### **Article 2 Scope and Coverage**

1. This Agreement shall apply to measures adopted or maintained by a Party relating to:
  - (a) investors of the other Party; and
  - (b) covered investments.
2. For greater certainty, this Agreement does not bind a Party in relation to an act or fact that took place or a situation that ceased to exist before the date of entry into force of this Agreement.
3. Nothing in this Agreement shall apply to:
  - (a) government procurement;
  - (b) subsidies or grants provided by a Party including government supported loans, guarantees, and insurance;
  - (c) services supplied in the exercise of governmental authority within the respective territories of the Parties;
  - (d) any measure to the extent it affects the supply of service by a service supplier of a Party, through commercial presence in the territory of the other Party; or
  - (e) any measure regarding taxation, including measures taken to enforce taxation obligations.

### **Article 3 Treatment of Investment<sup>2</sup>**

1. Each Party shall accord to covered investments of investors of the other Party treatment in accordance with customary international law.<sup>3</sup>
2. A Party breaches this obligation only if a measure constitutes:

---

<sup>2</sup> For greater certainty, the treatment in this Article does not require treatment beyond that which is required under the customary international law regarding the minimum standard of treatment of aliens.

<sup>3</sup> The Parties confirm their shared understanding that “customary international law” generally and as specifically referenced in Article 3 (Treatment of Investment), including in relation to the customary international law minimum standard of treatment of aliens, results from a general and consistent practice of States that they follow from a sense of legal obligation.

- (a) denial of justice in criminal, civil or administrative proceedings;
  - (b) fundamental breach of due process, including a fundamental breach of transparency in judicial and administrative proceedings;
  - (c) manifest arbitrariness;
  - (d) targeted discrimination on manifestly wrongful grounds, such as gender, race, or religious belief;
  - (e) abusive treatment, such as coercion, duress and harassment; or
  - (f) a failure to provide full protection and security.
3. A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.
  4. For greater certainty, the mere fact that a Party takes or fails to take an action that may be inconsistent with an investor's expectations does not constitute a breach of this Article, even if there is loss or damage to the covered investment as a result.

#### **Article 4 National Treatment<sup>4</sup>**

1. Each Party shall accord to investors of the other Party treatment no less favourable than that it accords, in like circumstances, to its own investors with respect to the management, conduct, operation and sale or other disposition of investments in its territory.
2. Each Party shall accord to covered investments treatment no less favourable than that it accords, in like circumstances, to investments in its territory of its own investors with respect to management, conduct, operation and sale or other disposition of investments.
3. For greater certainty, the treatment to be accorded by a Party under paragraphs 1 and 2 means, with respect to a regional level of government, treatment no less favourable than the most favourable treatment accorded in like circumstances by that regional level of government to investors, and to investments of investors, of the Party of which it forms a part.

---

<sup>4</sup> For greater certainty, whether treatment is accorded in "like circumstances" under Article 4 (National Treatment) or Article 5 (Most-Favoured-Nation Treatment) depends on the totality of the circumstances, including whether the relevant treatment distinguishes between investors or investments on the basis of legitimate public welfare objectives.

