the claimant were assumed to be true. The Tribunal may also consider any relevant facts not in dispute.

2. An objection under paragraph 1 shall be submitted to the Tribunal as soon as possible after the division of the Tribunal is constituted, and in no event later than the date the Tribunal fixes for the respondent to submit its counter-memorial or statement of defence. An objection may not be submitted under paragraph 1 as long as proceedings under Article 10.41 (Claims manifestly without legal merit) are pending, unless the Tribunal grants leave to file an objection under this Article, after having taken due account of the circumstances of the case.

3. On receipt of an objection under paragraph 1, and unless it considers the objection manifestly unfounded, the Tribunal shall suspend any proceedings on the merits, establish a schedule for considering the objection consistent with any schedule it has established for considering any other preliminary question, and issue a decision or provisional award on the objection, stating the grounds therefor.

Article 10.43. Transparency

1. The "UNCITRAL Transparency Rules" shall apply to disputes under this Section mutatis mutandis, with the following additional obligations.

2. The following documents shall be included in the list of documents referred to in Article 3(1) of the UNCITRAL Transparency Rules: the agreement to mediate referred to in Article 10.25, the request for consultations referred to in Article 10.26, the notice requesting a determination of the respondent and the determination of the respondent referred to in Article 10.27, the notice of challenge and the decision on this challenge referred to in Article 10.35, and the consolidation request referred to in Article 10.52 [para xx].

3. For greater certainty, exhibits may be made available to the public in accordance with Article 3.3 of the of the UNCITRAL Transparency Rules.

4. Notwithstanding Article 2 of the UNCITRAL Transparency Rules, the European Union or Chile as the case may be shall make publicly available in a timely manner and prior to the constitution of the division, the request for consultations referred to in Article 10.26 (Consultations and amicable resolution), the request for determination of the Respondent and the determination of the Respondent referred to in Article 10.27 (Request for Determination of the Respondent), subject to the redaction of confidential or protected information. Such documents may be made publicly available by communication to the repository referred to in the UNCITRAL Transparency Rules.

5. Any disputing party that intends to use information in a hearing that is designated as confidential or protected information shall so advise the tribunal.

6. Any disputing party claiming that certain information constitutes protected or confidential information, shall clearly designate it as such when it is submitted to the tribunal.

7. For greater certainty, nothing in this Section requires the respondent to withhold from the public information required to be disclosed by its law.

Article 10.44. Interim Measures

The Tribunal may order an interim measure of protection to preserve the rights of a disputing party or to ensure that the Tribunal's jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party or to protect the Tribunal's jurisdiction. The Tribunal may not order the seizure of assets nor may it prevent the application of the treatment alleged to constitute a breach.

Article 10.45. Discontinuance

If, following the submission of a claim under this Section, the claimant fails to take any steps in the proceeding during 180 consecutive days or such periods as the disputing parties may agree, the claimant shall be deemed to have withdrawn its claim and to have discontinued the proceedings. The Tribunal shall, at the request of the respondent, and after notice to the disputing parties, take note of the discontinuance in an order and issue an award on costs. After such an order has been rendered the authority of the Tribunal shall lapse. The claimant may not subsequently submit a claim on the same matter.

Article 10.46. Security for Costs

1. For greater certainty, upon request by the respondent, the Tribunal may order the claimant to provide security for all or a part of the costs if there are reasonable grounds to believe that the claimant risks not being able to honour a possible decision on costs issued against it.

2. If the security for costs is not provided in full within 30 days after the Tribunal's order or within any other time period set by the Tribunal, the Tribunal shall so inform the disputing parties. The Tribunal may order the suspension or termination of the proceedings.

3. The Tribunal shall consider all evidence adduced in relation to the circumstances in paragraph (1), including the existence of third-party funding.

Article 10.47. The Non-Disputing Party to the Agreement

1. The respondent shall, within 30 days after receipt or promptly after any dispute concerning confidential or protected information has been resolved, (31) deliver to the non-disputing Party:

(a) a request for consultations referred to in Article 10.26 (Consultations and amicable resolution), a notice requesting a determination referred to in Article 10.27 (Request for Determination of the Respondent), a claim referred to in Article 10.29 (Submission of a Claim) and any other documents that are appended to such documents;

(b) on request:

(i) pleadings, memorials, briefs, requests and other submissions made to the Tribunal by a disputing party;

(ii) written submissions made to the Tribunal by a third person;

(iii) minutes or transcripts of hearings of the Tribunal, where available; and

(iv) orders, awards and decisions of the Tribunal.

(c) on request and at the cost of the non-disputing Party, all or part of the evidence that has been submitted to the Tribunal.

2. The non-disputing Party has the right to attend a hearing held under this Section.

3. The Tribunal shall accept or, after consultation with the disputing parties, may invite written or oral submissions on issues relating to the interpretation of this Agreement from the non-disputing Party. The Tribunal shall ensure that the disputing parties are given a reasonable opportunity to present their observations on any submission by the non-disputing Party.

(31) For greater certainty, the term confidential or protected information shall be understood as defined in and determined pursuant to Article 7 of the UNCITRAL Transparency Rules.

Article 10.48. Intervention by Third Parties

1. The Tribunal shall permit any natural or legal person which can establish a direct and present interest in the specific circumstances of the dispute (the intervener) to intervene as a third party. The intervention shall be limited to supporting, in whole or in part, the legal position of one of the disputing parties.

2. An application to intervene must be lodged within 90 days of the publication of submission of the claim pursuant to Article 10.29 (Submission of a Claim). The Tribunal shall rule on the application within 90 days, after giving the disputing parties an opportunity to submit their observations.

3. If the application to intervene is granted, the intervener shall receive a copy of every procedural order served on the disputing parties, save, where applicable, confidential or protected information. The intervener may submit a statement in intervention within a time period set by the Tribunal after the communication of the procedural orders. The disputing parties shall have an opportunity to reply to the statement in intervention. The intervener shall be permitted to attend the hearings held under this Chapter and to make an oral statement.

4. In the event of an appeal, a natural or legal person who has intervened before the Tribunal shall be entitled to intervene before the Appeal Tribunal. Paragraph 3 shall apply mutatis mutandis.

5. The right of intervention conferred by this Article is without prejudice to the possibility for the Tribunal to accept amicus curiae briefs from third persons that have a significant interest in the proceedings in accordance with Article 4 of the UNCITRAL Transparency Rules.

6. For greater certainty, the fact that a natural or legal person is a creditor of the claimant shall not be considered as sufficient in itself to establish that it has a direct and present interest in the result of the dispute.

Article 10.49. Expert Reports

Without prejudice to the appointment of other kinds of experts where authorised by the applicable rules referred to in Article 10.29 (Submission of a claim) paragraph 2, a tribunal, the request of a disputing party or, after consulting the disputing parties, on its own initiative, may appoint one or more experts to report to it in writing on any factual issue concerning environmental, health, safety, or other matters raised by a disputing party in a proceeding.

Article 10.50. Indemnification and other Compensation

The Tribunal shall not accept as a valid defence or similar claim the fact that the claimant or the locally established enterprise has received, or will receive indemnification or other compensation pursuant to an insurance or guarantee contract in respect of all or part of the compensation sought in a dispute initiated pursuant to this Section.

Article 10.51. Role of the Parties to the Agreement

1. No Party shall bring an international claim, in respect of a dispute submitted pursuant to Article 10.29 (Submission of a Claim) unless the other Party has failed to abide by and comply with the award rendered in such dispute. This shall not exclude the possibility of dispute settlement under Section X (State to State dispute settlement) in respect of a measure of general application even if that measure is alleged to have violated the Agreement as regards a specific investment in respect of which a dispute has been initiated pursuant to Article 10.29 (Submission of a Claim). This is without prejudice to Article 10.47 (The Non-Disputing Party to the Agreement).

2. Paragraph 1 does not preclude informal exchanges for the sole purpose of facilitating a settlement of the dispute.

Article 10.52. Consolidation

1. In the event that two or more claims that have been submitted separately under this Section have a question of law or fact in common and arise out of the same events and circumstances, the respondent may submit to the President of the Tribunal a request for the consolidated consideration of all such claims or part of them. The request shall stipulate:

- (a) the names and addresses of the disputing parties to the claims sought to be consolidated;
- (b) the scope of the consolidation sought; and
- (c) the grounds for the request sought.

The respondent shall also deliver the request to each claimant in a claim which the respondent seeks to consolidate.

2. In the event that all disputing parties to the claims sought to be consolidated agree on the consolidated consideration of the claims, the disputing parties shall submit a joint request to the President of the Tribunal pursuant to paragraph 1. Unless the President of the Tribunal determines that the request is manifestly unfounded, the President of the Tribunal shall, within 30 days after receiving such joint request, constitute a new division (the "consolidating division") of the Tribunal pursuant to Article 10.33 (Tribunal of First Instance ("Tribunal")) which shall have jurisdiction over some or all of the claims, in whole or in part, which are subject to the joint consolidation request.

3. In the event that the disputing parties referred to in paragraph 2 have not reached an agreement on consolidation within thirty days of the receipt of the request for consolidation referred to in paragraph 1 by the last claimant to receive it, the President of the Tribunal shall constitute a consolidating division of the Tribunal pursuant to Article 10.33 (Tribunal of First Instance ("Tribunal")). The consolidating division shall assume jurisdiction over some or all of the claims, in whole or in part, if, after considering the views of the disputing parties, it is satisfied that claims submitted pursuant to Article 10.29 (Submission of a Claim) have a question of law or fact in common and arise out of the same events or circumstances, and consolidation would best serve the interests of fair and efficient resolution of the claims including the interest of consistency of awards.