## **Article 5**

### **Most-Favoured-Nation Treatment**

1. Each Party shall accord to investors of the other Party treatment no less favourable than that it accords, in like circumstances, to investors of a non-party with respect to the management, conduct, operation and sale or other disposition of investments in its territory.
2. Each Party shall accord to covered investments treatment no less favourable than that it accords, in like circumstances, to investments in its territory of investors of a non-party with respect to the management, conduct, operation and sale or other disposition of investments.
3. For greater certainty, the treatment referred to in this Article does not encompass international dispute resolution procedures or mechanisms.
4. Substantive obligations in other international investment treaties and other trade agreements shall not in themselves constitute "treatment" and thus shall not give rise to a breach of this Article, absent measures adopted or maintained by a Party pursuant to those obligations.
5. Nothing in this Agreement shall be construed so as to oblige a Party to extend to investors of the other Party and to their covered investments the benefits of any treatment resulting from:
  - (a) any bilateral or multilateral international agreement for the promotion and protection of investments which was signed prior to the date of entry into force of this Agreement; and
  - (b) for the UAE, treatment granted to the Gulf Cooperation Council (GCC) Member States, and by the UAE to Arab League Members.<sup>5</sup>
6. Subject to paragraph 5, if, after the date of entry into force of this Agreement, a Party subsequently enters into any agreement with a non-party in which it provides treatment to investors of that non-party more favourable than it accords to investors of the other Party in like circumstances, the other Party may request consultations with a view to implementing that more favourable treatment in accordance with paragraphs 1 and 2.
7. Upon receiving such a request, the Parties shall conduct friendly consultations in good faith with a view to reaching agreement within 60 days to implement the more favourable treatment. Subject to the agreement between the Parties, the more favourable treatment shall take effect automatically six months from the date of completion of the consultations. If the Parties do not reach an agreement, the provisions of this article shall not apply.

---

<sup>5</sup> "Gulf Cooperation Council (GCC) Member States" refers to members of the GCC established under the *Charter of the Cooperation Council for the Arab States of the Gulf*, done at Abu Dhabi on 25 May 1981, and "Arab League Members" refers to members of the Arab League established under the *Charter of the League of Arab States*, done at Cairo on 22 March 1945.

**Article 6**  
**Treatment in Case of Armed Conflict or Civil Strife**

1. Each Party shall accord to investors of the other Party and to covered investments non-discriminatory treatment with respect to measures it adopts or maintains relating to losses suffered by investments in its territory owing to armed conflict or civil strife.<sup>6</sup>
2. Notwithstanding paragraph 1, if an investor in a situation referred to in paragraph 1, suffers a loss in the territory of the other Party resulting from:
  - (a) requisitioning of its covered investment or part thereof by the latter's forces or authorities; or
  - (b) destruction of its covered investment or part thereof by the latter's forces or authorities, which was not required by the necessity of the situation,the latter Party shall provide the investor with restitution or adequate compensation for such loss.

**Article 7**  
**Expropriation and Compensation<sup>7</sup>**

1. Neither party shall expropriate or nationalise a covered investment, either directly or indirectly, through measures equivalent to expropriation or nationalisation ("**expropriation**"), except:
  - (a) for a public purpose;<sup>8</sup>
  - (b) in accordance with due process of law;
  - (c) in a non-discriminatory manner; and
  - (d) on payment of prompt, adequate and effective compensation, in accordance with paragraphs 2 through 4.
2. Compensation shall:
  - (a) be paid without delay;
  - (b) be equivalent to the fair market value of the expropriated investment immediately before the expropriation took place (the date of expropriation);

---

<sup>6</sup> This includes the treatment set out in Article 3 (National Treatment) and Article 4 (Most-Favoured-Nation Treatment)

<sup>7</sup> This Article shall be interpreted in accordance with Annex I (Expropriation).

<sup>8</sup> For greater certainty, for the purposes of this Article, the term "public purpose" refers to a concept in customary international law. Domestic law may express this or a similar concept by using different terms, such as "public necessity", "public interest", or "public use".

- (c) not reflect any change in value occurring because the intended expropriation had become known earlier; and
  - (d) be fully realisable and freely transferable.
- 3. If the fair market value is denominated in a freely usable currency, the compensation paid shall be no less than the fair market value on the date of expropriation, plus interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.
- 4. If the fair market value is denominated in a currency that is not freely usable, the compensation paid, converted into the currency of payment at the market rate of exchange prevailing on the date of payment, shall be no less than:
  - (a) the fair market value on the date of expropriation, converted into a freely usable currency at the market rate of exchange prevailing on that date; plus
  - (b) interest, at a commercially reasonable rate for that freely usable currency, accrued from the date of expropriation until the date of payment.
- 5. This Article does not apply to the issuance of compulsory licences granted in relation to intellectual property rights in accordance with the *Agreement on Trade-Related Aspects of Intellectual Property Rights in Annex 1C to the WTO Agreement* ("TRIPS Agreement"), or to the revocation, limitation, or creation of intellectual property rights, to the extent that the issuance, revocation, limitation, or creation is consistent with the TRIPS Agreement.<sup>9</sup>
- 6. Subject to and in accordance with the law of the Party making the expropriation, the affected investor shall have a right to review, by an independent judicial authority of that Party, of the legality of the expropriation and of the valuation of their investment.