4. If the claimants have not agreed upon the dispute settlement rules from the list contained in Article 10.29 (Submission of a Claim) paragraph 2 within 30 days after the date of receipt of the request for consolidated consideration by the last claimant to receive it, the consolidated consideration of the claims shall be submitted to the consolidating division of the Tribunal under application of the UNCITRAL Arbitration Rules subject to the rules set out in this Chapter.

5. Divisions of the Tribunal constituted under Article 10.33 (Tribunal of First Instance ("Tribunal")) shall cede jurisdiction in relation to the claims, or parts thereof, over which the consolidating division has jurisdiction and the proceedings of such

divisions shall be suspended. The award of the consolidating division of the Tribunal in relation to the parts of the claims over which it has assumed jurisdiction shall be binding on the divisions which have jurisdiction over the remainder of the claims, as of the date the award becomes final pursuant to Article 10.52 (Final Award).

6. A claimant whose claim is subject to consolidation may withdraw its claim or the part thereof subject to consolidation from the dispute settlement proceedings under this Article and such claim or part thereof may not be resubmitted under Article 10.29 (Submission of a Claim).

7. At the request of the respondent, the consolidating division of the Tribunal, on the same basis and with the same effect as paragraphs 3 and 6 above, may decide whether it shall have jurisdiction over all or part of a claim falling within the scope of paragraph 1 above, which is submitted after the initiation of the consolidation proceedings.

8. At the request of one of the claimants, the consolidating division of the Tribunal may take measures in order to preserve the confidentiality of protected information of that claimant vis-a-vis other claimants. Such measures may include the submission of redacted versions of documents containing protected information to the other claimants or arrangements to hold parts of the hearing in private.

Article 10.53. Provisional Award

1. Where the Tribunal concludes that the respondent has breached any of the provisions referred to in Article 10.24 (1) (Scope and Definitions) alleged by the claimant, the Tribunal may, on the basis of a request from the claimant, and after hearing the disputing parties, award only:

(a) monetary damages and any applicable interest; and

(b) restitution of property, in which case the award shall provide that the respondent may pay monetary damages, and any applicable interest in lieu of restitution, determined in a manner consistent with Article 10.17 (Expropriation) of Section C (Investment Protection) of Chapter 10 (Investment).

Where the claim was submitted on behalf of a locally-established company, any award under this paragraph shall provide that:

(a) any monetary damages and interest shall be paid to the locally established company;

(b) any restitution of property shall be made to the locally established company.

For greater certainty, the Tribunal may not award remedies other than those referred to in paragraph 1, nor may order the repeal, cessation or modification of the measure concerned.

2. Monetary damages shall not be greater than the loss suffered by the claimant or, if the claimant acted on behalf of the locally established enterprise, by the locally established enterprise, as a result of the breach of the relevant provisions of the Agreement, reduced by any prior damages or compensation already provided by the Party concerned. The Tribunal shall establish such monetary damages based on the submissions of the disputing parties, and shall consider, if applicable, contributory fault, whether deliberate or negligent, or failure to mitigate damages.

3. For greater certainty, if an investor of a Party submits a claim pursuant Article 10.29 (Submission of a Claim) it may recover only for loss or damage that it has incurred in its capacity as an investor of a Party.

4. The Tribunal may not award punitive damages.

5. The Tribunal shall order that the costs of the conduct of the proceedings be borne by the unsuccessful disputing party. In exceptional circumstances, the Tribunal may apportion such costs between the disputing parties if it determines that apportionment is appropriate in the circumstances of the case.

6. The Tribunal shall also allocate other reasonable costs, including the reasonable costs of legal representation and assistance, to be borne by the unsuccessful disputing party when it dismisses a claim and renders an award pursuant to Articles 10.41 (Claims manifestly without legal merit) and 10.42 (Claims unfounded as a matter of law). In other circumstances, the Tribunal shall determine the allocation of other reasonable costs, including the reasonable costs of legal representation and assistance among the disputing parties, considering the outcome of the proceedings and other relevant circumstances, such as the conduct of the parties.

7. Where only some parts of the claims have been successful the costs shall be adjusted, proportionately, to the number or extent of the successful parts of the claims.

8. The Appeal Tribunal shall deal with costs in accordance with this Article.

9. No later than one year after the entry into force of this Agreement, the [...] Committee shall adopt supplemental rules on fees for the purpose of determining the maximum amount of costs of legal representation and assistance that may be borne by specific categories of unsuccessful disputing parties, taking into account their financial resources.