## **Article 8 Transfers**

- 1. Each Party shall permit all transfers relating to a covered investment to be made freely and without delay into and out of its territory. Such transfers include:
  - (a) contributions to capital, including the initial contribution and additional amounts to maintain or increase the investment;
  - (b) profits, dividends, interest, capital gains, royalty payments, management fees, technical assistance fees, and other fees;

---

<sup>9</sup> For greater certainty, the Parties recognise that, for the purposes of this Article, the term "revocation" of intellectual property rights includes the cancellation or nullification of those rights, and the term "limitation" of intellectual property rights includes exceptions to those rights.

- (c) proceeds from the sale of all or any part of the covered investment or from the partial or complete liquidation of the covered investment;
  - (d) payments made under a contract including a loan agreement;
  - (e) payments made in accordance with Articles 6 (Treatment in Case of Armed Conflict or Civil Strife) and 7 (Expropriation and Compensation); and
  - (f) payments arising out of a dispute.
2. Each Party shall permit transfers relating to a covered investment to be made in a freely usable currency at the market rate of exchange prevailing at the time of transfer.
  3. Each Party shall permit returns in kind relating to a covered investment to be made as authorised or specified in a written agreement between the Party and a covered investment or an investor of the other Party.
  4. Notwithstanding paragraphs 1 through 3, a Party may prevent or delay a transfer through the equitable, non-discriminatory, and good faith application of its law relating to:
    - (a) the payment of taxes;
    - (b) bankruptcy, insolvency, or the protection of the rights of creditors;
    - (c) issuing, trading, or dealing in securities, futures, options, or derivatives;
    - (d) criminal or penal offences;
    - (e) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities;
    - (f) ensuring compliance with an order or judgment in judicial or administrative proceedings;
    - (g) social security, public retirement, superannuation, compulsory savings schemes, or other arrangements to provide pension, end of service scheme or similar retirement benefits; or
    - (h) severance entitlements of employees.
  5. Notwithstanding paragraph 3, a Party may restrict transfers of returns in kind in circumstances where it could otherwise restrict such transfers under this Article, including as set out in paragraph 4.

**Article 9**  
**Performance Requirements**

1. Neither Party may impose or enforce any requirement, or enforce any commitment or undertaking in connection with the management, conduct, operation, sale or other disposition of an investor of a Party or of a non-party in its territory:
  - (a) to export a given level or percentage of goods or services;
  - (b) to achieve a given level or percentage of domestic content;
  - (c) to purchase, use or accord a preference to goods produced in its territory or to purchase goods from persons in its territory; or
  - (d) to relate in any way the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with the investment.
2. For greater certainty, paragraph 1 shall not apply to any commitment, undertaking, or requirement other than those set out in those paragraphs.

**Article 10**  
**Senior Management and Board of Directors**

1. No Party shall require that an enterprise of that Party that is a covered investment appoint to a senior management or board of director positions natural persons of a particular nationality.
2. A Party may require that a majority of the board of directors, or any committee thereof, of an enterprise of that Party that is a covered investment, be of a particular nationality or resident in the territory of the Party, provided that the requirement does not materially impair the ability of the investor to exercise control over its investment.

**Article 11**  
**Denial of Benefits**

1. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of the other Party and to investments of that investor if persons of a non-party own or control the enterprise and the denying Party adopts or maintains measures with respect to the non-party or a person of the non-party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Agreement were accorded to the enterprise or to its investments.
2. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of the other Party, and to investments of that investor, if the

enterprise is owned or controlled, directly or indirectly, by persons of a non-party or of the denying Party, provided that, prior to invoking its rights under this paragraph, the denying Party shall consult with the other Party.

## **Article 12**

### **Special Formalities and Information Requirements**

1. Nothing in Article 3 (National Treatment) shall be construed to prevent a Party from adopting or maintaining a measure that prescribes special formalities in connection with a covered investment, such as a residency requirement for registration or a requirement that covered investments be legally constituted under the law of the Party, provided that these formalities do not materially impair the protections afforded by the Party to investors of the other Party and covered investments pursuant to this Agreement.
2. Notwithstanding Article 3 (National Treatment) and Article 4 (Most-Favoured-Nation Treatment), a Party may require an investor of the other Party or its covered investment to provide information concerning that investment solely for informational or statistical purposes. The Party shall protect such information that is confidential from any disclosure that would prejudice the competitive position of the investor or its covered investment, pursuant to applicable law.

## **Article 13**

### **Non-Conforming Measures**

1. Article 3 (National Treatment), Article 4 (Most-Favoured-Nation Treatment), Article 9 (Prohibition of Performance Requirements), and Article 10 (Senior Management and Board of Directors) shall not apply to:
  - (a) any existing non-conforming measure that is maintained by a Party;
  - (b) the continuation or prompt renewal of any non-conforming measure referred to in subparagraph (a); or
  - (c) an amendment to any non-conforming measure referred to in subparagraph (a) to the extent that the amendment does not decrease the conformity of the measure, as it existed immediately before the amendment, with the Articles listed in paragraph 1.
2. Article 3 (National Treatment), Article 4 (Most-Favoured-Nation Treatment), Article 9 (Prohibition of Performance Requirements), and Article 10 (Senior Management and Board of Directors) shall not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors or activities as set out in its Schedule.

## **Article 14**

### **Corporate Social Responsibility**

1. Each Party reaffirms the importance of encouraging investors operating within its territory or subject to its jurisdiction voluntarily to incorporate into their internal policies those internationally recognised standards, guidelines, and principles of corporate social responsibility that have been endorsed or are supported by that Party, such as the *OECD Guidelines for Multinational Enterprises* done at Paris on 21 June 1976 and the *United Nations Guiding Principles on Business and Human Rights* done at Geneva on 16 June 2011.
2. Each Party should encourage investors or enterprises operating within its territory to undertake and maintain meaningful engagement and dialogue with First Nations people, in accordance with international responsible business conduct standards, guidelines and principles that have been endorsed or are supported by that Party, such as the *UN Declaration on the Rights of Indigenous Peoples* of 13 September 2007.

## **Section C: Exceptions**

### **Article 15**

#### **Prudential Measures**

1. Nothing in this Agreement shall prevent a Party from adopting or maintaining measures for prudential reasons,<sup>10</sup> including the protection of investors, depositors, policyholders, or persons to whom a fiduciary duty is owed by a financial service supplier to ensure the integrity and stability of the financial system.
2. Where such measures do not conform with the provisions of this Agreement, they shall not be used as a means of avoiding the Party's commitments or obligations under this Agreement.

### **Article 16**

#### **General Exceptions**

1. For the purposes of this Agreement and subject to the requirement that such measures are not applied in a manner which would constitute arbitrary or unjustifiable discrimination between investments or between investors, or a disguised restriction on international investment, nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining measures:
  - (a) necessary to protect human, animal, or plant life or health;

---

<sup>10</sup> The Parties understand that "prudential reasons" includes the maintenance of the safety, soundness, integrity, or financial responsibility of individual financial institutions or financial service suppliers, as well as the safety and financial and operational integrity of payment and clearing systems.

- (b) necessary to protect public morals or to maintain public order;<sup>11</sup>
  - (c) necessary to secure compliance with laws or regulations which are not inconsistent with the provisions of this Agreement including those relating to:
    - (i) the prevention of deceptive and fraudulent practices or to deal with the effects of a default on a contract;
    - (ii) the protection of the privacy of individuals in relation to the processing and dissemination of personal data and the protection of confidentiality of individual records and accounts; or
    - (iii) safety;
  - (d) imposed for the protection of national treasures of artistic, historical, or archaeological value; or
  - (e) relating to the conservation of exhaustible natural resources if such measures are made effective in conjunction with restrictions on domestic production or consumption.
2. The Parties understand that the measures referred to in paragraph 1(a) include environmental measures necessary to protect human, animal or plant life or health.