10. The Tribunal shall issue a provisional award within 24 months of the date of submission of the claim. If that deadline cannot be respected, the Tribunal shall adopt a decision to that effect, which will specify to the disputing parties the reasons for such delay and indicate an estimated date for the issuance of the provisional award.

Article 10.54. Appeal Procedure

1. Either disputing party may appeal before the Appeal Tribunal a provisional award, within 90 days of its issuance. The grounds for appeal are:

(a) that the Tribunal has erred in the interpretation or application of the applicable law;

(b) that the Tribunal has manifestly erred in the appreciation of the facts, including where relevant the appreciation of domestic law; or

(c) those provided for in Article 52 of the ICSID Convention, in so far as they are not covered by (a) and (b).

2. The Appeal Tribunal shall reject the appeal where it finds that the appeal is unfounded. It may also reject the appeal on an expedited basis where it is clear that the appeal is manifestly unfounded.

3. If the Appeal Tribunal finds that the appeal is well founded, the decision of the Appeal Tribunal shall modify or reverse the legal findings and conclusions in the provisional award in whole or part. Its decision shall specify precisely how it has modified or reversed the relevant findings and conclusions of the Tribunal.

4. When the facts established by the Tribunal so permit, the Appeal Tribunal shall apply its own legal findings and conclusions to such facts and render a final decision. When that is not possible, it shall refer the matter back to the Tribunal.

5. As a general rule, the appeal proceedings shall not exceed 180 days from the date a party to the dispute formally notifies its decision to appeal to the date the Appeal Tribunal issues its decision. When the Appeal Tribunal considers that it cannot issue its decision within 180 days, it shall inform the disputing parties in writing of the reasons for the delay together with an estimate of the period within which it will issue its decision. In no case should the proceedings exceed 270 days.

6. A disputing party lodging an appeal shall provide security for the costs of appeal.

7. The provisions of Articles 10.32 (Third Party Funding), 10.43 (Transparency), 10.44 (Interim Measures), 10.45 (Discontinuance), 10.47 (The Non-Disputing Party to the Agreement) and, where relevant, other provisions of this Section, shall apply mutatis mutandis in respect of the appeal procedure.

Article 10.55. Final Award

1. A provisional award issued pursuant to this Section shall become final if neither disputing party has appealed the provisional award pursuant to Article 10.54 (Appeal Procedure).

2. When a provisional award has been appealed and the Appeal Tribunal has rejected the appeal pursuant to Article 10.54 (Appeal Procedure), the provisional award shall become final on the date of rejection of the appeal by the Appeal Tribunal.

3. When a provisional award has been appealed and the Appeal Tribunal has rendered a final decision, the provisional award as modified or reversed by the Appeal Tribunal shall become final on the date of the issuance of the final decision of the Appeal Tribunal.

4. When a provisional award has been appealed and the Appeal Tribunal has modified or reversed the legal findings and conclusions of the provisional award and referred the matter back to the Tribunal, the Tribunal shall, after hearing the disputing parties if appropriate, revise its provisional award to reflect the findings and conclusions of the Appeal Tribunal. The Tribunal shall be bound by the findings made by the Appeal Tribunal. The Tribunal shall seek to issue its revised award within 90 days of receiving the decision of the Appeal Tribunal. The revised provisional award will become final 90 days after its issuance.

5. The term "final award" shall include any final decision of the Appeal Tribunal rendered pursuant to Article 10.54 (Appeal Procedure).

Article 10.56. Enforcement of Awards

1. An award rendered pursuant to this Section shall not be enforceable until it has become final pursuant to Article 10.55 (Final Award). Final awards issued pursuant to this Section by the Tribunal shall be binding between the disputing parties and shall not be subject to appeal, review, set aside, annulment or any other remedy (32).
2. Each Party shall recognize an award rendered pursuant to this Agreement as binding and enforce the pecuniary obligation within its territory as if it were a final judgement of a court in that Party.
3. Execution of the award shall be governed by the laws concerning the execution of judgments or awards in force where such execution is sought.
4. For greater certainty, Article X [numbering tbd] (Rights and obligations of natural or juridical persons under this Agreement, Chapter Y) shall not prevent the recognition, execution and enforcement of awards rendered pursuant to this Section.
5. For the purposes of Article 1 of the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards, final awards issued pursuant to this Section are arbitral awards relating to claims that are considered to arise out of a commercial relationship or transaction.
6. For greater certainty and subject to paragraph 1, where a claim has been submitted to dispute settlement pursuant to Article 10.29 (2) (a) (Submission of a Claim), a final award issued pursuant to this Section shall qualify as an award under Section 6 of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States of 18 March 1965 (ICSID).

(32) For greater certainty, this does not prevent a disputing party from requesting the Tribunal to revise an award or to interpret an award in accordance with the applicable rules on dispute settlement where this possibility is available under the applicable rules.

ANNEX [numbering tbd] . MEDIATION MECHANISM FOR INVESTOR-TO-STATE DISPUTES

1. Initiation of the Procedure

1. Either disputing party may request, at any time, the commencement of a mediation procedure. Such request shall be addressed to the other party in writing.

Where the request concerns an alleged breach of the Agreement by the authorities of the European Union or by the authorities of the Member States of the European Union, and no respondent has been determined pursuant to Article 10.27 (Request for Determination of the Respondent) of Section D (Resolution of Investment Disputes and Investment Court System), it shall be addressed to the European Union. Where the request is accepted, the response shall specify whether the European Union or the Member State concerned will be a party to the mediation (33).

2. The party to which such request is addressed shall give sympathetic consideration to the request and accept or reject it in writing within 20 working days of its receipt.

(33) For greater certainty, where the request concerns an alleged breach by the European Union, the party to the mediation shall be the European Union and any Member State concerned shall be fully associated in the mediation. Where the request concerns exclusively an alleged breach by a Member State, the party to the mediation shall be the Member State concerned, unless it requests the European Union to be party.

2. Rules of the Mediation Procedure

1. The disputing parties shall endeavour to reach a mutually agreed solution within 90 days from the appointment of the mediator. Pending a final agreement, the disputing parties may consider possible interim solutions.
2. Mutually agreed solutions shall be made publicly available. However, the version disclosed to the public may not contain any information that a disputing party has designated as confidential or protected.

3. Relationship to Dispute Settlement

1. The procedure under this mediation mechanism is not intended to serve as a basis for dispute settlement procedures under this Agreement or another agreement. A disputing party shall not rely on or introduce as evidence in such dispute settlement procedures, nor shall any adjudicative body take into consideration:

- (a) positions taken by a disputing party in the course of the mediation procedure;
- (b) the fact that a disputing party has indicated its willingness to accept a solution to the measure subject to mediation; or
- (c) advice given or proposals made by the mediator.

2. The mediation mechanism is without prejudice to the rights and obligations of the Parties and the disputing parties under Section D (Resolution of Investment Disputes and Investment Court System) and Chapter YY (State to State Dispute Settlement).

3. Unless the disputing parties agree otherwise, and without prejudice to Article 10.26 (6 specific paras tod) (Consultations and amicable resolution), all steps of the procedure, including any advice or proposed solution, shall be confidential. However, the Party engaged in mediation may disclose to the public that mediation is taking place.

ANNEX [numbering tbd] . CODE OF CONDUCT FOR MEMBERS OF THE TRIBUNAL, THE APPEAL TRIBUNAL AND MEDIATORS

(text not available)

ANNEX XXXX . EXPROPRIATION

The Parties confirm their shared understanding that:

1. Expropriation under Article 10.17 (Expropriation) may be either direct or indirect:

(a) direct expropriation occurs when an investment is nationalised or otherwise directly expropriated through formal transfer of title or outright seizure.

(b) indirect expropriation occurs where a measure or series of measures by a Party has an effect equivalent to direct expropriation, in that it substantially deprives the investor of the fundamental attributes of property in its investment, including the right to use, enjoy and dispose of its investment, without formal transfer of title or outright seizure.

2. The determination of whether a measure or series of measures by a Party, in a specific situation, constitutes an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:

(a) the economic impact of the measure or series of measures, although the sole fact that a measure or series of measures of a Party has an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred;

(b) the duration of the measure or series of measures by a Party; and

(c) the character of the measure or series of measures, including their object, purpose and context.

3. For greater certainty, non-discriminatory measures by a Party that are designed and applied to achieve legitimate policy objectives, such as the protection of public health, social services, education, safety, environment, including climate change, or public morals, social or consumer protection, privacy and data protection, or the promotion and protection of cultural diversity, do not constitute indirect expropriations, unless the impact of a measure or series of measures is so severe in light of its purpose that it is manifestly excessive.

ANNEX XXXX . TRANSFERS-CHILE (34)

1. Such measures include, inter alia, the establishment

of restrictions or limitations on current payments and transfers (capital movements) to or from Chile, as well as transactions related to them, such as requiring that deposits, investments or credits from or to a foreign country, be subject to a reserve requirement (encaje).

2. Notwithstanding paragraph 1, the reserve requirement that the Central Bank of Chile can apply pursuant to Article 49 N°2 of Law 18.840, shall not exceed 30 percent of the amount transferred and shall not be imposed for a period which exceeds two years.