### **Article 17 Security Exception**

Nothing in this Agreement shall be construed to:

- (a) require a Party to furnish or allow access to any information, the disclosure of which it determines to be contrary to its essential security interests; or
- (b) preclude a Party from applying measures that it considers necessary for the fulfilment of its obligations with respect to the maintenance or restoration of international peace or security, or the protection of its own essential security interests.

---

<sup>11</sup> The public order exception may be invoked only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society.

## **Section D: Settlement of disputes between the Parties**

### **Article 18 Settlement of Disputes Between the Parties**

1. Each Party shall afford adequate opportunity for prompt and friendly consultation regarding any dispute with the other Party connected with this Agreement.
2. If a dispute connected with this Agreement is not resolved, by such means in accordance with paragraph 1, within a period of six months from the date of a Party's written request for negotiations or consultations, it shall be submitted upon the request of either Party to an Arbitral Tribunal established in accordance with the provisions of this Article of this Agreement or, as agreed by the Parties, to any other international tribunal.
3. The Arbitral Tribunal referred to in paragraph 2 shall consist of three persons appointed as follows:
  - (a) each Party shall appoint an arbitrator;
  - (b) the two arbitrators appointed by the Parties shall, within 30 days of the appointment of the second of them, or such longer period as otherwise agreed, select a third arbitrator, by agreement, who shall be a citizen or permanent resident of a non-party which has diplomatic relations with both Parties; and
  - (c) the Parties shall, within 30 days of the selection of the third arbitrator, approve the selection of that arbitrator who shall act as Chair of the Arbitral Tribunal.
4. Arbitration proceedings shall be instituted upon notice of arbitration being given through diplomatic channels by the Party instituting such proceedings to the other Party. Such notice of arbitration shall:
  - (a) specify for each claim, the provision of this Agreement alleged to have been breached and any other relevant provisions;
  - (b) specify the legal and factual basis for each claim, including where relevant, details of an investment;
  - (c) specify the relief sought; and
  - (d) contain the name of the arbitrator appointed by the Party instituting such proceedings.

Within 60 days after giving such notice of arbitration the respondent Party shall notify the Party instituting proceedings of the name of the arbitrator appointed by the respondent Party.

5. If, within the time limits provided for in paragraph 3(b), paragraph 3(c) and paragraph 4, the required appointment has not been made or the required approval has not been given, either Party may request the President of the International Court of Justice to make the necessary appointment. If the President is a citizen or permanent resident of either Party or is otherwise unable to act, the Vice-President shall be invited to make the appointment. If the Vice-President is a citizen or permanent resident of either Party or is unable to act, the Member of the International Court of Justice next in seniority who is not a citizen or permanent resident of either Party shall be invited to make the appointment.<sup>12</sup>
6. In case any arbitrator appointed as provided for in this Article shall resign or become unable to act, a successor arbitrator shall be appointed in the same manner as prescribed for the appointment of the original arbitrator and the successor shall have all the powers and duties of the original arbitrator.
7. The Arbitral Tribunal shall convene at such time and place as shall be fixed by the Chair of the Tribunal. Thereafter, the Arbitral Tribunal shall determine where and when it shall sit. The Arbitration shall be held in a party to the *Convention on the Recognition and Enforcement of Foreign Arbitral Awards*, done at New York on 10 June 1958.
8. The Arbitral Tribunal shall decide all questions relating to its competence, in accordance with Annex VI (Code of Conduct for Panellists and Others Engaged in Dispute Settlement Proceedings Under this Agreement), and shall determine its own procedure, subject to any agreement between the Parties.
9. Before the Arbitral Tribunal makes a decision, it may at any stage of the proceedings propose to the Parties that the dispute be settled amicably. The Arbitral Tribunal shall reach its award by majority vote, taking into account the provisions of this Agreement, the international agreements that both Parties have concluded and the generally recognised principles of international law.
10. Each Party shall bear the cost of its appointed arbitrator. The cost of the Chair of the Arbitral Tribunal and the other expenses associated with the conduct of the arbitration board shall be borne, in equal parts, by both Parties.
11. The Arbitral Tribunal shall afford to the Parties a fair hearing. It may render an award on the default of a Party. Any award shall be rendered in writing and shall state its legal basis. A signed counterpart of the award shall be transmitted to each Party.
12. An award shall be final and binding on the Parties.