ANNEX XXXX . PUBLIC DEBT

1. No claim that a restructuring of debt of a Party breaches an obligation under Section C (Investment Protection) may be submitted to, or if already submitted, be pursued under Section D (Resolution of Investment Disputes and Investment Court System) if the restructuring is a negotiated restructuring at the time of submission, or becomes a negotiated restructuring after such submission.

2. Notwithstanding Article xxxx (Submission of a Claim) of Section D (Resolution of Investment Disputes and Investment Court System), and subject to paragraph [1] of this Annex, an investor of the other Party may not submit a claim under Section D (Resolution of Investment Disputes and Investment Court System) that a restructuring of debt of a Party breaches Articles 10.7 (National Treatment) or 10.9 (Most Favoured Nation Treatment) (35) or an obligation under Section C (Investment Protection), unless 270 days have elapsed from the date of submission by the claimant of the written request for consultations pursuant to Article xxxx (Consultations) of Sub-Section 1 (Scope and Definitions) of Section D (Resolution of Investment Disputes and Investment Court System).

3. For the purposes of this Annex:

(a) "negotiated restructuring" means the restructuring or rescheduling of debt of a Party that has been effected through (i) a modification or amendment of debt instruments, as provided for under their terms, including their governing law, or (ii) a debt exchange or other similar process in which the holders of no less than 66% of the aggregate principal amount of the outstanding debt subject to restructuring, excluding debt held by that Party or by entities owned or controlled by it, have consented to such debt exchange or other process.

4. For greater certainty, "debt of a Party" includes, in the case of the European Union, debt of a government of a Member State at the central, regional or local level.

(35) For greater certainty, a breach of Article 2.3 (National Treatment) or Article 2.4 (Most Favoured Nation Treatment) of Section A (Liberalisation of Investments) does not occur merely by virtue of a different treatment provided by a Party to certain categories of investors or investments on grounds of a different macroeconomic impact, for instance to avoid systemic risks or spillover effects, or on grounds of eligibility for debt restructuring.

ANNEX XXXX . COMPETENT AUTHORITIES MENTIONED IN ARTICLE 10.14 PARAGRAPH 4 OF SECTION C (INVESTMENT PROTECTION)

Drafters Note: Parties to ensure consistency with wording of the Market Access article agreed in the investment chapter

A Party may define "doing business" and "solicitation" for the purposes of this obligation provided that those definitions are not inconsistent with paragraph 1.

3. Without prejudice to other means of prudential regulation of cross-border trade in financial services, a Party may require the registration or authorisation of cross-border financial service suppliers of another Party and of financial instruments.

- (b) to purchase, use or accord a preference to goods produced or services provided in its territory, or to purchase goods or services from natural persons or enterprises in its territory;

- (e) to restrict the exportation or sale for export.

3. Paragraph 2 shall not be construed as preventing a Party from conditioning the receipt or continued receipt of an advantage, in connection with the establishment or the operation of financial institutions in its territory by an investor of a Party or a non-Party, on compliance with a requirement to locate production, provide a service, train or employ workers, construct or expand particular facilities, or carry out research and development in its territory.

4. Paragraph 1 (f) does not apply

- (a) if a Party authorises use of an intellectual property right in accordance with Article 31 or article 31 bis of the TRIPS Agreement or adopts or maintains measures requiring the disclosure of data or propriety information that fall within the scope of, and are consistent with, paragraph 3 of Article 39 of the TRIPS Agreement; or

6. Paragraphs 1 (a), 1 (b), 1 (c), 2 (a) and 2 (b) do not apply to qualification requirements for goods or services with respect to participation in export promotion and foreign aid programmes;

7. Paragraphs 2 (a) and 2 (b) do not apply to requirements imposed by an importing Party relating to the content of goods necessary to qualify for preferential tariffs or preferential quotas.

8. For greater certainty, this Article shall not be construed as requiring a Party to permit a particular service to be supplied on a cross-border basis where that Party adopts or maintains restrictions or prohibitions on such provision of services which

are consistent with the reservations, conditions or qualifications specified with respect to a sector, subsector or activity listed in Annex XXX (annexes with non-conforming measures or MA restrictions).

[DN: "Within 30 days following the political conclusion of this agreement, Chile may amend its schedule as required. Any amendment must be limited to the listing of reservations that do not conform with the performance requirements obligation under this Chapter, in Section C [existing measures] of Annex XXX [FFSS]. In addition, the schedule sent by CL the 25 of October does not include a reservation covering performance requirements on social welfare, which will nonetheless be considered as making part of the current schedule.]

9. This Article is without prejudice to commitments of a Party made under the WTO Agreement.

as the case may be, to the extent that the measure, sector, sub-sector or activity set out in the reservation is covered by this Chapter.

(a) publish in advance

1. (i) the laws and regulations of general application it proposes to adopt in relation to matters falling within the scope of this Chapter; or

(b) provide interested persons and the other Party a reasonable opportunity to comment on such proposed measures or documents published under (a);

(c) consider comments received under (b); and

(d) allow a reasonable time between the publication of the measures referred to in (a)(i) and the date on which service suppliers must comply with them.

3. This article shall apply to measures relating to licensing requirements, licensing procedures, and qualification requirements and qualification procedures in sectors for which the Party has undertaken specific commitments and to the extent that these specific commitments apply.

4. If a Party adopts or maintains measures relating to the authorisation for the supply of a financial service, that Party shall ensure that:

(a) such measures are based on objective and transparent criteria²;

² Such criteria may include inter alia competence and the ability to supply a service, including to do so in a manner consistent with a Party's regulatory requirements. Competent authorities may assess the weight to be given to each criterion.

3 For the purposes of this Chapter, 'authorisation' means the permission to supply a financial service, resulting from a procedure to which an applicant must adhere in order to demonstrate compliance with licensing requirements or qualification requirements.

(b) the procedures are impartial, and that the procedures are adequate for applicants to demonstrate whether they meet the requirements, if such requirements exist; and

(c) the procedures do not in themselves unjustifiably prevent fulfilment of the requirements.

5. Where authorisation³ is required each Party shall promptly publish or otherwise make publicly available the information necessary for the applicant to comply with the

requirements and procedures for obtaining, maintaining, amending and renewing such authorisation. Such information shall include, inter alia, where it exists:

7. Each Party shall endeavour to make authorisation procedures and formalities as simple as possible and shall not unduly complicate or delay the provision of the service.

8. Each Party shall endeavour to establish the indicative timeframe for processing of an application and shall, at the request of the applicant and without undue delay, provide information concerning the status of the application.

X If the competent authorities consider an application incomplete for processing under the Party's domestic laws and regulations, within a reasonable period of time, to the extent practicable:

(i) inform the applicant that the application is incomplete;

(ii) at the request of the applicant, identify the additional information required to complete the application, or otherwise provide guidance on why the application is considered incomplete; and

(iii) provide the applicant with the opportunity⁵ to provide the additional information that is required to complete the application;

5 Such opportunity does not require a competent authority to provide extensions of deadlines.

however, if none of the above is practicable, and the application is rejected due to incompleteness, ensure that they so inform the applicant within a reasonable period of time.

9. Each Party shall ensure that its competent authorities, with respect to authorisation fees⁶ that they charge, provide applicants with a schedule of fees or information on how fee amounts are determined, and do not use the fees as a means of avoiding the Party's commitments or obligations.

10. The competent authority should reach its decision in an independent manner and not be accountable to any person supplying the services for which the licence or authorisation is required.

11. Each Party shall ensure that the processing of an application, including reaching a final decision, is completed within a reasonable timeframe after the date of submission of a complete application and that the applicant is informed of the decision concerning the application, to the extent possible, in writing.

12. If an application is rejected by the competent authority, the applicant shall be informed, either at its own request or upon the competent authority's initiative, in writing and without undue delay. To the extent practicable, the applicant shall be informed of the reasons for rejection of the application and of the timeframe for an appeal against this decision. An applicant should be permitted, within reasonable time limits, to resubmit an application.

13. Where examinations are required for an authorisation, the regulatory authority shall ensure such examinations at reasonably frequent intervals and provide a reasonable period of time to enable applicants to request to take the examination.

14. Each Party shall ensure that an authorisation, once granted, enters into effect without undue delay in accordance with the terms and conditions specified therein.

Article 18.14

Financial Services new to the Territory of a Party

1. Each Party shall permit a financial institution of the other Party, other than a branch, to supply any new financial service that the former Party would permit its own financial institutions to supply in accordance with its domestic law, in like situations, provided that the introduction of the new financial services does not require a new law or modification of an existing law.

2. A Party may determine the institutional and juridical form through which the new financial service may be supplied and may require authorisation for the supply of the service. Where such authorisation is required, a decision shall be made within a reasonable period of time and the authorisation may only be refused for prudential reasons.

3. This Article does not prevent a financial institution of a Party from applying to the other Party to consider authorising the supply of a financial service that is not supplied within either Party's territory. That application is subject to the law of the Party receiving the application and is not subject to the obligations of this Article.

Article 18.15

Self-regulatory Organisations

When a Party requires a financial institution or a cross-border financial service supplier of the other Party to be a member of, participate in, or have access to, a self-regulatory organization in order to provide a financial service in or into the territory of the first Party, it shall ensure that the self-regulatory organization observes the obligations of Articles 10.7 (National Treatment) and 10.9 (Most Favored Nation Treatment) of the Investment Chapter and Article 11.5 (National Treatment) and 11.6 (Most Favored Nation Treatment) of the Cross Border Trade in Services Chapter.