---

<sup>12</sup> The President, Vice President or Member of the International Court of Justice must be a citizen or permanent resident of a non-party which has diplomatic relations with both Parties to make an appointment pursuant to this paragraph. An arbitrator appointed pursuant to this paragraph shall be a citizen or permanent resident of a non-party which has diplomatic relations with both Parties.

## Annex I – Expropriation

The Parties confirm their shared understanding that:

1. An action or a series of actions by a Party cannot constitute an expropriation unless it interferes with a tangible or intangible property right or property interest in an investment.
2. Paragraph 1 of Article 7 (Expropriation and Compensation) addresses two situations. The first is direct expropriation, in which an investment is nationalised or otherwise directly expropriated through formal transfer of title or outright seizure.
3. The second situation addressed by paragraph 1 of Article 7 (Expropriation and Compensation) is indirect expropriation, in which an action or series of actions by a Party has an effect equivalent to direct expropriation without formal transfer of title or outright seizure.
4. The determination of whether an action or series of actions by a Party constitutes an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:
  - (a) the economic impact of the government action, although the fact that an action or actions by a Party has an adverse effect on the economic value of an investment, standing alone, does not establish that an indirect expropriation has occurred;
  - (b) the extent to which the government action interferes with distinct, reasonable investment-backed expectations;<sup>14</sup> and
  - (c) the character of the government action.
5. Non-discriminatory regulatory actions by a Party that are designed and applied to protect legitimate public welfare objectives, such as public health,<sup>15</sup> safety, and the environment, do not constitute indirect expropriations, except in rare circumstances.

---

<sup>14</sup> For greater certainty, whether an investor's investment-backed expectations are reasonable depends, to the extent relevant, on factors such as whether the government provided the investor with binding written assurances and the nature and extent of governmental regulation or the potential for government regulation in the relevant sector.

<sup>15</sup> For greater certainty and without limiting the scope of this subparagraph, regulatory actions to protect public health include, among others, such actions with respect to the regulation, pricing and supply of, and reimbursement for, pharmaceuticals (including biological products), diagnostics, vaccines, medical devices, gene therapies and technologies, health-related aids and appliances, and blood and blood-related products.

## **Annex II – Temporary Safeguard Measures**

1. Nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining restrictive measures with regard to payments or transfers relating to the movements of capital:
  - (a) in the event of serious balance-of-payments and external financial difficulties or threat thereof; or
  - (b) if, in exceptional cases, payments or transfers relating to capital movements cause or threaten to cause serious difficulties for macroeconomic management.
  
2. Any measure adopted or maintained under paragraph 1 shall:
  - (a) not be inconsistent with Article 4 (National Treatment) and Article 5 (Most-Favoured-Nation Treatment);
  - (b) not exceed those necessary to deal with the circumstances set out in paragraph 1;
  - (c) be temporary and be phased out progressively as the situations specified in paragraph 1 improve;
  - (d) avoid unnecessary damage to the commercial, economic and financial interests of the other Party; and
  - (e) be consistent with the Articles of Agreement of the International Monetary Fund.
  
3. A Party adopting or maintaining measures under paragraph 1 shall:
  - (a) promptly notify, in writing, the other Party of the measures, including any changes therein; and
  - (b) on request of the other Party, promptly commence consultations with the other Party to review the measures adopted or maintained under paragraph 1, provided that:
    - (i) in the case of capital movements, such consultations are not otherwise taking place outside of this Agreement; or
    - (ii) in the case of current account restrictions, such consultations are not otherwise taking place outside this Agreement.

---