2. Each Party shall ensure that when there are consultations pursuant to paragraph 1, its delegation shall include officials with the relevant expertise in the area covered by this Chapter as set out in Annex XX (Authorities responsible for Financial Services).

3. For greater certainty, nothing in this Article shall be construed to require a Party to derogate from its relevant law regarding sharing of information among financial regulators or the requirements of an agreement or arrangement between financial authorities of the Parties, or require regulatory authorities to take any action that would interfere with specific regulatory, supervisory, administrative, or enforcement matters.

4. Nothing in this Article shall be construed to impede that where a Party requires information for supervisory purposes concerning a financial institution in the other Party's territory or a cross-border financial service supplier in the other Party's territory, the Party may approach the competent regulatory authority in the other Party's territory to seek the information.

Article 18.19

Dispute settlement

1. Chapter 31 (Dispute Settlement), including Annexes X (Rules of Procedure) and XX (Code of Conduct), applies as modified by this Article to the settlement of disputes concerning the application or interpretation of the provisions of this Chapter.

2. In addition to the requirements set out in Article 31.7 (Requirements for Panellists – Dispute Settlement Chapter), panellists shall have expertise or experience in financial services law or practice, which may include the regulation of financial institutions, unless the Parties agree otherwise.

3. The Financial Services Committee shall recommend to the Joint Council the adoption of a list of at least 15 individuals, fulfilling the requirements set out in paragraph 2, who are willing and able to serve as panellists. The Joint Council shall adopt such list no later than six months after the date of entry into force of this Agreement. The list shall be composed of three sub-lists:

(a) one sub-list of individuals established on the basis of proposals by the European Union;

(b) one sub-list of individuals established on the basis of proposals by the Republic of Chile; and

(c) one sub-list of individuals that are not nationals of either Party and who shall serve as chairperson to the panel.

Article 18.20

Resolution of Investment Disputes in Financial Services

1. Section D (Resolution of Investment Disputes and Investment Court System) of Chapter 10 (Investment) applies, as modified by this Article, to:

(a) investment disputes pertaining to measures adopted or maintained by a Party relating to investors and their investments in financial institutions to which this Agreement applies and in which an investor claims that a Party has breached Article 18.3 (National Treatment), Article 18.5 (Most-Favoured-Nation Treatment), Articles 10.15 (Treatment of Investors and of Covered Investments), 10.18 (Transfers), Article 10.16 (Treatment in Case of Strife), or Article 10.17 (Expropriation); or

(b) investment disputes commenced pursuant to Chapter 10 (Investment) of this Agreement, in which Article 18.11 (Prudential Carve-Out) has been invoked.

2. In the case of an investment dispute pursuant to subparagraph 1(a), or if the respondent invokes Article 18.11 (Prudential Carve-Out) pursuant to subparagraph 1(b) within 60 days of the submission of a claim to the Tribunal in accordance with Article xxxx (Submission of a Claim to the Tribunal), the division of the Tribunal hearing the case may appoint, after consulting the disputing parties and pursuant to Article xxxx (Expert Reports), one or more experts from the list in Article 18.19 (SSDS in FS) to report to it on any factual issue concerning financial services matters raised by a disputing party in the proceedings.

3. In view of the importance of the right of a Party to adopt or maintain measures for prudential reasons, where such measures fall within the scope of the Article 18.11 (Prudential Carve-Out) shall apply as a valid defence to a claim based on any of the other provisions of this Agreement, including Article 10.15 (Treatment of Investors and of Covered Investments) of Chapter 10 (Investment). Following a request for consultations pursuant to Article [...], the respondent may request in writing to the [Committee] that it determines whether and, if so, to what extent the measure which is the subject of the request for consultations is justified under Article 18.11 (Prudential Carve-Out). This referral shall be made as soon as possible after the reception of the request for consultations. Upon the referral to the [Committee] the periods of time referred to in Articles xxxx (Consultations), xxxx (Determination of the respondent) and xxxx (Timelines to file a claim)] shall be suspended.

4. In a referral pursuant to paragraph 3, the [Committee] shall attempt in good faith to make a determination. Any such determination shall be transmitted promptly to the disputing parties.

5. To the extent that the Committee determines that the measure is justified under Article 18.11 (Prudential Carve-Out), no claim may be submitted before the investment tribunal pursuant to Article [...].

6. If the [Committee] has not made a determination within three months after the referral of the matter, the suspension of the periods of time referred to in paragraph 3 ceases to apply.

7. Failure of the respondent to make that request is without prejudice to the right of the respondent to assert Article 18.11 (Prudential Carve-Out) as a defence in a later phase of the proceedings. The Tribunal shall draw no adverse inference from the fact that the [Committee] has not agreed on a joint determination.
